FLAGSHIP INVESTMENTS LIMITED

Dividend Reinvestment Plan Information Booklet

This booklet explains the Flagship Investments Limited (or “Company”) ABN 99 080 135 913 Dividend Reinvestment Plan (“Dividend Plan”).

FSI aims to provide company Shareholders with a fully franked dividend, which over time, will grow at a rate in excess of the rate of inflation.

You may elect to receive the dividend from your FSI investment by:

- (i) payment via electronic funds transfer (EFT) to your nominated Financial Institution; or
- (ii) shares issued under the Dividend Reinvestment Plan; or
- (iii) a combination of payment by EFT and shares issued under the Dividend Reinvestment Plan.

The Dividend Plan offers you the alternative of receiving additional Flagship Investments Limited shares, instead of cash dividends in respect of part, or all, of your shareholding.

Shares are allotted to you under the Dividend Plan at a price determined by the Directors.

We strongly suggest that you read this booklet carefully before deciding which of the alternatives, or which combination, is most suitable to your circumstances.

If you are unclear about the taxation implications for yourself, we recommend that you consult your own accountant or financial adviser.

Summary of the Dividend Reinvestment Plan

Flagship Investments Limited's Dividend Reinvestment Plan ('Plan') is a convenient way of increasing your holding in the Company by reinvesting your dividends in additional shares.

HIGHLIGHTS OF THE PLAN

- Fully Paid ordinary shares are eligible to participate in the Plan.
- Participating in the Plan is optional for Eligible Shareholders. Eligible Shareholders may join or leave the Plan at any time.
- On each dividend payment date, the dividend is automatically reinvested in either, or a combination of new or existing shares, in the absolute discretion of the Directors. To the extent available, the Directors will satisfy the Company's obligations under the Plan by causing the acquisition and transfer of shares that are trading on-market at a discount.
- The new shares are issued under the plan at the last declared Net Tangible Assets ('NTA') value per share, or such other price determined by the Directors.
- The new shares are allotted free of brokerage, commission and stamp duty costs. The price of shares transferred under the Plan will include brokerage, commission, stamp duty and any other applicable transaction cost. The Company pays the administrative costs of the Plan.
- Shares allotted under the Plan will be ordinary shares and will rank equally in all respects with existing shares.
- The shares allotted can be sold at any time.
- Eligible Shareholders can elect to participate in respect of all of their shareholding or for only part of their holding. For partial participation, the number of shares nominated will participate in the Plan and the balance of the dividend will be paid in the normal way.
- Lost Shareholders will be compulsorily entered into the Plan until they are no longer Lost Shareholders.
- A Plan statement providing details of participation will be sent to the Shareholder after each dividend payment.
- The Plan may be suspended, modified or terminated by the Directors at any time by giving participants notice in accordance with the Rules of the Plan.

Operation of the Flagship Investments Limited Dividend Reinvestment Plan

The Flagship Investments Limited's Dividend Reinvestment Plan ('Plan') provides Eligible Shareholders with a choice of how to receive dividends paid on their shares.

The general details of the Plan, and the terms and conditions governing how the Plan will operate, are as follows:

Election to Participate

All Shareholders in the Company who are accepted by the Directors from time to time are eligible to participate in the Plan.

Participating in the Plan

Participating in the Plan is entirely at the option of an Eligible Shareholder.

Before deciding on whether to participate in the Plan, Shareholders should consider the Company's latest financial statements and, if necessary, consult their financial adviser.

Lost Shareholders will be entered into the plan compulsorily.

Shareholders' Choices Under the Plan

Eligible Shareholders have the choice of:

- *Full participation* - the dividend on all fully paid shares or contributing shares held by the Shareholder is reinvested; or
- *Partial participation* - the dividend on a specified number of shares (participating shares) is reinvested. The dividend on the remaining (non-participating) shares will be paid as a cash dividend to the Shareholder.

Lost Shareholders will fully participate in the Plan.

How Eligible Shareholders Can Participate in the Plan

The Application Form included with the Rules of the Plan must be completed and lodged with the Company if a Shareholder wishes to participate in the Plan.

Shareholders who do not wish to participate in the Plan are not required to return the Application Form. Cash dividends will automatically be credited to these Shareholders' nominated account.

Withdrawal from the Plan and Varying Participation in the Plan

Shareholders may withdraw from the Plan or vary their level of participation in the Plan at any time by the delivery of a Dividend Reinvestment Plan Form (attached to this booklet) or by advising the Company's Share Registrar in writing. This notice will be effective for the next dividend payment, subject to the notice being received before the next Record Date.

Ranking for Dividend

Shares issued under the Plan will be ordinary shares, will rank equally in every respect with existing issued fully paid permanent shares and will be eligible to participate in all dividends paid after the date of issue.

Allocation and Price of Shares

The number of Shares required to satisfy the Company's obligations under the Plan in respect of a dividend will be calculated, and to the extent available, the Company will cause the acquisition of shares that are trading on-market below the last declared NTA per share during the 20 trading day period starting on the date that is the business day after the record date or such other date as determined by the Directors and notified to Shareholders by announcement to the ASX.

New Shares issued under the Plan will be issued at the last declared NTA per Share or such other price determined by the Directors from time to time in their absolute discretion.

Shares will be issued credited as fully paid. The Company will determine the maximum whole number of shares which can be acquired at the issue price by applying the credit balance amount in a participating Shareholder's Plan account, and where the number of shares ascertained results in a fraction the number shall be rounded up to the nearest whole number.

Cost of Participating in the Plan

There is no cost to Shareholders to participate in the Plan. The Company will meet the administrative costs of the Plan.

Sales of Shares

Shares allotted under the Plan may be sold or transferred at any time.

Shares participating in the Plan which are sold or transferred will be withdrawn from the Plan automatically.

Any subsequent purchaser of shares in the Company is entitled to participate in the Plan by completing and returning an Application Form.

Acquisition of Shares

Any additional shares acquired by Shareholders already participating in the Plan will participate in the Plan as follows:

- ▶ if a Shareholder has elected for 'full' participation, all subsequent acquisitions of shares (including bonus issues and shares issued in relation to shares participating in the Plan) will participate in the Plan; and
- ▶ if a Shareholder has elected for 'partial' participation only the number of shares specified by the participating Shareholder will be participating shares, irrespective of subsequent acquisitions by the Shareholder.

Cash dividends will be paid in respect of all other acquisitions. Another Application Form or advice in writing must be provided to the Company before any other shares acquired by a Shareholder can participate in the Plan.

Taxation Considerations

Under current Australian income tax legislation, it is the Company's understanding that dividends reinvested will be treated in the same manner as if Shareholders had received those dividends in cash, with credits available only in respect of franked amounts (if any). The Plan Statement, which is issued following the payment of each dividend, will show the amount of the dividend, and any credit. Plan Statements should be retained by Shareholders as a record.

If a Shareholder intends to participate in the Plan and has not lodged their Tax File Number (T.F.N.) with the Company, in the event that an unfranked dividend is paid by the Company, Australian income tax will be deducted from the dividend on the Shareholder's participating shares, before the Shareholder's entitlement to new shares is calculated.

The Company cannot take any responsibility for the taxation liabilities of participants and it is suggested that participating Shareholders obtain independent advice concerning their taxation position if they have any queries.

Shareholders Who Have More Than One Shareholding Account

If an Eligible Shareholder's total shareholding in the Company is held in two or more separate shareholding accounts, then it will be necessary for that Shareholder to deliver a separate Plan Application Form or notice of variation or termination for each of the shareholding accounts nominated for participation in the Plan. Each Application Form or notification of variation or termination will need to correctly identify the shareholding account to which the Application Form or notice relates.

 - (b) does not indicate the degree of participation,
the relevant Shareholder shall be deemed to have elected for full participation.
- 6.6 Where the number of Shares registered in the name of a Participant at the Record Date is less than the number of Shares specified by the Participant, all those Shares registered in the name of the Participant will be subject to the Plan.

 - (b) acknowledges that the Company may at any time irrevocably determine that an Application Form submitted by a Shareholder is valid in accordance with the Rules of the Plan, even if the Application Form is incomplete, contains errors or is otherwise defective and authorises the Company (and its officers or agents) to correct any error in, or omission from, its Application Form;

- (a) increasing or decreasing the number of participating Shares; or
- (b) terminating participation in the Plan.

11. ALTERATION OR TERMINATION OF PARTICIPATION WHERE NO NOTICE IS GIVEN

- 11.1 Where a Participant disposes of part of its holding of Shares and does not give notice to the contrary then:
