EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. RESOLUTION 1 – APPROVAL TO ISSUE CONSIDERATION SHARES

1.1 General

As announced on 26 March 2024, the Company entered into an agreement with Kilonova Metals Pty Ltd (ACN 622 328 205) (**Kilonova**) (**Kilonova Acquisition Agreement**) pursuant to which Kilonova has agreed to sell, and the Company has agreed to acquire all rights, title and interest in exploration licence EL6553 (**Tenement**) and all associated mining information (**Kilonova Acquisition**).

The Tenement covers 456km² and is proximal to the Company's Mundowdna South and Lake Surprise Uranium Project licences in South Australia.

In consideration for the Kilonova Acquisition, the Company has agreed to pay/issue Kilonova:

- (a) A\$15,000 non-refundable deposit, which has been paid by the Company;
- (b) 25,000,000 Shares at a deemed issue price of \$0.005 per Share, subject to receipt of Shareholder approval (**Consideration Shares**); and
- (c) 25,000,000 Shares subject to the Company completing a maiden drilling program and returning an intercept of a minimum of 1m, combining to at least 10m at 0.05% U₃O₈ on the Tenement within the current tenure of the Tenement (which can be extended by mutual consent of the parties if access is delayed due to heritage and other regulatory approval) (**Deferred Consideration Shares**).

The Company is now seeking Shareholder approval for the issue of the Consideration Shares to Kilonova.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of the Consideration Shares falls within exception 17 of Listing Rule 7.2. It therefore requires the approval of Shareholders under Listing Rule 7.1.

1.2 Technical information required by Listing Rule 14.1A

If Resolution 1 is passed, the Company will be able to proceed with the issue of the Consideration Shares. In addition, the issue of the Consideration Shares will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 1 is not passed, the Company will not be able to proceed with the issue of the Consideration Shares and may not be able to satisfy its obligations under the Kilonova Acquisition Agreement. The Company will potentially be required to settle the Kilonova acquisition through cash payment.

Resolution 1 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the Consideration Shares.

1.3 Technical information required by Listing Rule 7.1

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 1:

- (a) the Consideration Shares will be issued to Kilonova;
- (b) the maximum number of Consideration Shares to be issued is 25,000,000. The Consideration Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (c) the Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Consideration Shares will occur on the same date;
- (d) the Consideration Shares will be issued at a deemed issue price of \$0.005 per Share, in part consideration for the Kilonova Acquisition;
- (e) the purpose of the issue of the Consideration Shares is to satisfy the Company's obligations under the Kilonova Acquisition Agreement;
- (f) the Consideration Shares are being issued to Kilonova under the Kilonova Acquisition Agreement. A summary of the material terms of the Kilonova Acquisition Agreement is set out in Schedule 1; and
- (g) the Consideration Shares are not being issued under, or to fund, a reverse takeover.

2. BACKGROUND TO RESOLUTIONS 2 AND 3

As announced on 7 May 2024, the Company entered into a binding heads of agreement (the **Coast Acquisition Agreement**) with Coast Exploration Pty Ltd (ACN 650 127 950) (**Coast Exploration**) pursuant to which the Company agreed to acquire, and Coast Exploration agreed to sell its 100% interest in exploration licence EL6890 (**Coast Acquisition**).

In consideration for the Coast Acquisition, the Company has agreed to pay/issue Coast Exploration:

- (a) A\$30,000 non-refundable deposit, which has been paid by the Company;
- (b) 10,000,000 quoted Options at a deemed issue price of \$0.001 per Option within three (3) Business Days of execution of the Coast Acquisition Agreement and which were issued by the Company on 9 May 2024; and
- (c) 10,000,000 Shares at a deemed issue price of \$0.005 per Share, at completion of the Coast Acquisition, and which were issued by the Company on 17 May 2024.

The Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Options and Shares under Resolutions 2 and 3, respectively.

3. RESOLUTION 2 – RATIFICATION OF PRIOR ISSUE OF OPTIONS TO COAST EXPLORATION

3.1 General

As set out in Section 2 above, on 9 May 2024, the Company issued 10,000,000 Options to Coast Exploration's nominee, Weyburn Group Pty Ltd, in part consideration for the Coast Acquisition.

The issue of the Options did not breach Listing Rule 7.1 at the time of the issue.

As summarised in Section 1.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 24 November 2023.

The issue of the Options does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Options.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Options.

Resolution 2 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Options.

3.2 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, the Options will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Options.

If Resolution 2 is not passed, the Options will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Options.

3.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 2:

- (a) the Options were issued to Coast Exploration's nominee, Weyburn Group Pty Ltd;
- (b) 10,000,000 Options were issued and the Options were issued on the terms and conditions set out in Schedule 2;
- (c) the Options were issued on 9 May 2024;
- (d) the Options were issued at a deemed issue price of \$0.001, in part consideration for the Coast Acquisition. The Company has not and will not receive any other consideration for the issue of the Options (other than in respect of funds received on exercise of the Options);
- (e) the purpose of the issue of the Options was to satisfy the Company's obligations under the Coast Acquisition Agreement; and
- (f) the Options were issued to Coast Exploration's nominee, Weyburn Group Pty Ltd, under the Coast Acquisition Agreement. A summary of the material terms of the Coast Acquisition Agreement is set out in Schedule 3.

4. RESOLUTION 3 – RATIFICATION OF PRIOR ISSUE OF SHARES TO COAST EXPLORATION

4.1 General

As set out in Section 2 above, on 17 May 2024, the Company issued 10,000,000 Shares to Coast Exploration's nominee, Weyburn Group Pty Ltd, in part consideration for the Coast Acquisition. The Shares will be subject to voluntary escrow for a period of six (6) months in accordance with a voluntary restriction deed entered into by the parties.

The issue of the Shares did not breach Listing Rule 7.1 at the time of the issue.

As summarised in Section 1.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 24 November 2023.

The issue of the Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Shares.

Resolution 3 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Shares.

4.2 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, the Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Shares.

If Resolution 3 is not passed, the Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Shares.

4.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 3:

- (a) the Shares were issued to Coast Exploration's nominee, Weyburn Group Pty Ltd;
- (b) 10,000,000 Shares were issued and the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (c) the Shares were issued on 17 May 2024;
- (d) the Shares were issued at a deemed issue price of \$0.005 per Share, in part consideration for the Coast Acquisition. The Company has not and will not receive any other consideration for the issue of the Shares;
- (e) the purpose of the issue of the Shares was to satisfy the Company's obligations under the Coast Acquisition Agreement; and
- (f) the Shares were issued to Coast Exploration's nominee, Weyburn Group Pty Ltd under the Coast Acquisition Agreement. A summary of the material terms of the Coast Acquisition Agreement is set out in Schedule 3.

5. RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE OF OPTIONS TO TERRY TOPPING

5.1 General

On 10 May 2024, the Company issued 10,000,000 Options in consideration for consultancy services provided by Terry Topping.

The issue of the Options did not breach Listing Rule 7.1 at the time of the issue.

As summarised in Section 1.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 24 November 2023.

The issue of the Options does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Options.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Options.

Resolution 4 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Options.

5.2 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, the Options will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Options.

If Resolution 4 is not passed, the Options will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Options.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 24 November 2023.
