About TASK Group

TASK Group is a leading provider of technology solutions enabling its global hospitality clients to maximise their customer relationships in an increasingly digital world.

TASK's end-to-end cloud-based platform helps clients to improve customer experiences across every transactional touchpoint, including digital customer-facing services, back-of-house and enterprise operations. The Group's ecosystem combines transaction services, personalisation, offer management and BI technology to help clients generate operational efficiencies, drive valuable data insights about their consumer base, activate new promotions and build brand loyalty.
