Dear Stuart,

Request for Trading Halt

eCargo Holdings Limited (**ECG**) requests an immediate trading halt be granted by ASX Limited in respect of its CHESS Depository Interests (**CDIs**) from the commencement of trade on 2 July 2024.

The trading halt is requested pending an announcement by ECG concerning a proposed application to be removed from the official list of the ASX (**Delisting**).

In accordance with ASX Listing Rule 17.1, ECG provides the following information:

- (a) the trading halt is necessary for ECG to make an announcement to the market in relation to the Delisting;
- (b) the trading halt should remain in place until the commencement of trading on Thursday, 4 July 2024 unless before that time it makes an announcement in relation to the Delisting or requests that the trading halt be lifted;
- (c) ECG is not aware of any reason why the trading halt should not be granted; and
- (d) ECG is not aware of any other information necessary to inform the market about the trading halt.

Yours sincerely
