Dear Yushra,

REQUEST FOR TRADING HALT

Investigator Resources Limited (ASX: **IVR**) (the **Company**) requests an immediate halt to the trading of the Company's ordinary shares (ASX: **IVR**) quoted on the Australian Securities Exchange (**ASX**) in accordance with ASX Listing Rule 17.1.

The trading halt is requested pending exploration drilling results under the Stuart Shelf Joint Venture (**stated purpose**).

In accordance with ASX Listing Rule 17.1, the Company provides the following information in relation to the request:

1. The trading halt is necessary to assist the Company in managing its continuous disclosure obligations as the Company expects to make an announcement to the market in relation to the stated purpose above.
2. The Company requests that the trading halt remains in place until the earlier of commencement of normal trading on 16 July 2024, or when the announcement regarding the stated purpose is released to the market.
3. The Company expects to make the announcement to the market before the commencement of normal trading on 16 July 2024.
4. The Company is not aware of any reason why the trading halt should not be granted or of any further information necessary to inform the market about the trading halt.

Please contact me if you require any further information concerning this matter.

Yours sincerely,

Anita Addorisio
Company Secretary
Investigator Resources Limited
