**Retraction Announcement**

Power Minerals Limited (**ASX: PNN**, "**Power**" or the "**Company**"), refers to its announcement of 16 July 2024 "Power confirms niobium, tantalum and REE at Litio – with JORC" (the **Announcement**). The Company acknowledges that Figure 2 in the Announcement did not clearly indicate that it represented only the planned priority sampling area.

To prevent any potential confusion, the Company is retracting the 16 July 2024 Announcement. The announcement, dated 22 July 2024, titled "Power confirms high-grade niobium, tantalum, and REE at Litio," provides the actual coordinates of the samples collected and analysed.

Approved for release by the Board of Power Minerals.
