

## ASX ANNOUNCEMENT

25 July 2024

### \$2.5m At-the-Market Facility Raise

Lake Resources N.L. (ASX: LKE; OTC: LLKKF) (“Lake” or “the Company”) is pleased to announce that it has utilised its At-the-Market Subscription Agreement (“ATM”) (previously referred to as a Controlled Placement Agreement) with Acuity Capital (see announcements on 31 July 2018, 1 September 2020, 22 September 2020, 27 November 2020, 19 January 2021, 4 June 2021, 5 November 2021, 7 March 2022, 21 April 2022 and 27 January 2023) to raise \$2,500,000 (inclusive of costs) by agreeing to issue 65,000,000 Lake fully paid ordinary shares to Acuity Capital at an issue price of 3.85c per share, subject to shareholder approval.

The 65,000,000 Lake shares will be issued subject to shareholder approval. The issue price of 3.85c represents a discount of 0.9% to the 15 trading day VWAP of 3.88c to 24 July 2024 (inclusive).

The funds will be used to strengthen the Company’s balance sheet as it continues progressing (i) its ongoing strategic priorities for Kachi and (ii) the potential sale of non-core assets and lithium tenements located in Jujuy and Catamarca Provinces as outlined in the Company’s announcement dated 1 July 2024.

**About Lake Resources N.L. (ASX:LKE OTC:LLKKF)**

Lake Resources N.L. (ASX:LKE, OTC: LLKKF) is a responsible lithium developer utilising state of-the-art ion exchange extraction technology for production of sustainable, high purity lithium from its flagship Kachi Project in Catamarca Province within the Lithium Triangle in Argentina. Lake also has three additional early-stage projects in this region.

This ion exchange extraction technology delivers a solution for two rising demands – high purity battery materials to avoid performance issues, and more sustainable, responsibly sourced materials with low carbon footprint and significant ESG benefits.

**Forward Looking Statements:**

Certain statements contained in this announcement, including information as to the future financial performance of the projects and the Company, are forward-looking statements. Such forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by Lake Resources N.L. are inherently

subject to significant technical, business, economic, competitive, political and social uncertainties and contingencies; involve known and unknown risks and uncertainties and other factors that could cause actual events or results to differ materially from estimated or anticipated events or results, expressed or implied, reflected in such forward-looking statements; and may include, among other things, statements regarding targets, estimates and assumptions in respect of production and prices, operating costs and results, capital expenditures, reserves and resources and anticipated flow rates, and are or may be based on assumptions and estimates related to future technical, economic, market, political, social and other conditions and affected by the risk of further changes in government regulations, policies or legislation and that further funding may be required, but unavailable, for the ongoing development of Lake's projects. Lake Resources N.L. disclaims any intent or obligation to update any forward-looking statements, whether as a result of new information, future events or results or otherwise.
