About LPE

LPE is a growing electricity provider to strata communities challenging the way customers receive their electricity; leaders in innovation, supporting communities to think of tomorrow. With first to market technology, LPE has delivered renewable solutions for apartment living and carbon neutral centralised hot water systems, creating shareholder value through long term supply agreements that provide strong recurring revenue.

LPE predominantly service the Queensland energy market, selling electricity, hot water, solar and battery systems to strata communities. Supporting those living in strata communities to reduce their carbon footprint and energy bills with no upfront cost.
