About Bridge

Bridge provides Software-as-a-Service (SaaS) based Customer Relationship Management (CRM) and workflow solutions to the employment & NDIS industries. Bridge commenced operations in 2008 and has built an established, high-quality customer base within the Employment Services segment. The Bridge Software is a single platform that simplifies the unique data, compliance and documentary evidence requirements of major government-funded programs through a unified user interface. Bridge Software allows Providers to effectively manage large client caseloads and geographically distributed workforces, within a secure and compliant cloud-based platform. The Company manages more than 1 million client records and is accredited for multiple Australian Government programs.
