Fund features

- **Objective** – to achieve absolute returns in excess of the benchmark over the investment cycle (typically 3-5 years)
- **Global diversification** – Access to 30+ global companies via a single trade
- **Alignment of interests** – proportion of each team member's remuneration is invested into Antipodes funds. Antipodes also has a significant investment alongside unitholders
- **Simple access** – being exchange traded, investors can buy or sell AGX1 like a regular share during the trading day
- This product is intended for use as a core allocation for a consumer who is seeking capital growth and has a high risk and return profile for that portion of their investment portfolio. It is likely to be consistent with the financial situation and needs of a consumer with a 5-year investment timeframe and who is unlikely to need to withdraw their money on less than one week's notice.
