Chair's message

I am pleased to invite you to join the 2024 Annual General Meeting of the Commonwealth Bank of Australia, an important occasion to come together and discuss progress in your company as we support our customers, invest to protect the community, and provide strength and stability for the broader economy. The AGM will take place on Wednesday, 16 October 2024, at 9:30am (Adelaide time) at the Adelaide Oval.

Dear Shareholder,

This year it will be a pleasure to host our AGM in Adelaide for the first time since 2013.

The Board appreciates the opportunity to hear directly from shareholders at the AGM each year. Once again, you are welcome to attend in person, or to engage with the meeting and ask questions online. I also encourage shareholders to submit written questions before the meeting to help us address the topics that are top of mind to you.

Since our last AGM, Australians have continued to face challenges such as persistent inflation, cost of living pressures that are unevenly felt across the population, geopolitical uncertainty, and fraud and scams. CBA's purpose – building a brighter future for all – is more important than ever. It guides us in how to best serve our customers, support our communities, strengthen the economy and provide sustainable returns to our shareholders.

Strategic priorities

We continue to make progress on our strategy to build tomorrow's bank today for our customers.

Our strategy is centred on building long-lasting relationships with our customers to become their trusted financial partner and help them achieve their life goals – to buy a house, save for the future, or start or grow

a business. During the last financial year, we helped more than 120,000 households buy a home and lent \$39 billion to businesses to help them grow. Each month, 3 million customers used our money management tools in the CommBank app – including Money Plan, Bill Sense, Cash Flow View and Spend Tracker – to better understand and manage their finances.

These reimagined products and services stem from our multi-decade investment in best digital experiences and technology, which aim to make banking experiences seamless.

Helping customers stay safe is among our highest priorities, and we invested more than \$800 million to protect customers from fraud, scams, and cyber and financial crime. Our market-leading technologies include NameCheck, which indicates whether the account details look right when making a first-time payment, and has prevented \$410 million in mistaken payments and scams. Importantly, we are making this and other anti-scam technology and intelligence available to other organisations.

I am pleased our customers' scam losses halved during the financial year compared to the previous period following these measures. However, there is always more to do, and banks, telcos and social media companies need to continue to work together to stop scammers.

Financial results

CBA's cash net profit after tax was \$9.8 billion, down 2% on the previous year. We announced a fully franked dividend of \$4.65 per share, 15 cents higher than the 2023 dividend.

We returned \$8 billion to shareholders in dividends and share buy-backs, benefitting the more than 13 million Australians who own Commonwealth Bank shares directly or in their super funds.

Our balance sheet strength allows us to continue lending, supporting and investing for our customers, and all Australians. We are committed to keeping CBA strong, safe and resilient so we can support our customers, communities and the economy through the cycle.

Commitment to sustainability

The Board, together with management, continues to make progress on our strategy and commitment to support Australia's transition to a net zero economy. We remain committed to managing the risks and opportunities of climate change, and playing our part to support an inclusive transition.

On 14 August we published our third annual Climate Report, which provided a further update on our progress against our climate strategy and transition roadmap, including the ways we

are supporting our customers with products, services and engagement.

This year's report highlighted the need for a coordinated, reliable and affordable transition that maintains energy security, with the decarbonisation of Australia's electricity grid remaining the priority step needed for Australia's progress toward net zero.

Governance, culture and accountability

The Board and management are committed to high standards of governance, and to a culture that is focused on doing right by our customers and communities. I'm pleased that the most recent assessment of our organisational culture shows our people continue to place the customer at the centre of everything we do to deliver positive customer outcomes.

Building a highly capable workforce with the right skills at all levels to deliver our strategic ambitions remains a priority, while working to meet our diversity and inclusion goals.

Our highly regarded Executive Leadership Team (ELT) delivered good performance through consistent strategic and operational execution. Our executive remuneration framework is designed to align with long-term shareholder interests and regulatory requirements, and to hold members of the ELT accountable for their actions.

We use a range of information sources, such as risk scorecards, conduct reviews and financial performance evaluations, to review and adjust the remuneration outcomes for our executives.

Board movements

Current Non-Executive Directors, Ms Julie Galbo and Mr Peter Harmer, will stand for re-election with the support of the Board.

We acknowledge and thank Anne Templeman-Jones who will retire from the Board at the conclusion of this year's AGM. Anne joined the Board in March 2018 and during her tenure, has been the Chair of the Board Audit Committee and a member of the Board Risk & Compliance Committee. Her banking and financial services, operational risk, strategy and audit experience have been invaluable to CBA, and I thank Anne for her contribution.

In light of Anne's departure, Peter Harmer will commence as the Chair of the Board Audit Committee at the conclusion of the AGM.

Effective 1 October 2024, Kate Howitt will join the Board as an independent non-executive director, subject to regulatory requirements. Kate has a deep understanding of strategy, capital allocation, stakeholder management and sustainability. During her executive career, Kate held senior roles with Fidelity International, AMP Capital,

AMP Limited and the Boston Consulting Group. She is currently a Member of the Finance & Strategy Committee and Investments Subcommittee of the University of New South Wales, the Investment Committee of the Australian Indigenous Education Foundation and the Investment Committee of River Capital. She is also a Director of The Hunger Project Australia.

The Board remains focused on ongoing renewal and succession.

If you are unable to attend the AGM in person, I invite you to watch the live webcast online at www.commbank.com.au/agm.

Yours sincerely,

Paul O'Malley

Asking questions

Pre-submitting questions

Shareholders are encouraged to submit written questions online in advance of the AGM via the Shareholder Questions Form, which is available at vote.linkmarketservices.com/cba. Questions submitted in advance must be received by the Share Registry by **5:00pm** (Adelaide time) on **Wednesday, 9 October 2024**. Please note that individual responses will not be sent to shareholders. As many themes as possible raised in pre-submitted shareholder questions will be addressed during the Meeting, including during the Chair and CEO addresses.

Moderation of questions

Protocols for asking questions will be explained at the start of the Meeting, so that as many shareholders as possible have the opportunity to participate and that a broad range of topics are addressed.

It is not uncommon for a number of shareholders to ask the same or very similar questions. Given the large number of shareholders and questions expected to be received, time may not allow for all questions to be answered. To facilitate the orderly conduct of the Meeting, shareholders are requested to limit themselves to two questions or comments for each Item of business.

Any questions or comments in the nature of customer queries (e.g. involving individual banking matters) will be referred to Group Customer Relations or the Group Customer Advocate.

Questions or comments that include defamatory or offensive language or concepts will not be answered.

Asking questions in person

Shareholders will have a reasonable opportunity at the Meeting to ask questions and make comments, including an opportunity to ask questions of the Company's external auditor, PricewaterhouseCoopers (see page 12 for further information on auditor questions).

Shareholders will not be able to ask questions by phone into the Meeting.

Asking questions online during the Meeting

Shareholders watching the live webcast of the Meeting may submit written questions via the online platform accessible from commbank.com.au/agm.

To ask a question on the online platform, shareholders will need to have their SRN/HIN in advance of the Meeting. If you are unable to locate your SRN/HIN, please contact the Share Registry on +61 1800 022 440 or at cba@linkmarketservices.com.au well in advance of the Meeting. For security reasons, your SRN/HIN can only be sent by post to your registered address. Your SRN/HIN cannot be provided by email or phone. Shareholders who need a copy of their SRN/HIN are strongly encouraged to contact the Share Registry as soon as possible, to avoid any mailing delivery delays.

- Once you have logged in to watch the webcast, click the button 'Ask a question'.
- If you are a shareholder you will need to enter your SRN/HIN, then enter your Australian postcode or select 'Outside Australia' and enter your country code.
- If you are an appointed Proxy, you will need to enter the Proxy Number issued to you by the Share Registry in the 'Proxy Details' section.
- Select the Item of business that your question relates to and type your question in the space provided.
- Once you have typed your question, click the 'Submit question' button. Please note that questions are limited to 532 characters.
- Each question must be submitted separately.

All Resolutions will be by a Poll

In accordance with the *Corporations Act 2001* (Cth) (**Corporations Act**), good governance and CBA's usual practice, voting on each resolution set out in this Notice of Meeting will be conducted by a poll.

Direct Voting – prior to the AGM

If you wish to vote your shares directly prior to the AGM, please go to vote.linkmarketservices.com/cba or return a personalised hardcopy Voting/Proxy Form (which is available from the Share Registry on +61 1800 022 440 or at cba@linkmarketservices.com.au) by **9.30am** (Adelaide time) on **Monday, 14 October 2024**. You should mark "For", "Against" or "Abstain" for each Item. Details of how to lodge your direct vote prior to the Meeting can be found on page 11 in this Notice of Meeting, in the section entitled "Sending us your Direct Vote or Proxy Appointment".

If you vote on at least one Item, but leave other Item(s) blank, the vote on the Item(s) marked will be valid, but no vote will be recorded for the Item(s) left blank.

If you leave the voting boxes blank for all Items, the Chair of the Meeting will be deemed to be your appointed proxy for all Items. The voting intentions of the Chair of the Meeting are set out on page 11 in this Notice of Meeting, in the section entitled "Voting Intentions of the Chair of the Meeting".

Proxy Appointment

If you are a shareholder and unable to attend the AGM you are entitled to appoint a proxy to attend the AGM and to vote on your behalf (as an alternative to submitting a direct vote prior to the Meeting). A proxy need not be a shareholder and may be an individual or a body corporate. If you are a shareholder entitled to cast two or more votes, you may appoint up to two proxies to attend the AGM and vote on a poll, and may specify the proportion of voting rights or the number of votes each proxy is appointed to exercise. If you appoint two proxies and the appointment does not specify the proportion or number of votes each proxy may exercise, each proxy may exercise half of your votes.

If your proxy is not a CBA shareholder or is a CBA shareholder but does not have an email address recorded on the CBA share register, please provide their email and

telephone number to cba@linkmarketservices.com.au. Subject to applicable voting exclusions, if no voting directions are given, the proxy may vote as they see fit for each undirected resolution.

If a shareholder appoints a member of the Company's KMP (which includes each Director) or one of their closely related parties as a proxy, the person is not permitted to cast the shareholder's votes on Item 3 or 4, unless the shareholder directs the person how to vote or the Chair of the Meeting is the shareholder's proxy.

Voting by attorney or body corporate representative

A body corporate that is a shareholder or appointed proxy must appoint an individual as its corporate representative if it wishes to attend and vote at the Meeting. If you are a corporate representative, you will need to provide evidence of your appointment as a corporate representative to the Share Registry in advance of the AGM unless you have previously provided such evidence.

If you appoint an attorney to attend and vote at the Meeting on your behalf, the power of attorney (or a certified copy) must be given to the Share Registry in advance of the AGM unless it has previously been provided.

Sending us your Direct Vote or Proxy Appointment

Your direct vote or proxy appointment must be received by the Share Registry by 9.30am (Adelaide time) on Monday, 14 October 2024 (**Proxy Close**). You may lodge your direct vote or proxy appointment:

- electronically, by visiting the Share Registry website, vote.linkmarketservices.com/cba and following the prompts and instructions. You will need your SRN or HIN. If you are unable to locate your SRN/HIN, please contact the Share Registry well in advance of Proxy Close; or
- by returning a Voting/Proxy Form by post to Link Market Services, Locked Bag A14, Sydney South New South Wales 1235; or
- by returning a Voting/Proxy Form by facsimile to (02) 9287 0309 in Australia, or +61 2 9287 0309 if you are overseas; or

cba@linkmarketservices.com.au, or by post or facsimile to the address or number provided above, and it must be received prior to Proxy Close.

Express authorisation of Chair of the Meeting

If a shareholder appoints the Chair of the Meeting as their proxy, or the Chair of the Meeting is appointed as the shareholder's proxy by default, and the shareholder does not mark a voting box for Items 3 or 4, then by submitting the proxy appointment the shareholder expressly authorises the Chair of the Meeting to exercise the proxy in respect of the relevant Item as they decide, even though the Item is connected with the remuneration of one or more of the Company's KMP.

Please note that if you do not name a proxy in the Voting/Proxy Form or your named proxy does not attend the AGM, the Chair of the Meeting will become your proxy by default. If your named proxy attends the AGM but does not vote on a poll in accordance with your instructions on an Item, the Chair of the Meeting will become your proxy for that Item. In this case, the Chair of the Meeting must vote your proxies in accordance with your instructions on the Item.

Voting Intentions of the Chair of the Meeting

The Chair of the Meeting intends to vote all available proxies in favour of Items 2(a), 2(b), 2(c), 3 and 4.

By order of the Board

Vicki Clarkson

Group Company Secretary

12 September 2024

Explanatory memorandum

Items 2(a), 2(b), 2(c), 3 and 4 are ordinary resolutions and Item 3 is advisory only. Ordinary resolutions require a simple majority (50%) of votes cast by shareholders entitled to vote on the resolution to be passed. The Board recommends that shareholders vote IN FAVOUR of these resolutions.

This Explanatory Memorandum, which forms part of the Notice of Meeting, is an important document and should be read carefully by all shareholders.

Item 1

Consideration of Financial Statements and Reports

The Financial Report, the Directors' Report and the Auditor's Report of the Company for the financial year ended 30 June 2024 (collectively **the Reports**) will be put before the AGM. The Reports are contained in the Company's Annual Report for the financial year ended 30 June 2024 (**2024 Annual Report**) which is available on our website.

This Item does not require a resolution to be put to the Meeting. Shareholders will be given a reasonable opportunity to ask questions about, or make comments on, the Reports and management of the Company.

Shareholders may submit written questions in advance of the AGM to PricewaterhouseCoopers, the Company's external auditor, about the content of the Auditor's Report and the conduct of the audit via the Shareholder Questions Form available at vote.linkmarketservices.com/cba. Questions to the auditor must be received by the Share Registry by 5:00pm (Adelaide time) on Wednesday, 9 October 2024. The auditor is not obliged to provide written answers. PricewaterhouseCoopers will attend the AGM and the Chair of the Meeting will provide a reasonable opportunity for shareholders to ask PricewaterhouseCoopers questions relevant to:

- the conduct of the audit;
- the preparation and content of the Auditor's Report;
- the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- the independence of the auditor in relation to the conduct of the audit.

Item 2

Re-election and election of Directors

Item 2 relates to the re-election of Directors of the Company. Under Items 2(a) and 2(b), Ms Julie Galbo and Mr Peter Harmer respectively, retire and offer themselves for re-election. Ms Kate Howitt was appointed since the last AGM and offers herself for election under Item 2(c).

The Board:

- has in place Director appointment and independence criteria, and a Board Skills Matrix, so that the Board has the skills considered necessary to address existing and emerging business and governance matters that may be relevant to the Company, and the experience to discharge its responsibilities;
- assesses the skills and experience of any prospective Non-Executive Director against those criteria as part of the Board renewal process; and
- before appointing a new Director, undertakes comprehensive checks into a candidate's background, experience and suitability for the role.

In addition, the Board undertakes an annual review of its performance. This review includes an assessment of each Director's individual performance.

The Board considers that Ms Julie Galbo, Mr Peter Harmer and Ms Kate Howitt are independent Non-Executive Directors.

Item 3

Adoption of the 2024 Remuneration Report

Section 250R of the Corporations Act requires a listed company to put a resolution to shareholders to adopt its Remuneration Report for the relevant financial year.

The Company's Remuneration Report for the financial year ended 30 June 2024 can be found at pages 104 to 132 of the 2024 Annual Report. It sets out information about the:

- Company's remuneration policy and executive remuneration framework, including how these continue to support the Group's strategic priorities and meet regulatory standards, further strengthening our governance, remuneration and accountability practices;
- relationship between the remuneration framework and Company performance;
- governance framework for remuneration arrangements; and
- performance and remuneration details for the Company's KMP.

The vote on this Item is advisory only and does not bind the Directors or the Company. Nevertheless, the Board will take into account the outcome of the vote when considering the Company's future remuneration arrangements.

The Board recommends that shareholders vote in favour of this Item.

Item 4

Grant of Securities to the CEO, Matt Comyn

Under the Company's EEP the Company is proposing to grant to Matt Comyn, 15,682 restricted share units as his 2025 financial year LTAR award, and 15,682 performance rights as his 2025 financial year LTVR award.

The number of restricted share units and performance rights to be granted to Matt Comyn has been determined by dividing the maximum value of the LTAR opportunity and the LTVR opportunity (\$1,995,000 and \$1,995,000 respectively) by the volume weighted average closing price (VWACP) of the Company's ordinary shares traded on the Australian Securities Exchange over the five trading days up to but not including 1 July 2024 (being \$127.21 per share) and rounding down to the nearest whole number.

The number of restricted share units and performance rights that ultimately vest will be determined according to the terms and conditions of the respective awards, including in the case of LTAR, a pre-vest assessment (set out below) and in the case of LTVR, the satisfaction of performance measures.

Subject to shareholder approval, these LTAR and LTVR awards will be granted following the 2024 AGM and, in any event, no later than 12 months after the date of the 2024 AGM, on the terms summarised below.

Matt Comyn's 2025 financial year Fixed Remuneration is \$2,850,000, maximum short-term variable remuneration (STVR) is \$2,671,875, maximum LTAR opportunity is \$1,995,000, and maximum LTVR opportunity is \$1,995,000. Fixed Remuneration includes base salary and mandatory employer superannuation contributions.

The Fixed Remuneration component for Matt Comyn has not been increased since 2021. Following a review of remuneration arrangements, the Board determined to increase Matt Comyn's Fixed Remuneration by 14% effective 1 July 2024. The increase positions the CEO's remuneration appropriately against the relevant market, commensurate with the Company's size and complexity, and is reflective of his experience, capability and performance.

Explanatory memorandum

ASX Listing Rule 10.14

ASX Listing Rule 10.14 requires a listed company to obtain shareholder approval before issuing equity securities (including shares and rights to shares) to a director under an employee incentive scheme. Shareholder approval under ASX Listing Rule 10.14 is not required where the shares to be allocated in satisfaction of the rights are required by the terms of the scheme to be purchased on-market. It also does not apply to the subsequent purchase of those securities on-market.

If new shares are issued in order to satisfy the LTAR and LTVR awards (if they vest), that issue falls within ASX Listing Rule 10.14 because Matt Comyn is a director of the Company. While it is currently intended that shares allocated on vesting of the awards will be acquired on-market rather than by issuing new shares, shareholder approval is being sought for the awards to preserve flexibility in the event that the Board considers it necessary or appropriate to issue shares rather than acquire them on-market.

If Item 4 is passed, the Company will proceed with the 2025 financial year grant of 15,682 LTAR restricted share units and 15,682 LTVR performance rights to Matt Comyn.

If Item 4 is not passed, the Board may proceed with the LTAR and LTVR grant by requiring in the award terms that the awards will be satisfied by shares acquired on-market, or may consider alternative long-term deferred remuneration arrangements such as deferred cash to ensure remuneration arrangements are compliant with regulatory requirements. If deferred cash awards are granted, this may diminish the alignment of the CEO's interests with those of the rest of our senior leadership team and shareholders.

Participants in the LTAR and LTVR awards for the financial year ending 30 June 2025 comprise Matt Comyn, the Company's Group Executives and the CEO ASB. Matt Comyn is the only CBA Director who is entitled to participate in the LTAR and LTVR awards.

Grant of restricted share units and performance rights

The restricted share units and performance rights are rights to receive shares (or, in respect to the restricted share units only, an equivalent cash payment), subject to set vesting conditions as described below. Matt Comyn will generally receive one share for each restricted share unit or performance right that vests.

No amount is payable by Matt Comyn on issue or vesting of the restricted share units and performance rights. No loan is provided under the terms of grant. Restricted share units and performance rights are used for the LTAR and LTVR awards because they create share price alignment between Matt Comyn and shareholders but do not provide him with the full benefits of share ownership (such as voting rights and dividends) unless and until the restricted share units and performance rights vest and shares are allocated.

Further details of Matt Comyn's LTAR and LTVR awards are set out below.

LTAR – Restricted Share Units

LTAR restricted share units will be granted in two tranches, with 50% of the restricted share units restricted for four years to 30 June 2028, and 50% restricted for five years to 30 June 2029 (Restriction Periods). The restricted share units are subject to a pre-grant assessment and malus considerations by the Board. In addition, a pre-vest assessment will be applied to each tranche at the end of each Restriction Period prior to the award vesting. The Board will conduct the pre-vest assessment on or around the end of the applicable LTAR Restriction Period, to determine whether any downward discretionary adjustment to LTAR vesting (that is, lapsing of restricted share units) is required. In making the assessment, the Board will have regard to any significant unexpected or unintended systemic failure in leadership or strategy with material adverse impact on the Group, the CEO's actions and/or response to any matters identified and the extent to which any matters have been adequately reflected in prior or current performance and remuneration outcomes.

LTVR – Performance Rights

The LTVR performance rights are subject to satisfaction of the two performance measures set out below over the four year period from 1 July 2024 to 30 June 2028 (Performance Period).

1. **Total Shareholder Return relative to a general ASX peer group:** 50% of the performance rights (7,841), will be subject to a performance measure that ranks the Company's Total Shareholder Return (TSR) relative to the TSR of a peer group comprising the 20 largest companies by market capitalisation listed on the ASX on 1 July 2024, excluding resources companies and CBA (with the next five largest companies by market capitalisation forming a reserve bench for the peer group).

The 2025 financial year LTVR general ASX peer group comprises (in alphabetical order): ANZ Group Holdings Limited, Aristocrat Leisure Limited, Brambles Limited, Cochlear Limited, Coles Group Limited, CSL Limited, Goodman Group, James Hardie Industries PLC, Macquarie Group Limited, National Australia Bank Limited, QBE Insurance Group Limited, REA Group Ltd, Suncorp Group Limited, Telstra Group Limited, Transurban Group, Wesfarmers Limited, Westpac Banking Corporation, WiseTech Global Limited, Woolworths Group Limited and Xero Limited. Where a peer group company ceases to be listed on the ASX as a result of an acquisition, merger or other relevant corporate action or delisting, the next company on the reserve bench will be substituted (in order of market capitalisation as at the beginning of the Performance Period) into the peer group. The reserve bench for the 2025 financial year LTVR general ASX peer group comprises, in descending order of market capitalisation as at 1 July 2024: Origin Energy Limited, ResMed Inc, Insurance Australia Group Limited, Reece Limited and Fisher & Paykel Healthcare Corporation Limited.

2. **Total Shareholder Return relative to a financial services peer group:** 50% of the performance rights (7,841) will be subject to a performance measure that ranks the Company's TSR relative to the TSR of a peer group comprising eight financial services companies as determined by the Board (with no reserve bench).

The 2025 financial year LTVR financial services TSR peer group comprises (in alphabetical order): AMP Limited, ANZ Group Holdings Limited, Bank of Queensland Limited, Bendigo and Adelaide Bank Limited, Macquarie Group Limited, National Australia Bank Limited, Suncorp Group Limited and Westpac Banking Corporation.

The companies comprising either peer group or reserve bench companies are subject to change at the Board's discretion.

Following the end of the Performance Period (after 30 June 2028), performance will be tested

against the measures set out above. The number of performance rights that vest will be calculated based on the following vesting schedule for each performance measure separately:

Company's relative TSR ranking compared to applicable peer group	Percentage of performance rights in relevant performance measure that vest
In the top quartile (i.e. 75 th percentile or higher)	100%
Between the median and 75 th percentile	Pro-rata from 50% to 100%
At the median	50%
Below the median	0%

The Board may adjust the above schedule in its discretion, for example to address a significant unexpected or unintended consequence or outcome.

The vested performance rights will be automatically exercised to shares subject to a further holding period of two years (to 30 June 2030) (**Holding Period**) and will continue to be subject to dealing restrictions during this period. Any performance rights that do not vest following the performance assessment will lapse.

Performance rights and any shares subject to the Holding Period are subject to malus considerations by the Board and will be eligible to be released at the end of the Holding Period.

Board discretion

The EEP provides the Board with discretion to adjust the terms of the EEP or any awards granted under it. If the Company makes a bonus issue, or rights issue, or undertakes a corporate action, or capital reconstruction, the Board (at its discretion) may make adjustments to the restricted share units and performance rights granted to Matt Comyn to address any material advantage or disadvantage that may occur, subject to any ASX Listing Rule requirements. Any such adjustments will be explained in the Company's Annual Report. The Board also has discretion in connection with change of control events.

In addition, the LTAR and LTVR awards will be subject to malus considerations by the Board, and in relation to serious and material matters may be subject to a reduction adjustment (including to nil) prior to vesting, or clawback post vesting, so that the outcomes appropriately consider risk, accountabilities and reputation outcomes.

Explanatory memorandum

The Board has discretion to determine that some or all of the award will lapse in certain circumstances, including where, in the opinion of the Board:

- the vesting of restricted shares, restricted share units and/or performance rights is not justified or supportable having regard to Matt Comyn's performance and/or conduct or the performance of the Company as a whole; or
- there has been a significant failure of financial or non-financial risk management, breach of accountability, fitness and propriety or compliance obligations; or
- the vesting of restricted shares, restricted share units and/or performance rights will impact on the financial soundness of the Company; or
- the Company is required or entitled to reclaim remuneration or reduce Matt Comyn's remuneration outcome under law, regulation or Company policy; or
- a significant unexpected or unintended consequence or outcome has occurred which impacts the Company.

The Board also has discretion to require the recovery (i.e. clawback) of vested LTAR or LTVR awards for serious and material matters as determined by the Board, including in relation to responsibility for financial losses, material misstatement of financial statements, or other criteria on which the LTAR and LTVR grant or vesting was based; material breach of compliance obligations including in relation to misconduct; or failure of accountability or fitness and propriety.

The Board may also delay vesting of awards or postpone the allocation of shares (or payment of any equivalent cash amount) to allow time for it to determine the appropriate outcome (for example, where there is an investigation).

Voting rights and dividends

Restricted share units and performance rights do not carry any voting rights. Performance rights do not receive dividends (or dividend equivalent payments) in relation to the Performance Period.

For every restricted share unit that ultimately vests following the end of the respective Restriction Period, Matt Comyn will receive a cash payment equal to dividends paid by CBA (not including the value of franking credits) over the relevant Restriction Period in relation to the vested units.

Any shares allocated to Matt Comyn on vesting of the restricted share units and performance rights will carry the same rights (including with respect to voting and dividends) as other ordinary shares in the Company.

Treatment of restricted share units, performance rights and shares if Matt Comyn leaves the Company

In general, if Matt Comyn ceases employment with the Company as a result of his resignation or in the case of

termination of employment for cause during a Restriction Period or the Performance Period (as applicable), any unvested restricted share units and performance rights will lapse, unless the Board determines otherwise. If Matt Comyn ceases employment for any other reason during a Restriction Period or the Performance Period, the awards remain on foot unless the Board determines otherwise. If cessation occurs during the Holding Period (for all reasons except termination of employment for cause), shares that are subject to the Holding Period will remain on foot with Holding Period release dates unchanged unless the Board determines otherwise. In the case of termination of employment for cause during the Holding Period, the shares subject to the dealing restriction will be forfeited unless the Board determines otherwise. For any awards which remain on foot after cessation of employment, the vesting conditions will be assessed following the end of a Restriction Period or the Performance Period (as applicable), with these dates remaining unchanged.

Participation under previous approvals

At the Company's 2023 Annual General Meeting, shareholders approved the grant of restricted share units and performance rights under the EEP to Matt Comyn. Matt Comyn was subsequently granted 17,642 restricted share units, which are subject to the terms of the FY24 LTAR award, and 17,642 performance rights, which are subject to the terms of the FY24 LTVR award. No amount is or was payable for the acquisition of those restricted share units and performance rights. No other restricted share units or performance rights have been granted to a Director under the EEP or any other employee incentive scheme, since the 2023 Annual General Meeting. Since 2018 (when the EEP was introduced), a total of 77,654 restricted share units and 179,975 performance rights have been granted to Matt Comyn under the EEP, and no amount is or was payable.

Disclosure in Annual Report and future issues

Details of any securities issued to Matt Comyn under the EEP will be published in the Company's Annual Report relating to the period in which they are issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.

Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the EEP after Item 4 is approved, and who were not named in this Notice of Meeting, will not participate until approval is obtained under that ASX Listing Rule.

The Board (with Matt Comyn abstaining) recommends that shareholders vote in favour of this Item.

HOW TO COMPLETE THIS VOTING/PROXY FORM

YOUR NAME AND ADDRESS

This is your name and address as it appears on the Company's share register. If this information is incorrect, please make the correction on this form. Shareholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your shares using this form.**

METHOD A – VOTE DIRECTLY

If you mark the box in **METHOD A**, you are indicating that you wish to vote directly. Please mark either **"For"**, **"Against"** or **"Abstain"** for an Item for your vote to be counted on that Item. If you vote on at least one Item but leave other Item(s) blank, the vote on the Item(s) marked will be valid but no vote will be counted or treated as being cast for the Item(s) left blank. If you mark more than one box on an Item, your vote on the Item will be invalid. If no voting instructions are given on all of the Items then the Chair of the Meeting will be deemed to be your appointed proxy.

If you mark the boxes in both **METHOD A** and **METHOD B** then **METHOD B** is deemed to be the chosen method. The person named will be your proxy, or if no person is named, the Chair of the Meeting will be your appointed proxy.

If you have lodged a direct vote, and then attend and vote at the Annual General Meeting, your direct vote will be cancelled. Attending the Annual General Meeting (for example to ask a question) will not invalidate your direct vote. If you plan to lodge a direct vote and also plan to attend the Meeting, please phone the Company's share registry on the number above.

The Chair of the Meeting's decision as to the validity of a direct vote is final and conclusive.

METHOD B – APPOINT A PROXY

If you wish to appoint the Chair of the Meeting as your proxy, mark the box in **METHOD B**. If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that person or body corporate in the box provided. If you leave this section blank, or your named proxy does not attend the Annual General Meeting, the Chair of the Meeting will be your proxy. If your named proxy attends the Annual General Meeting but does not vote on a poll on an Item in accordance with your directions, the Chair of the Meeting will become your proxy in respect of that Item. If the Chair of the Meeting becomes your proxy, where you have directed your proxy how to vote, the Chair of the Meeting must vote your proxies in accordance with your instructions on that Item. Otherwise, the Chair of the Meeting will vote in accordance with the voting intentions of the Chair of the Meeting which are set out on the next page. A proxy need not be a shareholder of the Company. A proxy may be an individual or a body corporate.

VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You should direct your proxy how to vote by placing a mark in one of the boxes opposite each Item of Business. All your shares will be voted in accordance with such a direction, unless you indicate only a portion of voting rights are to be voted

on any Item by inserting the percentage or number of shares you wish to vote next to the relevant Item of Business.

If you do not mark any of the boxes on the Items of Business, your proxy may vote, or abstain from voting, as he or she chooses, subject to any applicable voting restrictions. If you mark more than one box on an Item, your vote on that Item will be invalid.

APPOINTMENT OF A SECOND PROXY

If you are a shareholder entitled to cast two or more votes, you are entitled to appoint up to two persons as proxies to attend the Annual General Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Voting/Proxy Form may be obtained by phoning the Company's share registry on the number above or you may copy this form.

To appoint a second proxy you must:

(a) on each of the first Voting/Proxy Form and the second Voting/Proxy Form, state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and

(b) return both forms together.

Please use this form to submit any questions about the Commonwealth Bank of Australia (CBA) that you would like us to consider ahead of CBA's 2024 Annual General Meeting (the **AGM or Meeting**). Shareholders are encouraged to pre-submit their questions in advance of the AGM to provide a greater opportunity for CBA to address the common questions and themes (including during the Chair's and CEO's addresses). Your questions should relate to matters that are relevant to the business of the AGM, as outlined in the Notice of Meeting. If your question is for CBA's auditor it should be relevant to the content of the Auditor's Report, or the conduct of the audit of the Financial Report.

This form must be received by CBA's share registry, Link Market Services Limited by **5:00pm (Adelaide time) on Wednesday, 9 October 2024**.

The Chair of the Meeting will aim to address questions from a broad range of topics and, where appropriate, will give a representative of CBA's auditor the opportunity to answer written questions validly submitted to the auditor. However, there may not be sufficient time available at the AGM to address all topics raised. Please note that individual responses will not be sent to shareholders.

Any questions or comments in the nature of customer queries (e.g. involving individual banking matters) will be referred to Group Customer Relations or the Group Customer Advocate. Questions or comments containing defamatory or offensive language or concepts will not be answered.
