

Radiopharm to present at JonesResearch Radiopharma Day

Sydney, Australia – 2 October 2024 – Radiopharm Theranostics (ASX:RAD, “Radiopharm” or the “Company”), a clinical-stage biopharmaceutical company focused on developing innovative oncology radiopharmaceuticals for areas of high unmet medical need, is pleased to announce that the Company has been invited to present at the JonesResearch Virtual Radiopharma Day.

The event is being held from 9:30am-3:30pm US ET on Tuesday 29 October 2024.

It will feature fireside chats and panel discussions with public and private companies in the sector, as well as accommodating 1-on-1 meetings with investors. US and other international institutional and professional investors are expected to attend the event.

The panel discussion will cover topics including potential advantages of novel targeting modalities, isotope supply and logistics, and novel molecular targets.

About Radiopharm Theranostics

Radiopharm Theranostics is a clinical stage radiotherapeutics company developing a world-class platform of innovative radiopharmaceutical products for diagnostic and therapeutic applications in areas of high unmet medical need. Radiopharm has been listed on ASX (RAD) since November 2021. The company has a pipeline of distinct and highly differentiated platform technologies spanning peptides, small molecules and monoclonal antibodies for use in cancer, in pre-clinical and clinical stages of development from some of the world’s leading universities and institutes. The pipeline has been built based on the potential to be first-to-market or best-in-class. Learn more at [Radiopharmtheranostics.com](https://radiopharmtheranostics.com).

Authorized on behalf of the Radiopharm Theranostics Board of Directors by Executive Chairman Paul Hopper.
