Infratil releases 2024 Sustainability Report

Infratil Limited ('Infratil') (NZX/ASX: IFT) is pleased to announce the release of its FY2024 Sustainability Report.

Building on Infratil's inaugural report in 2023, this year's Sustainability Report continues the focus on the four pillars of our sustainability strategy: Governance, Leadership, Climate & Nature, and People.

The report provides insights and data on the ESG issues that matter for Infratil and includes illustrative case studies drawn from our portfolio.

A copy of the report is available here: <https://infratil.com/for-investors/reports-results-meetings-investor-days/sustainability-reports/sustainability-report-2024/>

For additional information on Infratil's sustainability and responsible investment approach, please see our website at <https://infratil.com/responsible-investment/>
