Proxies

A shareholder entitled to attend and vote at the Meeting is entitled to appoint a proxy. If a shareholder is entitled to cast two or more votes, the shareholder may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If no proportion or number is specified, each proxy may exercise half of the shareholder's votes.

An instrument appointing a proxy must be signed by the shareholder appointing the proxy or by the shareholder's attorney duly authorised in writing or, if the shareholder is a corporation, in accordance with the Corporations Act and the shareholder's constitution. A proxy need not be a shareholder of the Company and may be an individual or body corporate. A proxy has the same rights as a shareholder to speak at the Meeting, to vote (but only to the extent allowed by the appointment) and to join in a demand for a poll.

A proxy form which is signed under power of attorney or other authority must be accompanied by that power of attorney or authority or a copy of that power of attorney or authority certified as a true copy by statutory declaration, unless it has previously been provided to and been accepted by the share registry. Shareholders who have appointed a proxy may still attend the Meeting. However, the proxy's rights to speak and vote are suspended while the shareholder is present.

The Company encourages all shareholders who submit proxies to direct their proxy whether to vote for or against or to abstain from voting on each resolution.

The Chairman of the Meeting intends to vote all available undirected proxies in favour of all of the resolutions.

An instrument appointing a proxy must be lodged as follows by no later than 11.00am (AEDT) on Wednesday, 20 November 2024 in order to be effective:

Corporate representatives

A body corporate which is a shareholder or which has been appointed as a proxy may appoint an individual to act as its representative at the Meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. The representative should bring to the Meeting evidence of his or her appointment, including any authority under which it is signed, unless it has previously been provided to and been accepted by the share registry.

If such evidence is not received prior to the commencement of the Meeting, then the individual will not be permitted to act as the shareholder's representative or representative of the shareholder's proxy.

Voting

Voting on resolutions set out in this Notice of Meeting will be conducted by poll.

Upon a poll, every shareholder who is present in person or by proxy, representative or attorney will have one vote for each share held by that shareholder.

EXPLANATORY STATEMENT

10.14 for the grant of a total of 12,000,000 Options (**Incentive Options**) comprising 6,000,000 each to Mr Ross Anderson (Chief Executive Officer of the Company) and Mr Mathew Ryan (Managing Director), or their respective nominees.

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme:

unless it obtains the approval of its shareholders.

The proposed issue of the Incentive Options falls within Listing Rule 10.14.1 (or Listing Rule 10.14.2 if a Director elects for the Incentive Options to be granted to his nominee) and therefore requires the approval of Shareholders under Listing Rule 10.14.

The resolutions comprising Resolution 4 seek the required Shareholder approval for the proposed issue under and for the purposes of Listing Rule 10.14. As Shareholder approval is sought under Listing Rule 10.14, approval under Listing Rule 7.1 and 10.11 is not required.

If the resolutions comprising Resolution 4 are passed, the Company will be able to proceed with the issue of Incentive Options to the Directors (or their respective nominees) in the proportions listed above.

If the resolutions comprising Resolution 4 are not passed, the Company will not be able to proceed with the issue of the Incentive Options to the Directors (or their respective nominees) and the Company will consider other forms of remuneration, including by the payment of cash, subject to the requirements of the Constitution, Corporations Act and Listing Rules.

The Incentive Options will be issued for nil cash consideration, exercisable at \$0.225 and expiring five years from the grant date.

The full terms and conditions of the Incentive Options are set out in Schedule 1.

Specific information required by Listing Rule 10.15

Pursuant to and in accordance with Listing Rule 10.15, the following information is provided in relation to the proposed issue of the Incentive Options:

- (c) The maximum number of Incentive Options to be issued to the Directors (or their respective nominees) is 12,000,000, in the proportions as detailed above.
- (d) the current total remuneration package for each of the Directors as at the date of this Notice is set out below:

Remuneration (per annum)	Mr Ross Anderson	Mr Mathew Ryan
Salary, fees and leave paid	\$200,000	\$350,000
Superannuation	\$23,000	\$40,250
Share-based payments ⁽¹⁾	\$641,919	\$641,919
TOTAL	\$8,64,919	\$1,032,169

- (1) Subject to Shareholder approval of Resolutions 4(a) and 4(b) for the issue of the Incentive Options (refer to Schedule 1 for the terms and valuation of the Incentive Options)
- (e) The following Securities have previously been issued to the Directors (and their associates) under the Scheme and the average acquisition price paid for each Security (if any) is set out below:

Director	Options	Exercise Price	Expiry Date
Mr Ross Anderson	5,000,000	\$0.25	3 January 2025
	5,000,000	\$0.53	25 November 2025
	5,000,000	\$0.23	5 December 2026
	5,000,000	\$0.335	21 December 2028
Mr Mathew Ryan	5,000,000	\$0.25	3 January 2025
	5,000,000	\$0.53	25 November 2025
	5,000,000	\$0.23	5 December 2026
	5,000,000	\$0.335	21 December 2028

- (f) The Incentive Options will be exercisable at \$0.225 and will expire five years after the date of issue and otherwise be issued on the terms and conditions in Schedule 1.
- (g) The Board considers that Incentive Options, rather than Shares, are an appropriate form of incentive because the Incentive Options granted will generally only be of benefit if the Directors performs to the level whereby

EXPLANATORY STATEMENT

the value of the Company increases sufficiently to warrant exercising the Incentive Options. The issue of the Incentive Options will therefore further align the interests of the Directors with Shareholders. If all Incentive Options are exercised, it would also result in a cash injection to the Company of \$2,700,000 (assuming no cashless-exercise facility is utilised).

- (h) A valuation of the Incentive Options is in Schedule 2, with a summary for each Director below:

Director	Value of Incentive Options
Mr Ross Anderson	\$641,919
Mr Mathew Ryan	\$641,919

- (i) The Incentive Options will be issued as soon as practicable following the receipt of approval at the Meeting, and in any event, no later than 12 months after the date of the Meeting.
- (j) The Incentive Options will have an issue price of nil as they will be issued as part of each Director's remuneration package.
- (k) A summary of the material terms of the Scheme is in Schedule 3.
- (l) No loan will be provided to the Directors in relation to the issue of the Incentive Options.
- (m) Details of any Securities issued under the Scheme will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of Securities under the Scheme after the Resolutions comprising Resolution 4 are approved and who were not named in the Notice will not participate until approval is obtained under Listing Rule 10.14.
- (n) A voting exclusion statement is included in the Notice.

Chapter 2E of the Corporations Act

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

- (a) obtain Shareholder approval in the manner set out in section 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Incentive Options constitutes giving a financial benefit and the Directors are each a related party of the Company by virtue of being a Director.

The Board has resolved that the issue of the Incentive Options constitutes 'reasonable remuneration' in the

circumstances, and therefore falls within the scope of the exception in section 211 of the Corporations Act.

Each of the resolutions which forms part of Resolution 4 are ordinary resolutions.

Board Recommendation

The Board (other than Mr Anderson who has a material personal interest in the outcome of the Resolution) recommends that Shareholders vote in favour of Resolution 4(a).

The Board (other than Mr Ryan who has a material personal interest in the outcome of the Resolution) recommends that Shareholders vote in favour of Resolution 4(b).

Resolution 5: Remuneration Report

Section 300A of the Corporations Act requires the disclosure, in a dedicated part of the Directors' Report under the heading 'Remuneration Report', of the remuneration paid to the KMP of a listed company.

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report be put to the vote at the annual general meeting.

The Remuneration Report for the financial year ended 30 June 2024 is set out in the Directors' Report which forms part of the Annual Report. It is also available on the Company's website, <https://aquna.com/investors/reports/>

Shareholders of the Company are asked to adopt the Remuneration Report, which sets out, in detail, the Company's policy for determining the remuneration for its Directors and other KMP, including:

- a detailed summary of vesting conditions, why they were chosen and how performance is measured against them; and
- the remuneration details for each Non-Executive Director and for each of the KMP of the Company.

A reasonable opportunity for discussion of the Remuneration Report will be provided at the Meeting.

In accordance with the Corporations Act, this resolution is advisory only and does not bind the Company. However, the Board will take the outcome of the vote into consideration in future reviews of the remuneration policy for Directors and KMP.

her own remuneration from the Company as described in the Remuneration Report, the Board of Directors unanimously recommend that Shareholders vote in favour of Resolution 5.

Resolution 6: Consolidation of Capital

Background

Resolution 6 seeks Shareholder approval to undertake a consolidation of the number of Shares on issue on the basis that every 10 Shares held be consolidated into one 1 (Consolidation). Similarly, the number of Options on issue will be consolidated on the basis that every 10 Options held will be consolidated into one 1 Option. The exercise price of the Options Rights will be amended in inverse proportion to the consolidation ratio.

Following the Meeting, the Company intends to change registries. As can be seen in section (g) below, the Effective Date for the Consolidation has been set for 3 February 2025 to allow for the orderly transition of registries prior to the Consolidation.

Regulatory Requirements

(a) Purpose of proposed resolution

The Directors have proposed the Consolidation for the following reasons:

- (i) the Company currently has 1,057,490,158 Shares on issue which represents a relatively large number when compared to its listed peer group;
- (ii) the Directors consider that the Consolidation will assist in reducing the volatility of the Company's share price and enable a more consistent valuation of the Company; and
- (iii) the Consolidation is also expected to assist in positioning the Company for long term growth by making an investment in the Company's securities more attractive to institutional and other investors.

(b) Legal requirements

Section 254H of the Corporations Act provides that a Company may, by resolution passed at a general meeting, convert all or any of its share into a larger or smaller number.

Listing Rule 7.20 provides that where an entity proposes to reorganize its capital, it must tell shareholders:

- (i) the effect of the proposal on the number of securities and the amount paid (if any) on the securities;
- (ii) the proposed treatment of any fractional entitlements; and
- (iii) the proposed treatment of any convertible securities on issue.

Listing Rule 7.22.1 requires that where a listed entity with options undertakes a consolidation of its capital, the

number of its options must be consolidated in the same ratio as the ordinary capital and the exercise price must be amended in inverse proportion to that ratio.

(c) Effect of Consolidation

The result of the Consolidation is that each security holding will be reduced by 10 times its current level. As the Consolidation applies equally to all Shareholders, individual shareholdings will be reduced in the same ratio as the total number of Shares (subject to rounding). Accordingly, assuming no other market movements or impacts occur, the Consolidation will have no effect on the percentage interest in the Company of each Shareholder.

The Consolidation will not result in any change to the substantive rights and obligations of existing Shareholders.

The change in capital structure of the Company following the Consolidation, subject to adjustment for rounding, is as follows:

Shares	Number ⁽¹⁾
Shares currently on issue	1,057,490,158
Shares on issue after consolidation	105,749,016

- (1) Assumes no new issuance of Shares and no Options are exercised prior to Consolidation. If any additional Shares are issued prior to the Consolidation, they will also be consolidated on a 10 for 1 basis on the terms set out in this Explanatory Statement.

Options	Pre Consolidation Number ⁽¹⁾	Post Consolidation Number ⁽¹⁾	New Exercise Price
Expiring 03.01.25 Exercise \$0.25	14,750,000	1,475,000	\$2.50
Expiring 25.11.25 Exercise \$0.53	13,000,000	1,300,000	\$5.30
Expiring 03.04.26 Exercise \$0.27	480,000	48,000	\$2.70
Expiring 05.12.26 Exercise \$0.23	12,500,000	1,250,000	\$2.30
Expiring 21.12.28 Exercise \$0.335	12,000,000	1,200,000	\$3.35
Total Options	52,730,000	5,273,000	

EXPLANATORY STATEMENT

(1) Assumes no Options are exercised prior to Consolidation. If approved, the Options issues pursuant to Resolutions 4(a) and 4(b) will also be consolidated on a 10 for 1 basis on the terms set out in this Explanatory Statement.

(d) Fractional entitlements

Where the Consolidation results in an entitlement to a fraction of a Share or Option, that fraction will be rounded up to the nearest whole number of Shares or Options.

(e) Holding statements

Taking effect from the date of the Consolidation, all existing holding statements will cease to have any effect, except as evidence of entitlement to a certain number of securities on a post Consolidation basis.

New holding statements will be issued to security holders, who are encouraged to check their holdings after the Consolidation.

(f) Taxation

The Consolidation should not result in a capital gains tax event for Australian tax residents. The cost base of the Shares held after the Consolidation will be the sum of the cost bases of the original Shares pre-consolidation.

The acquisition date of Shares held after the Consolidation will be the same as the date on which the original Shares were acquired.

This Explanatory Statement does not however consider the tax implications in respect of Shares or other securities held on revenue account, as trading stock or by non-resident Shareholders. Shareholders should consider their own circumstances and seek their own professional advice in relation to their tax position. Neither the Company nor any of its officers or employees assumes any liability or responsibility for advising Shareholders or other security holders about the tax consequences of the proposed Consolidation.

(g) Timetable

An indicative timetable, assuming Shareholder approval is obtained will be as follows:

Date	Event
22 November 2024	Meeting held with Resolution to approve Consolidation Company notifies ASX that Consolidation is approved
20 January 2025	Announcement of Consolidation and issue of Appendix 3A.3 notice

Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 6.

SPECIAL BUSINESS

Resolution 7: 10% Additional Placement Capacity

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of its issued capital.

ASX Listing Rule 7.1A enables an Eligible Entity to seek shareholder approval by special resolution at its annual general meeting to increase this 15% limit by an additional 10% to 25% (10% Placement Capacity).

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- is not included in the S&P/ASX 300 Index; and
- has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300 million or less.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and had a market capitalisation at the close of business on 11 October 2024 of \$153.34 million, based on a share price of \$0.145.

If at the date of the Meeting (22 November 2024), the Company ceases to be an Eligible Entity (namely, the Company has a market cap in excess of \$300 million), the Company will withdraw this Resolution.

If Resolution 7 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in ASX Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 7 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities to issue Equity Securities without Shareholder approval provided for in ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in ASX Listing Rule 7.1.

EXPLANATORY STATEMENT

The Equity Securities must be in the same class as an existing class of quoted Equity Securities. The Company currently has only one class of Equity Securities on issue, being fully paid ordinary shares.

The exact number of Equity Securities that the Company may issue under an approval under ASX Listing Rule 7.1A will be calculated according to the following formula:

(A x D) – E

Where:

A is the number of Shares on issue at the commencement of the 12-month period before the date of issue or agreement (the relevant period):

- (a) plus the number of Shares issued in the relevant period under an exception in ASX Listing Rule 7.2 (other than exception 9, 16 or 17);
- (b) plus, the number of Shares issued in the relevant period on the conversion of convertible securities within ASX Listing Rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under ASX Listing Rule 7.1 or ASX Listing Rule 7.4;
- (c) plus, the number of Shares issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the ASX Listing Rules to have been approved, under ASX Listing Rule 7.1 or ASX Listing Rule 7.4;
- (d) plus, the number of Shares issued in the relevant period with approval under ASX Listing Rule 7.1 or ASX Listing Rule 7.4; and
- (e) plus, the number of partly paid ordinary shares that became fully paid in the relevant period;
- (f) less the number of Shares cancelled in the relevant period.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the relevant period where the issue of agreement has not been subsequently approved by holders of Shares under ASX Listing Rule 7.4.

Information Required by ASX Listing Rule 7.1A

In accordance with ASX Listing Rule 7.3A, the information below is provided in relation to Resolution 6:

Minimum Price

Any Equity Securities issued under ASX Listing Rule 7.1A must be issued for cash consideration per security, which is not less than 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities (Agreed Issue Date); or
- (b) if the Equity Securities are not issued within 10 ASX trading days of the Agreed Issue Date, the date on which the Equity Securities are issued.

10% Placement Period

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of this Meeting and expiring on the first to occur of the following:

- (a) the date that is 12 months after the date of this Meeting;
- (b) the time and date of the Company's next Annual General Meeting;
- (c) the time and date of approval by shareholders of a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of the Company's activities) or ASX Listing Rule 11.2 (disposal of the Company's main undertaking).

Risk of economic and voting dilution

Any issue of Equity Securities under the 10% Placement Capacity may dilute the voting interests and economic interests of Shareholders who do not receive Equity Securities under the issue.

Shareholders should note that there is a risk that:

- (a) the market price for the Shares may be significantly lower on the issue date of the Shares than on the date of the Annual General Meeting; and
- (b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

As required by ASX Listing Rule 7.3A.4, Table A below seeks to demonstrate the potential dilution of existing Shareholders resulting from the issue of Shares under the 10% Placement Capacity calculated in accordance with the formula contained in ASX Listing Rule 7.1A.2.

Table A shows the potential number of Shares issued and funds raised on the basis of:

- (a) the current number of Shares on issue for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2;

EXPLANATORY STATEMENT

- (b) two examples where variable "A" has increased, by 50% and 100%; and
- (c) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Table A: Voting Dilution

No. of Shares on Issue (Variable A)	Dilution Variable	\$0.073 (50% decrease in current issue price)	\$0.145 (current issue price)	\$0.290 (100% increase in current issue price)
1,057,490,158 (current)	Additional 10% Shares issued	105,749,016	105,749,016	105,749,016
	Funds raised	\$7,719,687	\$15,333,607	\$30,667,215
1,586,235,237 50% increase*	Additional 10% Shares issued	158,623,524	158,623,524	158,623,524
	Funds raised	\$11,579,517	\$23,000,411	\$46,000,822
2,114,980,316 100% increase*	Additional 10% Shares issued	211,498,032	211,498,032	211,498,032
	Funds raised	\$15,439,356	\$30,667,215	\$61,334,429

* The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that does not require Shareholder approval (such as under a pro-rata rights issue) or an issue of Shares with Shareholder approval under ASX Listing Rule 7.1.

Table A Assumptions

Table A has been prepared on the following assumptions:

- The current number of shares on issue is the Shares on issue as at 11 October 2024.
- The current issue price is the closing price of the Shares on the ASX on 11 October 2024.
- The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to by reason of placements under ASX Listing Rule 7.1A, based on that Shareholder's holding at the date of the Meeting. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- Table A shows only the effect of issues of Shares under ASX Listing Rule 7.1A, and does not show the effect of any dilution pursuant to issues of Shares under ASX Listing Rule 7.1.
- No options are exercised or performance rights converted before the date of the issue of the Shares.

Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for various purposes including to raise cash for business development and general working capital.

Allocation under the 10% Placement Capacity

As at the date of this Notice of Meeting, the allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined.

However, the allottees of Equity Securities may consist of existing Shareholders and/ or new investors, but the allottees cannot include any Directors, related parties or associates of a related party of the Company without a further specific Shareholder approval.

The Company will determine the allottees at the time of the Issue under the 10% Placement Capacity, having regard to the following factors:

- the purpose of the issue;
- alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- prevailing market conditions; and
- advice from legal, corporate, financial and broking advisers (if applicable).

Previous Approval under ASX Listing Rule 7.1A

The Company previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 28 November 2023.

The Company did not issue any securities under Listing Rule 7.1A in the 12 months preceding the date of the Meeting.

Special Resolution

This Resolution is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of the Resolution for it to be passed.

Voting Exclusion

A voting exclusion statement is included in the Notice of Meeting. As at the date of this Notice of Meeting, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A.

Therefore, no existing Shareholders will be excluded from voting on this Resolution.

EXPLANATORY STATEMENT

Board recommendation

The Board of Directors unanimously recommend that Shareholders vote in favour of Resolution 7.

Resolution 8: Amendment to Constitution

Overview

The Directors consider it appropriate to update the Constitution of the Company to take account of regulatory and market practice changes in recent years, in particular the use of technology to enable a **Hybrid Meeting** - a meeting that is held both at a physical location and remotely via virtual technology.

A summary of the principal amendments to the Constitution are set out below. As it is a summary, it is not exhaustive. A copy of the proposed new Constitution incorporating all the amendments will be tabled at the Meeting and is available on the Company's website. The proposed new clause incorporating the changes (Clause 9.6) is set out in Schedule 5.

Hybrid Meeting

The Constitution currently only contemplates a general meeting being held at a physical location.

If Resolution 8 is approved, the amended Constitution will permit a Hybrid Meeting.

The amended Constitution provides flexibility and clarity around how the Company may conduct Hybrid Meetings in the future. Specifically, the amended Constitution permits the Company to hold meetings using or with the assistance of any technology approved by the Directors or in any manner permitted by law (subject to it being a Hybrid Meeting).

The amendments do not permit wholly "virtual" online meetings.

Consequential provisions are also included to provide clarity around procedural matters, including to ensure that 'online' attendees are treated as being present at the meeting and are counted for a quorum, and to confirm that the Directors may prescribe the detailed procedures by which meetings held with technological assistance may be conducted.

Board recommendation

The Board of Directors unanimously recommend that Shareholders vote in favour of Resolution 8.

SCHEDULE 3

SUMMARY OF SCHEME

The Company has established an employee incentive scheme (**Scheme**).

The full terms of the Scheme may be inspected at the registered office of the Company during normal business hours.

1. Eligible Participant

Eligible Participant means a person that:

- (a) is an "ESS participant" (as that term is defined in the Corporations Act); and
- (b) has been determined by the Board to be eligible to participate in the Scheme from time to time.

2. Purpose

The purpose of the Scheme is to:

- (a) assist in the reward, retention and motivation of Eligible Participants;
- (b) link the reward of Eligible Participants to Shareholder value creation; and
- (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

3. Scheme administration

The Scheme will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Scheme rules in its sole and absolute discretion. The Board may delegate its powers and discretion.

4. Eligibility, invitation and application

- (a) The Board may from time to time determine that an Eligible Participant may participate in the Scheme and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.
- (b) On receipt of an Invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.
- (c) If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

- 5. **Grant of Securities** The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Scheme rules and any ancillary documentation required.

6. Terms of Convertible Securities

Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Scheme. Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

7. Vesting of Convertible Securities

Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

8. Exercise of Convertible Securities and cashless exercise

To exercise an Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

EXPLANATORY STATEMENT

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Scheme rules, or such earlier date as set out in the Scheme rules.

9. Delivery of Shares on exercise of Convertible Securities

As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Scheme rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

10. Forfeiture of Convertible Securities

Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Scheme rules:

- (a) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
- (b) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

11. Change of control

If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event, subject to complying with the Listing Rules.

12. Rights attaching to Scheme Shares

All Shares issued under the Scheme, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (Scheme Shares) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Scheme Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Scheme Shares.

A Participant may exercise any voting rights attaching to Scheme Shares.

13. Disposal restrictions on Scheme Shares

If the invitation provides that any Scheme Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Scheme Share is subject to any disposal restrictions under the Scheme, the Participant will not:

- (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Scheme Share; or
- (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.

14. Adjustment of Convertible Securities

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

EXPLANATORY STATEMENT

15. Participation in new issues

There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

16. Amendment of Scheme

Subject to the following paragraph, the Board may at any time amend any provisions of the Scheme rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Scheme and determine that any amendments to the Scheme rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Scheme rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

17. Scheme duration

The Scheme continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Scheme for a fixed period or indefinitely, and may end any suspension. If the Scheme is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
