As set out in the notes to Resolution 1, a voting restriction applies with respect to the voting on this Resolution by members of the Key Management Personnel and their Closely Related Parties and their proxies voting (in any capacity) (**Voting Restriction**). Key Management Personnel are those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any director (whether executive or otherwise) of that entity.

In exceptional circumstances, the Chairman of the Meeting may change his/her voting intention on any resolution, in which case an ASX announcement will be made.

4. Resolution 2 – Re-Election of Andrew Haythorpe as a Director of the Company

4.1 Retirement by Rotation

Under Rule 39.6 of the Company's Constitution, a Director (other than the Managing Director) shall not continue in office for a period in excess of three consecutive years or until the third annual general meeting following the Director's appointment, whichever is longer, without submitting to re-election.

Mr Andrew Haythorpe was last re-elected as a Director of the Company at the 2021 AGM. Accordingly, Mr Haythorpe retires by rotation in accordance with Rule 39.6 of the Company's Constitution, as well as ASX Listing Rule 14.4 and, being eligible, offers himself for re-election as a Director.

4.2 Andrew Haythorpe's qualifications and experience

Mr Haythorpe was appointed as a Director of the Company on 11 October 2019 and was re-elected at the Company's 2021 annual general meeting.

Details of Mr Haythorpe's qualifications and experience are available in the Annual Report, on the Company's website and are summarised briefly below.

Andrew has 30 years' experience in geology, funds management and has been a Director and Chairman of a number of TSX and ASX listed companies. Since 1999, Andrew has been involved in over A\$300 million of mergers and acquisitions and capital raisings in mining and technology companies listed on the TSX and ASX.

Andrew has a Bachelor of Science (Hons) from James Cook University, is a member of the Australian Institute of Company Directors (MAICD) and a Fellow of the Australian Minerals Institute (FAusIMM).

During the past three years, Andrew has also served as a director of the following listed companies; Allup Silica Ltd, GoldOz Limited (formerly New Energy Minerals Ltd) (removed from Official list on 26 August 2022) and Inca Minerals Limited.

In accordance with the Company's Corporate Governance Charter that has been drafted with consideration of the ASX Corporate Governance Council's "Corporate Governance Principles and Recommendations, 4th Edition", Mr Haythorpe is considered independent.

4.3 Directors' recommendation

The Directors (with Mr Haythorpe abstaining) recommend that you vote in favour of this ordinary resolution. The Board has reviewed Mr Haythorpe's performance since his appointment to the Board and considers that his skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Haythorpe and recommends that Shareholders vote in favour of Resolution 2.

5. Resolution 3 – Ratification of prior issue of Elephant Project Shares

5.1 Background

In January 2024, the Company announced it had acquired 80% of the issued capital of Lusture Pty Ltd (**Lusture Shares**), which owns the Elephant Project, comprising Exploration licence 28/3507 and Exploration licence application E28/3145 (refer TEM ASX release dated 15 January 2024). Consideration for the Lusture Shares was \$100,000, which was settled by a cash payment of \$36,000 and the balance of \$64,000 was settled by the issue of 7,740,957 ordinary fully paid shares (**Elephant Project Shares**) to MAC4 Pty Ltd as trustee for the Barnett McLeod Family Trust 2 (**Vendor's Nominee**) as nominee for the seller of the Lusture Shares, MAC3 Pty Ltd as trustee for the Barnett McLeod Family Trust (**Elephant Project Vendor**).

The Elephant Project Shares were issued pursuant to the Company's existing placement capacity under ASX Listing Rules 7.1.

Neither the Elephant Project Vendor nor the Vendor's Nominee are a related parties of the Company.

The Elephant Project comprises 194km² of highly prospective exploration leases. The location on the edge of a geological block with (the suture between the Yilgarn and Albany-Fraser) is a favourable location for major discoveries as evidenced by the presence of multiple world class deposits in similar environments along this trend (refer also to TEM ASX releases dated 8 January 2024 and 10 January 2024).

5.2 Listing Rule 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue or agree to issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that 12 month period.

The Elephant Project Shares do not fit within any of the exceptions to Listing Rule 7.1 and, as the issue of those securities has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the issue date.

Listing Rule 7.4 sets out an exception to Listing Rule 7.1. It provides that where a company in a general meeting ratifies a previous issue of securities made or agreed to be made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1, and therefore will not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

Ratification by the Shareholders of the issue of the Elephant Project Shares is now sought pursuant to Listing Rule 7.4 under Resolution 3 in order to reinstate the Company's capacity to issue up to 15% of its issued capital under Listing Rule 7.1, if required, in the next 12 months without Shareholder approval, to the extent of the Elephant Project Shares.

The effect of this Resolution 3 is that the Company, for the purposes of Listing Rule 7.1 will be able to refresh its 15% placement capacity to the extent of the Elephant Project Shares, with effect from the date of the Meeting.

If Resolution 3 is passed, the Elephant Project Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

If Resolution 3 is not passed, the Elephant Project Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue.

8. Resolution 6 – Approval to issue an additional 10% of the issued capital of the Company over a 12-month period pursuant to Listing Rule 7.1A

8.1 Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a Special Resolution passed at its annual general meeting to increase this 15% limit by an extra 10% (**Additional 10% Capacity**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

Resolution 6 seeks Shareholder approval by way of Special Resolution for the Company to be granted the Additional 10% Capacity provided for in Listing Rule 7.1A.

If Resolution 6 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 6 is not passed, the Company will not be able to access the Additional 10% Capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

8.2 **Technical information required by Listing Rule 7.1A**

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 6:

(a) **Period for which the Additional 10% Capacity is valid**

The Additional 10% Capacity will commence on the date of the Meeting and expire on the first to occur of the following:

- (1) the date that is 12 months after the date of this Meeting;
- (2) the time and date of the Company's next annual general meeting; and
- (3) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum Price at which the Equity Securities may be issued**

Any Equity Securities issued under the Additional 10% Capacity must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (1) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (2) if the Equity Securities are not issued within 10 trading days of the date in Section 7.2(b)(1), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the Additional 10% Capacity**

The purposes for which funds raised by an issue of Equity Securities under the Additional 10% Capacity may be used include the following:

- (1) exploration activities on the Company's mineral interests;
- (2) assessment of any future mineral property opportunities;
- (3) assessment of any other investment opportunities; and
- (4) ongoing future working capital purposes.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the Additional 10% Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 6 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the Additional 10% Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 9 October 2024.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the Additional 10% Capacity.

Issued Share Capital (Variable A in Listing Rule 7.1A.2)		Issued Share Capital: 10% Voting Dilution	Issue Price		
			50% decrease in Market Price \$0.005	Current Market Price \$0.01	100% Increase in Market Price \$0.02
			Funds Raised		
Current	627,269,789 Shares	62,726,979 Shares	\$313,635	\$627,270	\$1,254,540
50% Increase	940,904,684 Shares	94,090,468 Shares	\$470,452	\$940,905	\$1,881,809
100% Increase	1,254,539,578 Shares	125,453,958 Shares	\$627,270	\$1,254,540	\$2,509,079

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- (1) At 9 October 2024, the date of preparation of this Notice, there were 627,269,789 Shares on issue.
- (2) The 'current' issue price set out above is the closing market price of the Shares on the ASX on 9 October 2024.
- (3) The Company issues the maximum possible number of Equity Securities under the Additional 10% Capacity.
- (4) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- (5) The issue of Equity Securities under the Additional 10% Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
- (6) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (7) This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
- (8) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (9) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (1) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and

- (2) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the Additional 10% Capacity**

The recipients of the Equity Securities to be issued under the Additional 10% Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the Additional 10% Capacity, having regard to the following factors:

- (1) the purpose of the issue;
- (2) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (3) the effect of the issue of the Equity Securities on the control of the Company;
- (4) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (5) prevailing market conditions; and
- (6) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 24 November 2023 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 24 November 2023, the Company did not issue any Shares under Listing Rule 7.1A.2 pursuant to the Previous Approval (**Previous Issue**).

(g) **Voting Exclusion Statement**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. In accordance with the note set out in Listing Rule 14.11.1 relating to Listing Rules 7.1 and 7.1A, for a person's vote to be excluded, it must be known that that person will participate in the proposed issue.

Where it is not known who will participate in the proposed issue (as is the case in respect of the 10% Securities), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted and there is no reason to exclude their votes.

Accordingly, a voting exclusion statement is not included in this Notice.

8.3 **Recommendation**

The Directors recommend that you vote in favour of this Special Resolution.

9. **General Business**

To consider any other business as may be lawfully put forward in accordance with the Constitution of the Company. Specific comments relating to the Resolutions are set out in the Explanatory Memorandum.

By order of the board
