Correction to Listing Rule 3.10A notice

Sovereign Cloud Holdings Limited (**SOV**) wishes to advise of a correction to its “Shares to be released from voluntary escrow” announcement released to ASX earlier today at 9.39am (AEDT) (**Announcement**).

The Announcement stated 83,333,333 fully paid ordinary shares in SOV would be released from voluntary escrow on 30 October 2024 when it should have instead stated the number of shares to be released from voluntary escrow as 8,333,333 (which reflects the recent 10 for 1 consolidation of share capital).

This ASX announcement was authorised for release by the Company Secretary..

About AUCloud

AUCloud is an Australian owned and operated Cyber Security Managed Security Service Provider (MSSP) and Sovereign Cloud Service (IaaS) specialist that supports Australian Governments, Critical National Industries (CNIs) with the latest sovereign cloud infrastructure, backup and cyber security threat defence and response services. AUCloud solutions enable customers to benefit from sovereign data protection with the scale, automation, elasticity and lower costs typically associated with global cloud offerings.

AUCloud's Sovereign Cloud Service (IaaS) and Cyber Security Solutions are underpinned by a range of security certifications, including “Certified Strategic” on Digital Transformation Agency's Hosting Certification Framework (HCF), assessed to the PROTECTED controls of the Australian Signals Directorate's (ASD) Information Security Manual (ISM) through to the Australian Cyber Security Centre's Cloud Assessment and Authorisation Framework (CAAF), inclusive of the Information Security Registered Assessors Program (IRAP) certification and ISO 27001. This provides AUCloud's customers with confidence that their data is secure and that services are delivered to the highest standards.
