A form of proxy is provided with this notice.

Proxies given by corporate Shareholders must be executed in accordance with the Corporations Act and their constitutions, or signed by a duly authorised attorney.

A proxy may decide whether to vote on any motion, except where the proxy is required by law or the Constitution to vote or abstain from voting, in their capacity as proxy. If a proxy is directed how to vote on a resolution, the proxy may vote on that item only in accordance with that direction. Any directed proxies which are not voted on a poll will automatically default to the Chair of the Meeting, who must vote the proxies as directed. If a proxy is not directed how to vote on a resolution, a proxy may vote as they think fit. If a Shareholder appoints the Chair of the Meeting as a Shareholder's proxy and does not specify how the Chair is to vote on the resolution, the Chair will vote, as proxy for that Shareholder, in favour of the resolution.

Voting by corporate representatives

A corporate Shareholder wishing to appoint a person to act as its representative at the Meeting must provide that person with an authority executed in accordance with the Company's constitution and the Corporations Act authorising him or her to act as a corporate representative. The authority must be sent to the Company or its share registry in advance of the Meeting or be handed in at the Meeting when registering as a corporate representative.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum relates to the 2024 Annual General Meeting of the Company to be held as a physical meeting on Tuesday 26 November 2024 at 11:00 am (Sydney time).

Financial Report and Reports of the Directors and Auditor

This item allows Shareholders the opportunity to consider the Financial Report, Directors' Report and Auditor's Report of the Company. Under Section 317 of the Corporations Act the Company is required to lay these three reports, together comprising the Company's Annual Report, before its Shareholders at the Meeting.

Resolution 1 Remuneration Report

Resolution 1 provides Shareholders the opportunity to vote on the Company's Remuneration Report. Under Section 250R(2) of the Corporations Act, the Company must put the adoption of its Remuneration Report to a vote at the annual general meeting. The Remuneration Report is contained in the Directors' Report. Section 250R(3) of the Corporations Act provides that Resolution 1 is advisory only and does not bind the Directors or the Company, and a failure of Shareholders to pass Resolution 1 will not require the Directors to alter any arrangements in the Remuneration Report. The Chairman will allow reasonable opportunity for Shareholders to ask about or make comments on the Remuneration Report.

Noting that three of the current executive and non-executive Directors have a personal interest in their own remuneration from the Company as set out in the Remuneration Report, and that each of them (and their closely related parties) would be excluded from voting on Resolution 1, the Board recommends that Shareholders vote in favour of adopting the Remuneration Report.

The Chairman intends to exercise all undirected proxies in favour of Resolution 1. If the Chairman is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

Resolution 2 and Resolution 3 - Re-election of Mr Richard Allely and Ms Su Zhang

ASX Listing Rule 14.5 and rule 26.6 of the Company's Constitution provide that an election of directors must be held each year at the annual general meeting of the Company. The Board has determined that Mr Richard Allely and Ms Su Zhang will retire by rotation. Being eligible, Mr Allely and Ms Zhang offer themselves for re-election.

Resolution 2: Re-election of Mr Richard Allely

Resolution 2 provides for the re-election of Richard Allely as a non-executive Director of the Company in accordance with Listing Rule 14.4 and rule 26.3 of the Constitution.

Richard was the Managing Director and CEO of PMP Ltd (PMP) until 2012, when he stepped down from the position, after serving just over 10 years with the company (seven years as CFO). PMP is the largest printing and distribution company in Australia and New Zealand with a turnover in excess of \$A1 billion.

Prior to this, Richard held senior executive roles with a number of leading Australian and International companies including Tenix Pty Ltd (formerly Transfield Pty Ltd), John Fairfax Holdings Ltd, Boral Ltd, James Hardie Industries Ltd and Fanner-PLP Pty Ltd. Richard has significant experience in the manufacturing, building and construction, and publication and media sectors within Australia and South East Asia.

The Board, other than Mr Richard Allely, recommends the reappointment of Mr Richard Allely as a non-executive Director.

The Chairman intends to exercise all undirected proxies in favour of Resolution 2. If the Chairman is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 2, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

Resolution 3: Re-election of Ms Su Zhang

Resolution 3 provides for the re-election of Su Zhang as an executive Director of the Company in accordance with Listing Rule 14.4 and rule 26.3 of the Constitution.

Qualifications

- Master of Business Administration
- Graduate Certificate in Commerce
- Bachelor of Pharmacy Su was appointed to the Board in 2018 as an executive Director.

Su has been working in the pharmaceutical industry for over 10 years, starting her career with Terry White Chemists after graduating in 2006. Upon leaving Terry White Chemists, Su worked for 3 years at Abbott Australia. She commenced at Abbott Australia as a Senior Drug Safety Associate and later moved into the role of Asia Pacific Regional Manager. In 2009, Su commenced employment with Star Combo, initially focusing her efforts on obtaining a TGA license for Costar Pharma. Su is the CEO of Star Combo and her responsibilities within Star Combo include general management, quality control and compliance, operational management, production planning and sales cycle management.

The Board, other than Ms Su Zhang, recommends the reappointment of Ms Su Zhang as an executive Director.

The Chairman intends to exercise all undirected proxies in favour of Resolution 3. If the Chairman is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 3, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention

Resolution 4: Amendment of the Company's Constitution to allow Share Buy Backs

Resolution 4 is a special resolution and therefore requires the approval of at least 75% of the votes cast by Shareholders.

The Corporations Law and the ASX Listing Rules provide powers to corporations to manage its share capital including the ability of the corporation to undertake various forms of share buy backs.

In order for a corporation to undertake a share buy back, ASX Listing Rules require that the power to conduct a share buyback must be contained in its constitution. Currently, the Company's constitution does not contain specific provisions.

The purpose of this resolution is to give the Company the power to conduct share buy backs subject to the procedural requirements and protections to shareholders contained in the Corporations Law and ASX Listing Rules.

The rules governing the various types of share buybacks are contained in Part 2J.1 Division 2 of the Corporations Act, and more particularly in Sections 257A-257J. These provisions outline five different share buyback mechanisms and the differing procedural requirements necessary for undertaking each of them, including notice requirements and shareholder protections.

The proposed change to the constitution is designed not to limit the Board's power with respect to any or all of the share buyback options provided for by the Corporations Law, but rather give the Board the ability to undertake each of the five options. Nor does the proposed change alter or water down in any way the

procedural requirements or shareholder protections contained in the Corporations Law and ASX Listing rules governing the share buy back mechanisms.

Your directors believe that it is imperative to ensure that the Company at all times has the ability and the flexibility to manage its share capital including the ability to undertake various forms of share buy backs in the most efficient manner possible, and is therefore proposing amendments to the Company Constitution

The Board recommends that Shareholders vote for this resolution.

The Chairman intends to exercise all undirected proxies in favour of Resolution 4. If the Chairman is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 4, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.
