EXPLANATORY STATEMENT

This Explanatory Statement forms part of the Notice of Meeting and has been prepared to provide Shareholders with material information to enable them to make an informed decision on the business to be conducted at the AGM.

ITEM 1: Financial Report – Year ended 30 June 2024

The Corporations Act requires the Financial Report (which includes the financial statements and the Directors' Declaration), the Directors' Report and the Auditor's Report to be tabled for discussion at the AGM. There is no requirement either in the Corporations Act or in the Constitution of the Company for Shareholders to approve the Financial Report, the Directors' Report or the Auditor's Report. Shareholders attending the AGM will be given a reasonable opportunity to ask questions about, or make comments on, the Financial Report.

This item of business provides Shareholders with an opportunity to ask questions concerning or make comments on the Company's financial statements and reports for the year ended 30 June 2024 and the Company's performance generally. A representative of the Auditor (Ernst & Young) will be attending the AGM.

As a Shareholder, you are entitled to submit a written question to the Auditor prior to the AGM provided that the question relates to:

- the content of the Auditor's Report; or
- the conduct of the audit in relation to the Financial Report.

All questions must be sent by email to the Company Secretary at co.sec@ppkggroup.com.au and must not be sent directly to the Auditor. The Company will then forward all questions to the Auditor. All written questions for the Auditor must be received by the Company no later than 11:00 am (AEDT) on **Thursday 21 November 2024**.

The Auditor will answer written questions submitted prior to the AGM.

The Auditor will also answer questions at the meeting from Shareholders relevant to:

- the conduct of the audit;
- the preparation and content of the Auditor's Report;
- the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- the independence of the Auditor in relation to the conduct of the audit.

ITEM 2: Remuneration Report

The Directors' Report for the year ended 30 June 2024 contains a Remuneration Report which sets out the policy on remuneration of the Directors of the Company and specified executives of the Company.

The Corporations Act requires that a resolution be put to the vote that the Remuneration Report be adopted. The Corporations Act expressly provides that the vote is advisory and does not bind the Directors of the Company. However, if at least 25% of the votes cast are against the adoption of the Remuneration Report, the Company's next Remuneration Report must explain the Board's proposed action in response or explain why no action has been taken.

In the following year, if at least 25% of the votes cast on the resolution that the Remuneration Report be adopted are against adoption, Shareholders will then vote to determine whether the Directors, excluding the CEO, will need to stand for re-election (a **Spill Resolution**). If more than 50% of the votes cast on the Spill Resolution are in favour, a separate re-election meeting must be held within 90 days.

At the Company's 2023 Annual General Meeting, the votes cast against the Remuneration Report considered at that meeting were less than 25%.

Members attending the AGM will be given a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

Directors' recommendation

The Board unanimously recommends that Shareholders vote in favour of this resolution.

Subject to the voting exclusions set out in this Notice of Meeting, the Chair intends to vote undirected proxies in favour of this resolution.

Other listed public company directorships held in the last 3 years: Nil

Directors' recommendation

The Board recommends (Ms Birkill abstaining) that Shareholders vote in favour of this resolution.

Subject to the voting exclusions set out in this Notice of Meeting, the Chair intends to vote undirected proxies in favour of this resolution.

ITEM 4 – Approval of the Company's Long-Term Incentive Plan

General

ASX Listing Rule 7.1 allows a company to issue up to 15% of its issued securities in any 12-month period without obtaining Shareholder approval, subject to certain exceptions. This is referred to in this Notice of Meeting as the 15% Placement Capacity rule.

Exception 13 to ASX Listing Rule 7.2 provides that the 15% Placement Capacity rule does not apply to an issue of securities under an employee incentive scheme if Shareholders have approved the issue of the securities under the scheme within three years of the date of issue of the relevant securities. The purpose of this resolution is to seek such approval.

Expiry of previous incentive plan

The previous long term incentive plan was approved by Shareholders in November 2021 and the Board views this approval as valid for a period of three years.

Under the previous long term incentive plan, Performance Rights were issued to certain senior managers of the Company subject to vesting conditions determined by the Board. Once vested, those Performance Rights were convertible by the participant to ordinary shares on a 1-1 basis. The Company made use of a corporate trustee to help administer this plan.

Need for a new incentive plan

The Board believes that a new long term incentive arrangement is critical to allow the Company to attract, retain and motivate appropriately skilled executives. The Board believes that generally the previous incentive plan has functioned well, however it has proven to be unnecessarily complex in light of the small number of participants and the high administrative burden of operating.

Proposed approach in the new Long Term Incentive Plan

The structure of the new plan was approved by the Board on 26 September 2024 and is now being put forward for Shareholder approval for the purposes of Exception 13 in Listing Rule 7.2. No invitations have currently been issued by the Board, however it is anticipated that the Board will do so for FY25 in December 2024.

The Board proposes to retain many of the aspects of the previous incentive plan that are functioning well. Firstly, the Board will continue to issue Performance Rights on an annual basis as part of the participant's remuneration package. Secondly, the Board will continue to use vesting conditions to determine the extent that a grant of Performance Rights vests and these vesting conditions will continue to vary from year to year depending on the needs of the Company. Thirdly, the Company will continue to calculate the number of Performance Rights to be issued by reference to the value the Company wishes to provide to the participant, divided by the relevant VWAP in the period prior to grant.

Information required under Exception 13 in Listing Rule 7.2

The material terms of the Long Term Incentive Plan are summarised in the table below. In addition, the Company sets out the information required by Exception 13 in Listing Rule 7.2.

The Company has issued 2,290,200 Performance Rights since the AGM held in November 2021, out of a maximum proposed of 4,400,000.

The maximum number of Performance Rights proposed to be issued under the new Long Term Incentive Plan in the following three years will not exceed 9,000,000 (being approximately 10% of the number of Shares on issue as at the date of this Notice of Meeting). This maximum number is not intended to be a prediction of the actual number of Performance Rights to be issued under the new Long Term Incentive Plan, but is specified for the purposes of setting a ceiling on the number of Performance Rights approved to be issued under and for the purposes of Exception 13 in Listing Rule 7.2.

A voting exclusion statement is included above in this Notice of Meeting.

Material terms of the Long Term Incentive Plan

The following is a summary of the material terms of the Long Term Incentive Plan and the Long Term Incentive Plan Rules.

Item	Description
Offer	<p>The Board may invite certain eligible persons to apply for Performance Rights to be issued in accordance with the Long Term Incentive Plan Rules and other conditions set by the Board.</p> <p>It is anticipated that in December 2024, the Company will make a grant for FY25. Thereafter, the Board will issue a standard grant in September 2025 and September 2026.</p> <p>Each Performance Right is an entitlement, upon vesting and exercise, to an ordinary fully paid Share in the Company (on a 1 to 1 basis). Performance Rights will not be quoted on the ASX or any other stock exchange. The Performance Rights will have a nil exercise price.</p>
Eligibility	<p>Participation is open to certain senior executives of the Company only, where invited to participate by the Board. The number of Performance Rights granted are expected to reflect market standard percentages of executive fixed pay.</p> <p>Directors (other than the Managing Director) will not be eligible to participate in the Long Term Incentive Plan.</p>
Vesting conditions	<p>The Board will continue to make use of a remuneration committee to assist with its work in this area.</p> <p>The Board expects to vary the vesting conditions from participant to participant and year to year, to best reflect the strategic needs of the Company.</p>
Assessment of vesting	<p>It is anticipated that each grant will be assessed against the relevant vesting conditions in June of 2027, 2028 and 2029.</p> <p>The Board retains a discretion to waive some or all of the vesting conditions and allow some or all of the Performance Rights to vest. Any Performance Rights relating to vesting conditions that haven't been met will lapse.</p>
Measurement Period	Ordinarily, three years.
Cash conservation	The Board will continue to retain the discretion to settle other amounts owed to participants in Performance Rights.
Trustee	Where Performance Rights have vested, the Board will notify the trustee and direct the trustee to set aside the relevant number of Shares to meet any future exercise of those Performance Rights by the participant. Those Shares will be owned by the trustee unless and until the participant exercises those Performance Rights.
Exercise	<p>A participant may exercise the Performance Rights by written notice in accordance with the Long Term Incentive Plan Rules.</p> <p>Upon exercise, a participant becomes beneficially entitled to the Shares.</p>
Termination and lapse	Each Performance Right will have a term ending 15 years after the grant date in accordance with ATO guidance on tax deferral (unless a shorter period is determined by the Board and specified in an invitation to the participant). If not exercised before the end of their term the Performance Rights will lapse.

Item	Description
	<p>If the Participant ceases their employment during a measurement period then the Performance Rights will be subject to an 'off-cycle' assessment by the remuneration committee. All future and unvested Performance Rights will immediately lapse, however the Board will retain discretion to apply its 'good leaver' policy and allow some or all of the balance to vest.</p> <p>In the event the Board forms the opinion that a participant has committed an act of fraud, defalcation or gross misconduct in relation to the Company, the participant will forfeit all unvested and unexercised Performance Rights.</p>
No hedging	Participants must not enter into an arrangement with anyone if it would have the effect of limiting their exposure to risk in relation to Performance Rights (vested or unvested) or restricted securities.
Restrictive period	The Board retains the discretion to impose additional restrictive periods on the Performance Rights after vesting.

If Shareholder approval is given, an issue of securities under the Long Term Incentive Plan on the terms set out in this Notice of Meeting will not count towards the 15% Placement Capacity for the period of three years following the approval.

If Shareholder approval is not given, an issue of securities under the Long Term Incentive Plan will count towards the 15% Placement Capacity.

Directors' recommendation

The Board recommends that Shareholders vote in favour of this resolution.

Subject to the voting exclusions set out in this Notice of Meeting, the Chair of the meeting intends to vote undirected proxies in favour of this resolution.

ITEM 5 – Grant of Performance Rights to the Managing Director in connection with his participation in the Company's Long-Term Incentive Plan for FY25

General

The Company is proposing to issue Performance Rights to the Managing Director of the Company pursuant to the Long Term Incentive Plan operated by the Company.

ASX Listing Rule 10.11 prohibits, among other things, the issue of equity securities to a related party of the Company. Exception 8 of Listing Rule 10.12 permits an issue of equity securities where it occurs under an employee incentive scheme made with the approval of shareholders under ASX Listing Rule 10.14.

ASX Listing Rule 10.14 provides that a listed company must not permit a director of that company to acquire equity securities under an employee incentive scheme unless it obtains the approval of its shareholders.

The purpose of this item is to seek such approval. For completeness, pursuant to Exception 14 of Listing Rule 7.2, an issue of securities approved by Shareholders under Listing Rule 10.14 does not count towards the 15% Placement Capacity.

Information required under ASX Listing Rule 10.15

Mr Marc Fenton was appointed to the position of Managing Director on 1 July 2024. Mr Fenton had previously occupied the position of Chief Executive Officer.

The class of securities proposed to be issued to Mr Fenton is a Performance Right, pursuant to the Long Term Incentive Plan operated by the Company and summarised in item 4 above and not replicated again in full in this item of business. Each Performance Right is an entitlement, upon vesting and exercise, to an ordinary fully paid Share in the Company (on a 1 to 1 basis). The value attributed to these securities is \$240,000. This type of security was selected by the Board because (a) it aligns Mr Fenton's interests with those of the Company, and (b) it allows Mr Fenton to make use of the deferred taxing point, should he so choose.

The number of Performance Rights to be issued to Mr Fenton is 612,633, as calculated in accordance with the terms of the Long Term Incentive Plan operated by the Company. All Performance Rights are issued for nil consideration.

As disclosed on 3 July 2023 when Mr Fenton was appointed as CEO, Mr Fenton receives an annual fixed remuneration package of \$372,500, exclusive of superannuation. The Board may also invite him to participate in the Company's short-term incentive program based on the value the Board wishes to confer on him at that time (but subject to an overall cap of 40% of his total annual fixed remuneration). Finally, the Board may invite Mr Fenton to participate in the Company's long-term incentive program based on the value the Board wishes to confer on him at that time (but subject to an overall cap of 60% of his total annual fixed remuneration). For completeness, for so long as Mr Fenton holds the position of Managing Director, his participation in the long-term incentive program each year will be subject to shareholder approval.

The performance milestones set by the Board (other than Mr Fenton) for this grant (with due input from the remuneration committee) are a blend of internal and external metrics, as follows:

Nature	Weighting	Description
Strategic goals	30%	Portfolio optimisation to reflect the current and future strategic objectives of the Company.
Operational goals	35%	Cyber security continued uplift; financial reporting improvements; risk management improvements; portfolio reporting dashboards. Annual lessons learnt exercise resulting in prioritised improvements for delivery. Continued uplift in shareholder communications and engagement.
ESG goals	10%	ESG content released for annual report; adherence to current and upcoming ESG reporting and compliance standards.
aTSR	25%	The aTSR metric measures the 'absolute total shareholder return' achieved by the Company over a measurement period of just under three years. Firstly, the Company calculated the 20-day VWAP (volume weighted average price) following the release of the Company's Appendix 4E on 29 August 2024. The Company must then achieve a CAGR (compound annual growth rate) of at least 25% over the relevant measurement period, ending on 30 June 2027. If not achieved, this portion of the grant will lapse in full.

Mr Fenton currently holds 330,168 Performance Rights that were issued under the previous incentive scheme operated by the Company. All Performance Rights were issued to Mr Fenton for nil consideration.

The Performance Rights are proposed to be issued to Mr Fenton before the end of CY24.

Details of any securities issue under the scheme will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in the scheme after the resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

A voting exclusion statement is included above in this Notice of Meeting.

Passing or otherwise of this resolution

If this resolution is passed, the Company will be able to issue the Performance Rights to Mr Fenton in connection with his participation in the Company's Long Term Incentive Plan.

If this resolution is not passed, the Company will not be able to issue the Performance Rights to Mr Fenton and the Company will consider other alternative approaches, for example instead paying the equivalent value to Mr Fenton in deferred cash.

Directors' recommendation

The Board recommends (Mr Fenton abstaining) that Shareholders vote in favour of this resolution.

Subject to the voting exclusions set out in this Notice of Meeting, the Chair intends to vote undirected proxies in favour of this resolution.

ITEM 6 – Ratification of placement of shares in relation to the legal proceedings

On 28 June 2024 ("Issue Date"), the Company issued a total of 1,136,011 fully paid ordinary Shares in the Company pursuant to orders from the Supreme Court of New South Wales.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Issue does not fit within any of these exceptions and, as it has not yet been approved by the Company's shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

To this end, item no.7 seeks shareholder approval to the Issue under and for the purpose of Listing Rule 7.4.

In accordance with Listing Rule 7.5, the following information is provided to Shareholders.

- (a) The Shares were issued to Flynfam Pty Ltd ATF Flynn Family Trust pursuant to the relevant court order.
- (b) The total number of fully paid ordinary Shares issued was 1,136,011.
- (c) The Shares were issued on 28 June 2024.
- (d) The issue price of each fully paid ordinary Shares issued was nil.
- (e) The allottee of the placement Shares was the plaintiff in legal proceedings against the Company.

A voting exclusion statement is included in the Notice of Meeting.

Directors' recommendation

The Board recommends that Shareholders vote in favour of this resolution. The Board believe that the ratification of the placement Shares is beneficial to the Company as it allows the Company to retain the 15% Placement Capacity.

Subject to the voting exclusions set out in this Notice of Meeting, the Chair of the meeting intends to vote undirected proxies in favour of this resolution.

YOUR VOTE IS IMPORTANT

For your proxy appointment to be effective it must be received by **11:00 am (AEDT) Tuesday, 26 November 2024.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
