Dear Sir / Madam

**Typographical Correction to
ASX Announcement**

Biotron Limited (ASX: BIT) advises of a correction to the announcement released on 24 October 2024 “Option Expiry Notice” on page 1 of the announcement reads:

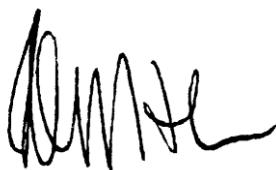

The Company advises that the attached Option Expiry Notice has been sent to holders of Biotron Limited listed options (ASX: BITOB) in relation to the expiry of the options on 25 November 2024.

Instead, it should read:

The Company advises that the attached Option Expiry Notice has been sent to holders of Biotron Limited listed options (ASX: BITOC) in relation to the expiry of the options on 25 November 2024.

Biotron Limited confirm that the Company does not have options with ASX code “BITOB”

By Order of the Board
