NOTICE OF MEETING

NOTES

1. Shareholders Eligible to Vote

In accordance with the Company's Constitution and Reg 7.11.37 of the *Corporations Regulations 2001* (Cth), the Board has determined that persons who are registered holders of shares of Icon Energy as at 7:00pm (New South Wales time) on 27 November 2024 will be entitled to attend and vote at the AGM as a shareholder of Icon Energy (**Shareholder**).

If more than one joint holder of shares is present at the AGM (whether personally, by proxy, by attorney or by representative) and tenders a vote, only the vote of the joint holder whose name appears first on the register will be counted.

2. Voting by Proxy

If you are a Shareholder entitled to attend and vote you may appoint an individual or a body corporate as a proxy. A proxy need not be a Shareholder of Icon Energy.

Shareholders should be aware of the voting restrictions and exclusions specified above when appointing a person as a proxy.

A proxy appointment form must be signed by the Shareholder or his/her attorney or, in the case of a body corporate, executed in accordance with section 127 of the Corporations Act or signed by an authorised officer or attorney. If the proxy form is signed by an attorney or by the authorised officer of a body corporate, the power of attorney or other authority (or a certified copy) must accompany the form unless it has previously been provided to the Company. If the proxy form is sent by facsimile, then any accompanying power of attorney or other authority must be certified.

A Shareholder may appoint up to two proxies and specify the proportion or number of votes each proxy may exercise. If the Shareholder does not specify the proportion or number of votes to be exercised, each proxy may exercise half of the Shareholder's votes.

If you wish to indicate how your proxy should vote, please mark the appropriate boxes on the proxy form. If in respect of any of the items of business you do not direct your proxy how to vote, you are directing your proxy to vote as he or she decides.

If you mark the abstain box for a particular item you are directing your proxy to not vote on your behalf and your shares will not be counted in computing the required majority on a poll.

For proxies without voting instructions that are exercisable by the Chairman, the Chairman intends to vote undirected proxies in favour of each resolution. If you wish to appoint the Chairman as your proxy with a direction to vote against, or to abstain from voting on an item of business, you should specify this by completing the appropriate 'Against' or 'Abstain' box on the proxy appointment form.

The Chairman is deemed to be appointed where a signed proxy form is returned which does not contain the name of

the proxy or where the person appointed on the form is absent.

3. Proxy Delivery

To be effective, the proxy appointment must be received at the share registry of Icon Energy, in the manner stipulated, no later than 9:00am (Queensland time) on 27 November 2024, being 48 hours before the AGM. Proxies must be received by that time by one of the following methods:

4. Voting by Attorney

Where a Shareholder appoints an attorney to act on his/her behalf at the AGM, such appointment must be made by a duly exercised power of attorney.

A proxy form and the original power of attorney (if any) under which the proxy form is signed (or a certified copy of that power of attorney or other authority) must be received by Icon Energy, in the manner stipulated in Note 3 above, by no later than 9:00am (Queensland time) on 27 November 2024 being 48 hours before the AGM.

The representative should bring to the AGM a properly executed letter or other document confirming its authority to act as a body corporate's representative.

6. Polls

On a poll, every Shareholder has one vote for every fully paid ordinary share held. These Explanatory Notes have been prepared for the information of Icon Energy's Shareholders in relation to the business to be conducted at Icon Energy's 2024 AGM.

NOTICE OF MEETING

7. Online voting at the AGM

Shareholders that decide to participate in the virtual meeting will be able to submit their vote in real time.

The Company, however, strongly encourages Shareholders to submit proxies prior to the Meeting.

EXPLANATORY NOTES

The purpose of the Explanatory Notes is to provide Shareholders with information that is reasonably required to decide how to vote upon the resolutions. The Directors of Icon Energy (**Directors**) recommend that Shareholders read the Explanatory Notes before determining whether or not to support the resolutions.

Consideration of Financial Statements and Report is not a resolution and will not be voted on. Resolutions 1 is an advisory resolution and is non-binding. Resolutions 2 to 5 are ordinary resolutions, requiring a simple majority of votes cast by Shareholders entitled to vote on each resolution.

Consideration of Reports

The Financial Statements, Directors' Report and Independent Audit Report of Icon Energy for the Financial Year will be put before the meeting.

Following the consideration of the Reports, Shareholders will be provided with the opportunity to ask questions about or comment on the Reports.

The Company has invited Shareholders to submit written questions for discussion at the AGM. A summarised list of written questions, if any, submitted by Shareholders to the Company and the Auditor will be made available at the start of the AGM and any written answer tabled by the Auditor at the AGM will be made available as soon as practicable after the AGM.

Resolution 1: Remuneration Report

Section 250R of the Corporations Act requires the Shareholders to vote on a non-binding advisory resolution that the Remuneration Report (**Remuneration Report Resolution**) be adopted.

If there is a vote of 25% or more against the Remuneration Report at the 2024 AGM, and another vote of 25% or more at the 2025 AGM, then a resolution will be put at the 2025 AGM to put the Board (other than the Managing Director) up for re-election (**Spill Resolution**). If the Spill Resolution passes, then the Company must hold a Spill Meeting within 90 days at which all Directors (other than the Managing Director) who were Directors at the time the Remuneration Report that received the second strike will retire and may resubmit themselves for re-election.

The Remuneration Report details the remuneration policy for the Company and reports the remuneration arrangements for KMP's and other Icon Energy employees. The Remuneration Report is set out on pages 12 to 17 in the Company's 2024 Annual Report. The Report can also be viewed in the "Investor Centre" section of the Company's website (www.iconenergy.com).

The Board believes that the Company's remuneration arrangements, as set out in the 2024 Remuneration Report, are fair, reasonable and appropriate and support the strategic direction of the Company.

The voting exclusion statement for this resolution is set out on page 2 of this Notice of Meeting.

Board Recommendation

The Directors recommend Shareholders vote **in favour** of this advisory resolution.

Resolution 2: Re-election of Mr Peter Wilson

Article 70(1)(b) of the Company's Constitution requires that one third of the Directors retire from office and are eligible for re-election. Article 70(3) further states that any Director retiring is eligible for re-election without needing to give any prior notice of an intention to resubmit for re-election and holds office until the end of the meeting at which he retires.

Similarly, ASX Listing Rule 14.4 requires that a Director (except the Managing Director) appointed as an addition to the board must not hold office (without re-election) past the next Annual General Meeting of the entity.

To this end, ASX Listing Rule 14.5 requires that an entity with Directors hold an election of Directors each year.

In accordance with the Listing Rules and the Company's Constitution, Mr Wilson retires, and being eligible, offers himself for re-election as a Director.

EXPLANATORY NOTES

Mr Peter Wilson

Mr Wilson has over 42 years of experience in the international coal mining and mining contract industry and has held senior management positions including General Manager, Director and Chief Operating Officer at a number of mine operating and contracting companies.

During his career, Mr Wilson has worked in multiple jurisdictions including Australia, New Zealand, India, and Africa, and he has experience across a range of commodities including coking coal, heavy mineral sands and metalliferous mining. More recently, Mr Wilson was engaged as a consultant on a Heavy Mineral Sands project in Namaqualand, South Africa, and is currently Operations Director at Mine2Port Limited, an Australian company with interests in coking coal, rail and port logistics projects in Africa and the United States of America.

Mr Wilson was also appointed a Non-Executive Director of UK AIM listed company Kazera Global Plc in April 2023.

Board Recommendation

The Directors, with Mr Wilson abstaining, recommend Shareholders vote **in favour** of Mr Wilson's election.

Resolution 3: Appointment of Auditor

Section 327B(1) of the Corporations Act requires a public company to appoint an auditor at its first annual general meeting. Accordingly, the Company is seeking Shareholder approval of the appointment of William Buck (QLD) as the Company's External Auditor.

Pursuant to section 328B of the Corporations Act, the Company has received a valid notice nominating William Buck (QLD) to be appointed as the External Auditor of the Company. A copy of the notice of nomination is set out in Annexure A of this Notice of Meeting. William Buck (QLD) has provided to the Company its written consent to act as the Company's External Auditor in accordance with section 328A(1) of the Corporations Act.

Accordingly, Shareholder approval is being sought to appoint William Buck (QLD) as the External Auditor of the Company.

Board Recommendation

The Directors of the Company unanimously recommend that Shareholders vote **in favour** of Resolution 3.

Resolutions 4 and 5

1. Background to Resolution 4 and Resolution 5

1.1 Debt Conversion and Conditional Placement Agreement

On 10 October 2024, Paradise Marine Pty Ltd ACN 096 015 066 as Trustee for the James Superannuation Fund (**Investor**) advanced \$300,000 to the Company by way of an unsecured, interest-free loan (**Debt**).

As announced to the market on 11 October 2024, the Investor and the Company entered into an arrangement in relation to the repayment of the Debt and, subject to Shareholder approval, the placement of further Shares by the Company to the Investor over multiple tranches. The terms of this arrangement are set out in the Debt Conversion and Conditional Placement Agreement (**Agreement**) signed between the Company and the Investor on 10 October 2024.

Under the terms of the Agreement:

(a) Conversion of Debt to equity

Subject to obtaining Shareholder approval:

- (1) the Company and the Investor have agreed to repay the Debt by way of the issue of 50,000,000 Shares at an issue price of \$0.006 per Share (representing the 15-day VWAP at 30 September 2024) (**Stage 1 Shares**);
- (2) the Stage 1 Shares will be issued to the Investor free from any encumbrances on the date which is no later than 2 Business Days following the date on which Shareholder approval is obtained (**Stage 1 Completion Date**); and

EXPLANATORY NOTES

- (3) on and from completion of the issue of the Stage 1 Shares, the Company will have no further obligation to the Investor in respect of the Debt.

In the event that Shareholder approval is not obtained for the issue of the Stage 1 Shares (or if the Stage 1 Shares are otherwise unable to be issued on the Stage 1 Completion Date), the Company must repay the Debt to the Investor in cash by no later than 30 September 2025.

(b) **Subscription for further Shares**

Subject to Shareholder approval being obtained, the Investor has agreed to subscribe \$600,000 (**Subscription Monies**) for Shares (**Subscription Shares**) in the following tranches:

- (1) \$300,000 of the Subscription Monies (**Stage 2 Subscription Monies**) for Shares (**Stage 2 Shares**) by no later than 5:00pm on 27 December 2024 (or such other date that is no later than one month after Shareholder approval is obtained); and
- (2) \$300,000 of the Subscription Monies (**Stage 3 Subscription Monies**) for Shares (**Stage 3 Shares**) by no later than 5:00pm on 31 March 2025 (or such other date that is no later than one month after Shareholder approval is obtained).

The Subscription Shares will be issued to the Investor at an issue price of:

- (1) in the event that the Company's Shares have not recommenced trading on the ASX (**Recommencement**) as at the relevant issue date, \$0.006 per Share; and
- (2) in the event that Recommencement has occurred by the relevant issue date, the price per Share that is equal to the average 15-day VWAP for the 15 Trading Days up to and including the Trading Day prior to the issue date of the relevant Subscription Shares and, in the case of the Stage 2 Shares, a minimum issue price of \$0.004 per Share.

For the avoidance of doubt, the Agreement provides that the Investor will not hold more than 19.99% of the Shares in the Company upon the issue of the Stage 2 Shares.

1.2 **Requirement for Shareholder approval**

The Investor and the Company share a common director (namely Mr Raymond James) and are therefore Related Parties within the meaning of the Listing Rules and the Corporations Act.

Shareholder approval is required under Listing Rule 10.11 for an entity to issue securities to a Related Party. Accordingly:

- Resolution 4 seeks Shareholder approval for the conversion of the Debt to Shares (i.e. the issue of the Stage 1 Shares to the Investor) in accordance with Listing Rule 10.11; and
- Resolution 5 seeks Shareholder approval to issue the Stage 2 Shares.

Having regard to the timing of the issue for the Stage 3 Shares, approval for the issue of the Stage 3 Shares will be sought from Shareholders at a further general meeting.

Chapter 2E of the Corporations Act may also require approval for the issue of securities to a Related Party if one of the exceptions set out in that Chapter do not apply. The Board considers that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required for the issue of the Stage 1 Shares or Stage 2 Shares on the basis that the "arms' length" exception in section 210 of the Corporations Act is available to the Company for these transactions. A detailed examination of Chapter 2E is set out in each of Resolution 4 and Resolution 5 below.

The funds raised under the Agreement (including the subscription monies paid by the Investor for the Subscription Shares) will be used by the Company primarily for general working capital (**Proposed Activities**).

EXPLANATORY NOTES

Resolution 4 – Approval for the issue of the Stage 1 Shares to the Investor under Listing Rule 10.11

2.1 Background

As described in section 1.1, the Company entered into the Agreement with the Investor on 10 October 2024 and the Investor advanced the Debt to the Company on the same date.

The Company intends to repay the Debt through the issue of 50,000,000 Shares to the Investor at an issue price of \$0.006 per Share, representing the 15-day VWAP at 30 September 2024 (**Stage 1 Shares**).

Resolution 4 is an Ordinary Resolution and seeks Shareholder approval pursuant to Listing Rule 10.11 to issue the Stage 1 Shares to the Investor in accordance with the terms of the Agreement. As approval is being sought under Listing Rule 10.11, Shareholder approval will not be required under Listing Rule 7.1 pursuant to Listing Rule 7.2 (Exception 14).

In order for the Stage 1 Shares to be issued to the Investor, the requirements of Chapter 2E of the Corporations Act must also be considered.

2.2 Listing Rule 10.11

Listing Rule 10.11 provides that a company must not, subject to specified exceptions, issue or agree to issue Equity Securities to any of the following persons without Shareholder approval:

- **10.11.1:** a related party.
- **10.11.2:** a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company.
- **10.11.3:** a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so.
- **10.11.4:** an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3.
- **10.11.5:** a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders.

As the Investor is controlled by a director of the Company (namely, Mr Raymond James), and is therefore a Related Party of the Company, the issue of the Stage 1 Shares will be restricted in accordance with Listing Rule 10.11.1 unless one of the exceptions within Listing Rule 10.12 applies.

None of the exceptions under Listing Rule 10.12 apply to the issue of the Stage 1 Shares and, as such, Shareholder approval is sought under Resolution 4.

If Resolution 4 is passed, the Company will be able to issue the Stage 1 Shares to the Investor. The Stage 1 Shares will be issued in full and final satisfaction of the Debt owed by the Company to the Investor and will satisfy the Company's obligations under the Agreement regarding the repayment of the Debt. Further, the issue of the Stage 1 Shares will not take up any of the Company's 15% placement capacity as, pursuant to Listing Rule 7.2 (Exception 14), Listing Rule 7.1 will not apply since the issue of the Stage 1 Shares was approved by Shareholders under Listing Rule 10.11.

If Resolution 4 is not passed, the Company will not be entitled to issue the Stage 1 Shares to the Investor pursuant to the terms of the Agreement and will be required to repay the Debt (being the sum of \$300,000) in cash on or before 30 September 2025.

2.3 Listing Rule 7.1

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

Listing Rule 7.2 (Exception 14) provides that Listing Rule 7.1 does not apply to an issue of securities made with the approval of the holders of the entity's ordinary securities under Listing Rules 10.11 or 10.14.

Accordingly, since Resolution 4 seeks Shareholder approval pursuant to Listing Rule 10.11, the Board is not seeking Shareholder approval for the issue of the Stage 1 Shares under Listing Rule 7.1 pursuant to Listing Rule 7.2 (Exception 14).

EXPLANATORY NOTES

(10.13.5) The date or dates on or by which the entity will issue the securities	The Stage 1 Shares will be issued on the Stage 1 Completion Date, but no later than 1 month after the date of the Meeting (or such later date to the extent permitted by an ASX waiver or modification of the Listing Rules).
(10.13.6) The price or other consideration the entity will receive for the issue	The Stage 1 Shares will be issued in full and final satisfaction of the repayment of the Debt and will have an issue price of \$0.006 per Share (representing the 15-day VWAP at 30 September 2024) pursuant to the terms of the Agreement.
(10.13.7) The purpose of the issue, including the intended use of any funds raised by the issue	The Stage 1 Shares are being issued as repayment of Debt owed by the Company to the Investor (in the sum of \$300,000).

(10.13.9) If the securities are being issued under an agreement, a summary of any other material terms of the agreement	The summary of the material terms of the Agreement are set out above in section 1.1.
(10.13.10) Voting exclusion statement	A voting exclusion statement is set out under Resolution 4 in the Notice of Meeting.

2.5 Chapter 2E of the Corporations Act – Financial benefits

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of a public company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) prior Shareholder approval is obtained to the giving of the financial benefit.

A "Related Party" is defined widely in section 228 of the Corporations Act and includes, relevantly, a director (or proposed director) of a public company, any entity that controls (or is reasonably likely to control) a public company, and any entity that is controlled by a person or entity which is otherwise a related party, or there are reasonable grounds to believe that a person/entity is likely to become a related party of the public company.

EXPLANATORY NOTES

A “Financial Benefit” for the purposes of the Corporations Act has a very wide meaning. It includes the public company paying money or issuing securities to the related party. In determining whether or not a financial benefit is being given, it is necessary to look to the economic and commercial substance and effect of what the public company is doing (rather than just the legal form). Any consideration which is given for the financial benefit is to be disregarded, even if it is full or adequate.

Resolution 4, if passed, will confer a financial benefit to the Investor (who, as noted above, is a Related Party of the Company). However, the Stage 1 Shares for which approval is being sought are proposed to be issued in payment of the Debt which would otherwise be payable by the Company to the Investor in cash. The Debt was provided by a related party on an interest-free and unsecured basis to the Company. The Board (other than Mr James) is of the view that the issue of the Stage 1 Shares to satisfy the repayment of the Debt to the Investor constitutes a financial benefit given on terms that are reasonable in the circumstances if the Company and the Investor were parties dealing at arm's length, or less favourable to the related party than such terms, in accordance with the exception set out in section 210 of the Corporations Act.

Accordingly, the Board (other than Mr James) considers that Shareholder approval is not required under Chapter 2E of the Corporations Act as the Board (other than Mr James) is of the view that the “arms’ length” exception in section 210 of the Corporations Act is available to the Company.

Board Recommendation

The Directors of the Company (with Mr Raymond James abstaining) recommend that Shareholders vote **in favour** of Resolution 4.

Resolution 5 – Approval for the issue of the Stage 2 Shares to the Investor under Listing Rule 10.11

3.1 Background

As described in section 1.1, the Investor has agreed to subscribe for the Subscription Shares under the terms of the Agreement.

The Company intends to issue the Stage 2 Shares to the Investor for the Stage 2 Subscription Monies at an issue price (**Issue Price**) of:

- (1) in the event that the Company's Shares have not recommenced trading on the ASX (**Recommencement**) as at the issue date, \$0.006 per Share; and
- (2) in the event that Recommencement has occurred by the issue date, the price per Share that is equivalent to the average 15-day VWAP for the 15 Trading Days up to and including the Trading Day prior to the issue date of the Stage 2 Shares (**15-day VWAP**), provided that the Issue Price shall be not be less than \$0.004 per Share.

For the avoidance of doubt, the Agreement provides that the Investor will not hold more than 19.99% of the Shares in the Company upon the issue of the Stage 2 Shares.

Resolution 5 is an Ordinary Resolution and seeks Shareholder approval pursuant to Listing Rule 10.11 to issue the Stage 2 Shares to the Investor in accordance with the terms of the Agreement. As approval is being sought under Listing Rule 10.11, Shareholder approval will not be required under Listing Rule 7.1 pursuant to Listing Rule 7.2 (Exception 14).

In order for the Stage 2 Shares to be issued to the Investor, the requirements of Chapter 2E of the Corporations Act must also be considered.

3.2 Listing Rule 10.11

A summary of Listing Rule 10.11 is provided above in section 2.2.

As the Investor is controlled by a director of the Company (namely, Mr Raymond James), and is therefore a Related Party of the Company, the issue of the Stage 2 Shares will be restricted in accordance with Listing Rule 10.11 unless one of the exceptions within Listing Rule 10.12 applies.

None of the exceptions under Listing Rule 10.12 apply to the issue of the Stage 2 Shares and, as such, Shareholder approval is sought under Resolution 5

If Resolution 5 is passed, the Company will be able to issue the Stage 2 Shares to the Investor. Upon completion of the issue of the Stage 2 Shares, the Investor will pay \$300,000 to the Company in immediately available funds

EXPLANATORY NOTES

in accordance with the terms of the Agreement. Further, the issue of the Stage 2 Shares will not take up any of the Company's 15% placement capacity as, pursuant to Listing Rule 7.2 (Exception 14), Listing Rule 7.1 will not apply since the issue of the Stage 2 Shares was approved by Shareholders under Listing Rule 10.11.

If Resolution 5 is not passed, the Company will not be entitled to issue the Stage 2 Shares to the Investor pursuant to the terms of the Agreement and will likely be required to arrange alternative funding for its Proposed Activities. There is no guarantee that any alternative funding arrangements will be negotiated on more favourable terms than the terms set out in the Agreement.

3.3 Listing Rule 7.1

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

Listing Rule 7.2 (Exception 14) provides that Listing Rule 7.1 does not apply to an issue of securities made with the approval of the holders of the entity's ordinary securities under Listing Rules 10.11 or 10.14.

Accordingly, since Resolution 5 seeks Shareholder approval pursuant to Listing Rule 10.11, the Board is not seeking Shareholder approval for the issue of the Stage 2 Shares under Listing Rule 7.1 pursuant to Listing Rule 7.2 (Exception 14).

3.5 Chapter 2E of the Corporations Act – Financial benefits

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of a public company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) prior Shareholder approval is obtained to the giving of the financial benefit.

A summary of Chapter 2E of the Corporations Act is provided above in section 2.5

Resolution 5, if passed, will confer a financial benefit to the Investor (who, as discussed above, is a Related Party of the Company). The Board (other than Mr James) is of the view that the Stage 2 Shares for which approval is being sought are proposed to be issued to the Investor on arm's length terms, having regard to the current circumstances of the Company. Further, the Board (other than Mr James) is of the view that, to the extent the issue of the Stage 2 Shares constitutes a financial benefit, that benefit will be given on terms that are reasonable in the circumstances if the Company and the Investor were parties dealing at arm's length, or less favourable than such terms, in accordance with the exception set out in section 210 of the Corporations Act.

Accordingly, The Board (other than Mr James) considers that Shareholder approval is not required under Chapter 2E of the Corporations Act as the Board (other than Mr James) is of the view that the "arms' length" exception in section 210 of the Corporations Act is available to the Company.

Board Recommendation

The Directors of the Company (with Mr Raymond James abstaining) recommend that Shareholders vote **in favour** of Resolution 5.
