

PROPOSED CONSOLIDATION OF SHARE CAPITAL

Resolution Minerals Ltd (RML or Company) (ASX: **RML**) advises that it is seeking shareholder approval at its Annual General Meeting on 29 November 2024 to consolidate the issued capital of the Company through the conversion of every eight (8) existing securities into one (1) security (Consolidation).

The Consolidation is proposed to reduce the Company's shares, options and performance rights on issue to a level that better reflects the Company's position and provides a share price that is more appealing to a wider range of investors.

The Consolidation applies equally to all shareholders and as such the shareholders proportional interest in the Company's issued capital will remain unchanged (other than minor variations resulting from the rounding of fractional shareholdings).

The Board unanimously recommend that shareholders vote FOR the proposed Consolidation. For full details of the proposed Consolidation please refer to the AGM Notice lodged immediately following this announcement.
