

Webinar: Iondrive's Battery Recycling PFS

Iondrive Limited (ASX: ION) ("Iondrive" or the "Company") invites shareholders and interested parties to a live webinar hosted by Iondrive CEO, Dr Ebbe Dommisse, where Dr Dommisse will present the latest developments following the finalisation of the Company's PFS activities for its DES battery recycling technology.

Webinar Details:

- **Date:** Thursday, 7th November 2024
- **Time:** 12 pm AEDT / 9pm WST
- **Registration Link:**
- https://us02web.zoom.us/webinar/register/WN_2ri4DupuTtKAC_eZy9yMVg

This webinar will focus on the outcomes of the PFS activities, highlighting the commercial viability, economic advantages, and environmental benefits of Iondrive's DES battery recycling technology. Ebbe Dommisse will provide insights into the next steps, including the commercialisation pathway including pilot plant development and ongoing industry partnerships.

Authorised for release by the Company Secretary of Iondrive Limited.
