4 November 2024

Dear CDI Holder,

On behalf of the Directors of Nyrada Inc. (**Nyrada or Company**), I am pleased to offer you the opportunity to participate in Nyrada's Security Purchase Plan (**SPP**).

The SPP gives Eligible CDI Holders the opportunity to acquire up to \$30,000 of new fully paid CDIs in Nyrada (**New CDIs**), at a discount (see "*Price*" under section titled "*Key features of the SPP*" below) and without incurring brokerage or transaction costs. The SPP aims to raise approximately \$1 million and is not underwritten. Nyrada may determine to raise a higher amount or decide to scale back Applications under the SPP at its absolute discretion.

On 4 November 2024, Nyrada completed a placement of new fully paid CDIs to sophisticated and professional investors raising approximately \$3,290,000 (before costs) (**Placement**). In addition, a further \$70,000 is proposed to be raised from the participation of two Directors in the Placement, subject to CDI Holder approval. Further details of the Placement can be found in the ASX announcement dated 28 October 2024, which is available at www.asx.com.au and www.nyrada.com.

The proceeds from the Placement and the SPP will be used for:

- completion of Phase 1a clinical trial for NYR-BI03;
- preparation and submission of Investigational New Drug (IND) applications with the US Food and Drug Administration (FDA);
- further research and development of NYR-BI03 in cardiac heart disease and other potential indications; and
- working capital and the costs of the Placement and the SPP.

I encourage Eligible CDI Holders to participate in the SPP and take advantage of the opportunity to acquire additional Nyrada CDIs at an Issue Price of \$0.12 per CDI, being the same issue price as the issue price under the Placement.

Key features of the SPP

- **Price** – CDIs are offered under the SPP at an Issue Price of \$0.12 per New CDI, which represents a 16.2% discount to the volume weighted average price of Nyrada CDIs traded on the ASX over the last five days on which sales in Nyrada CDIs were recorded before 28 October 2024¹ (being the date on which the SPP and the Placement were announced).
- **Eligible CDI Holders** – Participation in the SPP is optional and is open to Eligible CDI Holders, including Eligible CDI Holders who are custodians on behalf of Eligible Beneficiaries on the term and conditions set out in this Offer Booklet.

Your right to participate in the SPP is not transferable.

- **Offer Period** – The SPP opens on Monday, 4 November 2024, and is expected to close at 5.00pm (Sydney time) on Monday, 2 December 2024.
- **Priority** – All New CDIs issued under the SPP will rank equally with existing Nyrada CDIs.

¹ The relevant five days are 17 October 2024 to 23 October 2024.

The terms and conditions of the SPP are set out in this Offer Booklet. I urge you to read this Offer Booklet in its entirety, and seek your own financial, taxation and other professional advice in relation to the SPP before you decide whether to participate.

Key Information on the SPP

This section outlines the key information on the SPP. You should read this section in conjunction with the attached Terms and Conditions of the SPP.

1. What is the Security Purchase Plan (SPP)?

The SPP being offered by Nyrada gives Eligible CDI Holders the opportunity to subscribe for up to \$30,000 worth of New CDIs in Nyrada (without incurring brokerage or other transaction costs).

New CDIs issued under the SPP will rank equally with all other fully paid CDIs on issue in the capital of Nyrada.

2. Do I have to participate in the SPP?

No, participation in the SPP is entirely voluntary.

Before you decide whether to participate in the SPP, Nyrada recommends you seek independent financial advice from your broker, accountant or other professional adviser.

If you do not wish to participate in the SPP, do nothing.

3. What is the Issue Price of the New CDIs under the SPP?

The Issue Price of each New CDI issued under the SPP will be \$0.12 per New CDI, which represents a 16.2% discount to the volume weighted average price of Nyrada CDIs traded on the ASX over the last five days on which sales in Nyrada CDIs were recorded before 28 October 2024² (being the date on which the SPP and the Placement were announced).

The number of New CDIs to be issued to each applicant will be calculated by dividing the amount subscribed for by the applicant (subject to any scale back at the discretion of Nyrada) by the Issue Price. Fractions will be rounded up to the nearest whole New CDI.

There is a risk that the market price of Nyrada CDIs may rise or fall between the date of the offer under this Offer Booklet and the time of issue of New CDIs under the SPP. This means that the Issue Price for the New CDIs may be less than or more than the market price of CDIs at the date of this Offer Booklet or at the Issue Date. Your Application is unconditional and may not be withdrawn even if the market price of Nyrada CDIs is less than the Issue Price.

4. How much will Nyrada raise under the SPP?

Nyrada is seeking to raise approximately \$1 million under the SPP. Nyrada may, at its discretion, determine to raise a higher amount.

5. How will the funds raised from the SPP be utilised by Nyrada?

The proceeds from the SPP and Placement will be used for:

- completion of Phase 1a clinical trial for NYR-BI03;
- preparation and submission of Investigational New Drug (IND) applications with the US Food and Drug Administration (FDA);
- further research and development of NYR-BI03 in cardiac heart disease and other potential indications; and
- working capital and the costs of the Placement and the SPP.

² The relevant five days are 17 October 2024 to 23 October 2024.

Further information regarding the Placement can be found in the Company's ASX announcement dated 28 October 2024.

6. Am I eligible to participate in the SPP?

CDI Holders who are registered holders of Nyrada CDIs at 7.00pm (Sydney time) on Friday, 25 October 2024 (**Record Date**) with a registered address either in Australia or New Zealand (provided that such CDI Holder is not in the United States, or acting for the account or benefit of a US Person) (**Eligible CDI Holder**) are eligible to participate in the SPP.

Custodians who are Eligible CDI Holders may apply for New CDIs on behalf of their beneficial holders as at the Record Date, according to the terms set out in attached Terms and Conditions of the SPP. Custodians must certify that each Eligible Beneficiary for whom it applies for New CDIs has a registered address in Australia or New Zealand.

The Board of Nyrada has determined that it is either not lawful or not practical for CDI Holders in other jurisdictions to participate in the SPP.

7. What do I do if I am a Custodian?

The SPP is being extended to Eligible CDI Holders who are Custodians and who wish to apply for New CDIs on behalf of certain Eligible Beneficiaries.

The SPP is being offered to Custodians as the registered CDI Holder. Custodians are not required to participate on behalf of their Eligible Beneficiaries. Custodians may choose whether or not to extend the SPP to their Eligible Beneficiaries.

If you wish to apply as a Custodian under the SPP to receive New CDIs for one or more Eligible Beneficiaries, you must complete and submit a Custodian Certificate that contains further certifications and details (as required under the terms of the ASIC Instrument) before your Application will be accepted. Applications by Custodians that are not accompanied by a duly completed Custodian Certificate will be rejected. By applying as a Custodian on behalf of Eligible Beneficiaries to purchase New CDIs, you certify (amongst other things) that each Eligible Beneficiary has not exceeded the \$30,000 limit under the ASIC Instrument.

To request a Custodian Certificate or for further information about the Custodian application process, please contact Automic from 8.30am to 7.00pm (Sydney time) Monday to Friday on 1300 288 664 (callers within Australia) and on +61 2 9698 5414 (callers outside Australia).

Custodians must not participate in the SPP on behalf of, and must not distribute this Offer Booklet or any documents relating to this SPP to, any US Person.

A Custodian will be ineligible to participate in the SPP if their participation would be in breach of the ASIC Instrument.

Custodian Certificates should be returned to custodialcertificates@automicgroup.com.au.

8. How many CDIs can I apply for under the SPP?

You may apply for a minimum of \$2,500 and up to a maximum of \$30,000 of New CDIs under the SPP. Applications must be in the following parcels (each, an **Application Parcel**):

Application	Number of CDIs	Application	Number of CDIs
\$2,500	20,834	\$20,000	166,667

\$5,000	41,667	\$25,000	208,334
\$10,000	83,334	\$30,000	250,000
\$15,000	125,000		

Applications may be scaled back at the absolute discretion of Nyrada.

9. How will the New CDIs be allocated?

The Nyrada Board may, in its absolute discretion, decide to issue any person fewer New CDIs than that person applied for under the SPP.

Without limiting the Board’s discretion, New CDIs will not be issued to an applicant if the issue of those New CDIs, either alone or in conjunction with the issue of New CDIs under other Applications received by Nyrada, would contravene any law, the Listing Rules, or the ASIC Instrument.

If Nyrada issues a lesser number of New CDIs than a CDI Holder has applied for (including under any scale back), application money received from that CDI Holder not applied in subscribing for New CDIs will be returned to the applying CDI Holder, without interest, by way of credit to their nominated account (as recorded with the Registry).

10. What happens if the SPP is oversubscribed?

The SPP aims to raise approximately \$1 million. If the SPP is oversubscribed, at the absolute discretion of the Nyrada Board, it may scale back the number of New CDIs that will be issued to individual CDI Holders under the SPP.

Nyrada may also decide to accept applications (in whole or in part) that result in the SPP raising more or less than this amount in its absolute discretion, but subject always to compliance with the ASIC Instrument (including the \$30,000 per holder limit), the Corporations Act and the Listing Rules, and providing that such oversubscriptions do not exceed the threshold of 30% of CDIs on issue imposed under Listing Rule 7.2 (Exception 5) and, if applicable, Listing Rule 10.12 (Exception 4).

11. Can my right to participate in the SPP be transferred?

No, offers made under the SPP are not renounceable. CDI Holders cannot transfer their right to acquire New CDIs under the SPP to any other person.

12. Is the SPP underwritten?

No, the SPP is not underwritten.

13. How do I apply for New CDIs under the SPP?

Applications to acquire New CDIs under SPP must be made in one of the following two ways. By applying for New CDIs under the SPP, you agree to be bound by the attached Terms and Conditions of the SPP.

Pay via BPAY

To pay via BPAY, you will need to:

- use the specific Biller Code and your unique Customer Reference Number (CRN) shown on your Application Form which is required to identify your CDI holding;
- be an account holder with an Australian financial institution; and

- ensure that your payment for the appropriate amount that supports BPAY transactions is received by the Registry by **5.00pm (Sydney time) on Monday, 2 December 2024**. Financial institutions may implement earlier cut-off times with regards to electronic payment, and you should therefore take this into consideration when making payment.

Pay via Electronic Funds Transfer (EFT)

To pay via EFT, you will need to:

- use the unique payment reference shown on your Application Form which is required to identify your CDI holding; and
- ensure that your payment for the appropriate amount that supports EFT transactions is received by the Registry by **5.00pm (Sydney time) on Monday, 2 December 2024**. Financial institutions may implement earlier cut-off times with regards to electronic payment, and you should therefore take this into consideration when making payment.

If you have multiple holdings and consequently receive more than 1 personalised Application Form, only use the CRN or unique EFT payment reference specific to that holding. If you do not use the correct CRN or payment reference specific to that holding, your Application will not be recognised as valid.

Important Notice and Disclaimer

This Offer Booklet does not provide financial advice and has been prepared without taking account of any person's investment objectives, financial situation or particular needs. You should consider the appropriateness of participating in the SPP having regard to your investment objectives, financial situation and particular needs. CDI Holders should seek independent financial and taxation advice before making any investment decision in relation to these matters.

ASIC relief

The offer of New CDIs under the SPP is made in accordance with ASIC Class Order [CO 14/827] *Offers of CHESS Depositary Interests* and the ASIC Instrument, which grant relief from the requirement for Nyrada to prepare a disclosure document for the SPP subject to certain terms and conditions. This Offer Booklet is not a prospectus or disclosure document under Chapter 6D of the Corporations Act.

Overseas CDI Holders

The laws of some countries prohibit or make impractical, participation in the SPP by certain overseas CDI Holders. CDI Holders who are not resident in Australia or New Zealand will not be able to participate in the SPP. The SPP does not constitute an offer of Nyrada CDIs for sale in any other jurisdiction.

Custodians and other trustees or nominees may not distribute any part of this document, and may not permit any beneficial CDI holder to participate in the SPP, in any country outside Australia or New Zealand.

New Zealand

The New CDIs offered under this SPP are not being offered or sold to the public within New Zealand other than to existing CDI Holders of Nyrada at the Record Date with registered addresses in New Zealand to whom the offer of New CDIs is being made in reliance on the *Financial Markets Conduct (Incidental Offers) Exemption Notice 2021* (New Zealand).

This Offer Booklet has not been registered, filed with or approved by any New Zealand regulatory authority under the *Financial Markets Conduct Act 2013* (New Zealand). This Offer Booklet is not a product disclosure statement under New Zealand law and is not required to, and may not, contain all the information that a product disclosure statement under New Zealand law is required to contain.

United States

This Offer Booklet may not be released to US wire services or distributed in the United States. This Offer Booklet does not constitute an offer to sell, or a solicitation of an offer to buy, securities in the United States or to, or for the account or benefit of, US Persons. The New CDIs have not been, and will not be, registered under the US Securities Act or the securities laws of any state or other jurisdiction of the United States. The New CDIs may not be offered, sold or otherwise transferred in the United States except in a transaction exempt from, or not subject to, the registration requirements of the US Securities Act and the applicable securities laws of any state or other jurisdiction in the United States.

Resale restrictions under US law

The New CDIs are being made available to securityholders who are resident in Australia and New Zealand in reliance on the exemption from registration provided by Regulation S under the US Securities Act for offers of securities made outside the United States to persons that are not, and are not acting for the account or benefit of, US Persons. As a result of relying on the Regulation S exemption, the New CDIs will be deemed to be "restricted securities" (as defined in Rule 144 under the US Securities Act). This means that investors will not be able to sell such securities into the United

States or to a US Person for a period of 12 months from the date of allotment of the securities under the SPP, unless the resale of the securities is registered under the US Securities Act or an exemption is available (including Rule 144A under the US Securities Act).

To enforce the above transfer restrictions, the CDIs will contain a legend to the effect that transfer is prohibited except in accordance with Regulation S of the US Securities Act or pursuant to an available exemption from registration; and that hedging transactions involving the CDIs may not be conducted unless in compliance with the US Securities Act.

In addition, the CDIs will continue to bear a "FOR US" designation on the ASX. This designation effectively prevents the security from being sold on the ASX to US Persons that are not "qualified institutional buyers" (as defined in Rule 144A under the US Securities Act). Investors will still be able to freely transfer their securities on ASX to any non-US Person as well as to qualified institutional buyers. Finally, all investors subscribing for New CDIs will be required to make certain representations and warranties regarding their non-US status in their applications.

SPP Terms and Conditions

If you participate in the SPP (by making payment by EFT or BPAY), you are accepting the risk that the market price of Nyrada CDIs may change between the Opening Date and the Issue Date. This means that the Issue Price for the New CDIs may be less than or more than the market price of CDIs at the Opening Date or the Issue Date. Your Application is unconditional and may not be withdrawn even if the market price of Nyrada CDIs is less than the Issue Price.

Please read these terms and conditions carefully, as you will be bound by them in participating in the SPP.

The Key Information on the SPP, Important Notice and Disclaimer and Glossary sections of this Offer Booklet form part of these terms and conditions.

The Glossary section contains definitions of some of the terms used in these terms and conditions.

1. Offer

- 1.1 Nyrada Inc. offers each Eligible CDI Holder the opportunity to purchase up to \$30,000 worth of New CDIs under the Security Purchase Plan (**SPP**) subject to and in accordance with these terms and conditions (**Offer**).
- 1.2 The Offer is dated and taken to be made with effect from 9.00am on the Opening Date. Applications may be made on and from 9.00am (Sydney time) on the Opening Date.
- 1.3 You are eligible to participate in the Offer if you:
 - (a) were registered on the Register as a CDI Holder on the Record Date;
 - (b) have a registered address in either Australia or New Zealand at that time; and
 - (c) are not in the United States and are not acting for the account or benefit of a US Person.
- 1.4 The Offer is also extended to Eligible CDI Holders who are Custodians, in accordance with clauses 2.2 and 3.3 below.
- 1.5 The Offer is not made to CDI Holders with a registered address outside of Australia or New Zealand.
- 1.6 The Offer closes on the Closing Date and all Applications and payments of application money must be received by the Registry by the Closing Date.
- 1.7 Each Offer is made on the same terms and conditions. All Eligible CDI Holders will receive the same offer, irrespective of the number of CDIs which they hold on the Record Date.
- 1.8 The Offer is non-transferable and therefore Eligible CDI Holders cannot transfer their right to purchase New CDIs under the SPP to any other person.
- 1.9 Participation in the Offer is voluntary. It is a matter for each Eligible CDI Holder to decide whether or not they apply for New CDIs under the Offer.
- 1.10 The Offer is not underwritten.

2. Joint holders and Custodians

- 2.1 If two or more persons are registered on the Register as jointly holding CDIs, they are taken to be a single registered holder of CDIs for the purposes of determining whether they are an

Eligible CDI Holder and a certification given by any of them is taken to be a certification given by all of them.

- 2.2 Subject to these terms and conditions, Eligible CDI Holders who are Custodians may participate in the Offer on behalf of each Eligible Beneficiary on whose behalf the Custodian is holding CDIs.

3. Application for New CDIs

- 3.1 An Eligible CDI Holder may apply for New CDIs in the following parcels (each, an **Application Parcel**):

Application	Number of CDIs	Application	Number of CDIs
\$2,500	20,834	\$20,000	166,667
\$5,000	41,667	\$25,000	208,334
\$10,000	83,334	\$30,000	250,000
\$15,000	125,000		

Applications must be for a minimum of \$2,500 and a maximum of \$30,000.

- 3.2 To apply for New CDIs, Eligible CDI Holders must make a payment for the application amount via EFT or BPAY in accordance with the instructions on the Application Form so that the payment is received by the Closing Date.
- 3.3 If you wish to apply for New CDIs as a Custodian for one or more Eligible Beneficiaries, you must also complete and submit a Custodian Certificate that contains further certifications and details (required under the ASIC Instrument) before your Application will be accepted. Applications by Custodians that are not accompanied by a duly completed Custodian Certificate will be rejected.
- 3.4 In any consecutive 12 month period, the maximum value of CDIs for which each Eligible CDI Holder may subscribe under the SPP is \$30,000 (or such other amount as the Board may determine in its discretion). This limit applies to each CDI Holder even if that person holds CDIs in more than one capacity - for example, as a sole holder and as a first (or subsequent) named holder of two or more joint holders. However, a trustee or nominee expressly noted on the Register may receive an Offer for each occasion they are separately recorded as a trustee or nominee for a different beneficiary named on the Register.
- 3.5 Nyrada and its officers and agents may refuse to accept or may suspend or withdraw any Application for New CDIs at their discretion, including if:
- (a) that Application might:
 - (i) prejudice the effective operation of the SPP; or
 - (ii) give rise to breaches of applicable laws or the Listing Rules;
 - (b) it appears that the applicant is not an Eligible CDI Holder;
 - (c) it appears that the applicant is applying to purchase more than \$30,000 worth of New CDIs in aggregate (including as a result of CDIs the applicant holds directly, jointly or through a custodian or nominee arrangement) or otherwise in contravention of the ASIC Instrument;

- (d) payment of the application money is not submitted in Australian currency;
- (e) the amount of the applicant's application money is not equal to an Application Parcel. If this occurs, Nyrada may at its absolute discretion:
 - (i) refund in full the application money and not issue any New CDIs to the applicant; or
 - (ii) issue to the applicant the number of New CDIs that would have been issued had the applicant applied for the highest designated amount that is less than the amount of their payment and refund the excess of their application money.

3.6 If you are entitled to a refund of all or any of your application money, the refund will be paid to you, without interest, as soon as is practicable by:

- (a) direct credit to your nominated account (as recorded by the Registry); or
- (b) if you do not have a nominated account (as recorded by the Registry), Nyrada will issue a withholding advice to your registered address (as recorded on the Register) to obtain nominated account details before refunding.

4. New CDIs

4.1 New CDIs issued under the SPP will rank equally in all respects with existing CDIs.

4.2 New CDIs will be issued on the Issue Date.

4.3 Nyrada will apply to ASX for quotation of New CDIs on the ASX. It is anticipated that the New CDIs will be quoted on the ASX immediately after their issue.

4.4 The Registry will send you a holding statement, confirming the issue of New CDIs, on or around Tuesday, 10 December 2024.

5. Issue Price and market price

5.1 The Issue Price per New CDI will be \$0.12 per New CDI. For the purposes of the ASIC Instrument, Nyrada notes that:

- (a) Nyrada's rationale for pricing the CDIs under the SPP at \$0.12 is to ensure that Nyrada's existing CDI Holders are provided an opportunity to acquire CDIs for the same issue price as the persons who participated in the Placement.
- (b) On the last trading day prior to the announcement date of the SPP, being 23 October 2024, the closing price of the CDIs was \$0.14 per CDI. The Issue Price represents a 14.3% discount to that closing price.
- (c) The Issue Price represents a 16.2% discount to the volume weighted average price of CDIs traded on the ASX over the last five trading days on which sales in Nyrada CDIs were recorded before 28 October 2024³ (being the date on which the SPP and the Placement were announced), which was \$0.1432.
- (d) The Issue Price is less than the market price of CDIs during a 'specified period' in the 30 days before the date of the Offer (such specified period being 21 October 2024 to 23 October 2024).
- (e) The market price of CDIs may rise or fall between the Opening Date and the Issue Date. Accordingly, you should monitor Nyrada's announcements and CDI price,

³ The relevant five days are 17 October 2024 to 23 October 2024.

which can be found on Nyrada's website at www.nyrada.com and the ASX website.

- (f) If you participate in the SPP, you are accepting the risk that the market price of Nyrada CDIs may change between the Opening Date and the Issue Date. This means that the Issue Price for the New CDIs may be less than or more than the market price of CDIs at the Opening Date or the Issue Date. Your Application is unconditional and may not be withdrawn even if the market price of Nyrada CDIs is less than the Issue Price.

5.2 You agree to pay the Issue Price per New CDI for the number of New CDIs calculated under clauses 6.1 and 6.2 (subject to clause 7 if there is a scale back).

5.3 Ordinarily, for a security purchase plan to fall within the exception to the 15% issue capacity under Listing Rule 7.1. as set out in Listing Rule 7.2 (Exception 5), the issue price of securities under the security purchase plan must be more than 80% of the average market price of the company's securities in the relevant class (in this case, the CDIs) calculated over the five day period in which sales occurred prior to the announcement of the security purchase plan. This exception is only available once in any 12 month period.

5.4 Under the terms of the SPP, these conditions have been met, given that the \$0.12 issue price is higher than the calculated 80% floor price, being \$0.1146 and Nyrada has not conducted a security purchase plan in the previous 12 months.

5.5 Accordingly, the offer of CDIs under this SPP is not subject to receipt of CDI Holder approval for the purposes of Listing Rule 7.1.

6. Number of New CDIs to be issued

6.1 If you apply for New CDIs, you will apply for a certain value, rather than a certain number, of New CDIs. If your application is accepted, Nyrada will divide the value of your application money by the Issue Price in order to determine the number of New CDIs which, subject to scale back, will be issued to you.

6.2 If this calculation produces a fractional number, the number of New CDIs issued will be rounded up to the nearest whole New CDI.

6.3 If applicable, you must accept a lesser number of New CDIs issued to you than applied for and must accept a refund of the application money in relation to those New CDIs applied for but which are not issued to you, without interest.

7. Scale back

7.1 The Nyrada Board may, at its discretion, undertake a scale back of applications for New CDIs to the extent and in the manner it sees fit.

7.2 If there is a scale back, you may receive less than the parcel of New CDIs for which you have applied and your excess application money will be refunded to you in accordance with clause 3.6.

8. Acknowledgements and warranties

8.1 By making a payment via EFT or BPAY, you:

- (a) are deemed to have accepted the Offer and you irrevocably and unconditionally agree to the terms and conditions of the SPP and the terms and conditions of the Application Form and agree not to do any act or thing that would be contrary to the spirit, intention or purpose of the SPP;
