

Release of Securities from Voluntary Escrow

Microba Life Sciences Limited (ASX: MAP) (“Microba” or the “Company”), a company at the forefront of microbiome diagnostics & therapeutics, advises that it has 85,000 fully paid ordinary shares (“Shares”) that are subject to voluntary escrow.

The Shares were issued under the Company’s Employee Share and Option Plan (“Plan”). In accordance with the terms of the Plan, the Shares must be held for a minimum of three-years or until employment ceases.

The Company advises that, in accordance with ASX Listing Rule 3.10A, it will be releasing these 85,000 Shares from voluntary escrow on 19 November 2024 due to the shares being held for the required three-year period.

The release of the ordinary shares does not change the issued capital of the Company.
