Dear ASX Compliance

IDENTITII LIMITED ("ID8"): Price - Query

Identitii Limited refers to your letter dated 12 November 2024 entitled "Identitii Limited ('ID8'): Price – Query".

ASX's queries relate to:

- A. The change in the price of ID8's securities from a closing price of \$0.016 on 8 November 2024 to an intraday high of \$0.022 at the time of writing today, 12 November 2024.
- B. The significant increase in the volume of ID8's securities traded over this period.

ID8 responds to ASX's queries as follows:

- 1. Is ID8 aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?**

Identitii is not aware of any information that is not in the market that could explain the recent trading in securities.

- 2. If the answer to question 1 is "yes".**

(a) Is ID8 relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in ID8's securities would suggest to ASX that such information may have ceased to be confidential and therefore ID8 may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.

(b) Can an announcement be made immediately? Please note, if the answer to this question is “no”, you need to contact us immediately to discuss requesting a trading halt (see below).

(c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?

Not applicable.

3. If the answer to question 1 is “no”, is there any other explanation that ID8 may have for the recent trading in its securities?

John Rayment, Managing Director of Identitii, has just concluded a non-deal roadshow hosted by Spark Plus meeting with current and prospective investors in Australia, Singapore and Hong Kong and telling Identitii’s story.

While the information presented on the non-deal roadshow did not contain any non-public information, nor any information concerning ID8 that had not been previously disclosed to the market, it is possible that the roadshow generated renewed interest from investors and supported by the recent announcement regarding the patent infringement case milestone against JP Morgan Chase (**JPMC**), led to the trading activity.

In addition to this, JPMC announced on 6th November 2024 that they have renamed their Onyx platform Kinexys. Onyx is the JPMC platform which is the subject of the pending patent infringement case Identitii has filed in the United States District Court for the District of Delaware. This announcement could also have generated renewed interest from investors in the patent infringement case and led to the trading activity.

Lastly, a team from Identitii also attended the Singapore Fintech Festival from 6th November 2024 - 8th November 2024 where they spent significant time telling the Identitii story, and while the information presented did not contain any non-public information, it is possible that their presence at this global industry event generated renewed interest from investors and led to the trading activity.

The Company is not aware of any other factors that may be responsible for the trading activity.

4. Please confirm that ID8 is complying with the Listing Rules and, in particular, Listing Rule 3.1.

Identitii confirms that it is complying with the Listing Rules and, in particular, Listing Rule 3.1.

5. Please confirm that ID8’s responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of ID8 with delegated authority from the board to respond to ASX on disclosure matters.

I confirm that the responses provided in this letter have been authorised and approved by an officer of Identitii with delegated authority from the Board to respond to ASX on disclosure matters.

Yours sincerely
