

Webinar – VHD Technology

Green Critical Minerals Ltd ('GCM' or 'the Company') (ASX:GCM) is pleased to advise that Managing Director, Clinton Booth, will host a live investor webinar on Monday 18th November 2024. The webinar will include a detailed overview of its latest acquisition – the VHD Technology, which is an advanced technology that converts graphite into very high-density graphite blocks.

The webinar will be held on Monday, 18th November 2024 commencing at 8.00am AWST / 11.00am AEDT. Investors can register to join the webinar via the following link:
