EXPLANATORY STATEMENT

PURPOSE OF INFORMATION

The Explanatory Statement has been prepared for the information of Shareholders in connection with the business to be conducted at the Meeting to be held at Karstens Melbourne, Level 8, 123 Queen Street, Melbourne, VIC, 3000 on 17 December 2024 at 9:00am (AEDT).

The Explanatory Memorandum forms part of the Notice which should be read in its entirety. The Explanatory Memorandum contains the terms and conditions on which the Resolutions will be voted.

The Explanatory Memorandum includes information to assist Shareholders in deciding how to vote on the Resolutions.

A Proxy Form is made available at the end of the Explanatory Statement.

BACKGROUND TO THE PLACEMENT

On 28 October 2024, the Company announced a capital raising to raise \$12,500,000 (before costs) through the issue of 25,000,000 Shares at an issue price of \$0.50 per Share (Placement Shares), with 1 free attaching unlisted Option for every 2 Placement Share subscribed for and issued, exercisable at \$0.75 each and expiring 2 years from the date of issue (Placement Options) (Placement).

The Placement is being undertaken in the following tranches:

- 13,600,000 Placement Shares issued to unrelated parties on 4 November 2024 using the Company's available placement capacity under Listing Rule 7.1, the subject of Resolution 1;
- 11,000,000 Placement Shares issued to unrelated parties on 4 November 2024 using the Company's available placement capacity under Listing Rule 7.1A, the subject of Resolution 2;
- 12,300,000 Placement Options to be issued to unrelated parties subject to Shareholders approving Resolution 3 (Placement Options); and
- 400,000 Placement Shares (Director Placement Shares) and 200,000 Placement Options (Director Placement Options) (Director Placement Securities) subject to Shareholders approving Resolutions 4(a), 4(b) and 4(c).

The Company engaged Pac Partners Securities Pty Ltd and Arlington Group Asset Management (Lead Managers) as lead managers and brokers to the Placement. The Lead Managers received a cash fee of 6% of funds raised under the Placement and 1,500,000 Options (Lead Managers Options). The Lead Managers Options will be issued subject to Shareholders approving Resolution 5.

Resolutions 1 and 2: Ratification of issue of Placement Shares

General

The background of the Placement and the Placement Shares is set out in above.

Resolution 1 seeks the approval of Shareholders to ratify the issue of 13,600,000 Placement Shares issued pursuant to Listing Rule 7.1.

Resolutions 2 seeks the approval of Shareholders to ratify the issue of 11,000,000 Placement Shares issued pursuant to Listing Rule 7.1A.

Listing Rules 7.1, 7.1A and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. At the Company's Annual General Meeting held on 22 April 2024 the Company sought and obtained approval of its Shareholders under ASX Listing Rule 7.1A to increase this 15% limit by an extra 10% to 25%.

The issue of the Placement Shares does not fit within any of the exceptions to Listing Rules 7.1 or 7.1A and, as it has not yet been approved by Shareholders, effectively uses up the Company's placement capacities under Listing Rules 7.1 and 7.1A. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rules 7.1 and 7.1A for the 12-month period following the issue of the Placement Shares.

Listing Rule 7.4 provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to Listing Rules 7.1 or 7.1A (and provided that the previous issue did not breach Listing Rules 7.1 or 7.1A), those Equity Securities will be deemed to have been made with shareholder approval for the purpose of Listing Rules 7.1 or 7.1A.

The effect of Shareholders passing of Resolutions 1 and 2 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% and 10% placement capacity set out in Listing Rules 7.1 and 7.1A without the requirement to obtain prior Shareholder approval.

If Resolution 1 is passed, 13,600,000 Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 1 is not passed, 13,600,000 Placement Shares will continue to be included in the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 13,600,000 Equity Securities for the 12-month period following the issue of those Placement Shares.

If Resolution 2 is passed, 11,000,000 Placement Shares will be excluded in calculating the Company's 10% limit in Listing Rule 7.1A, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 2 is not passed, 11,000,000 Placement Shares will continue to be included in the Company's 10% limit under Listing Rule 7.1A, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 11,000,000 Equity Securities for the 12-month

period following the issue of those Placement Shares.

The Company confirms that Listing Rule 7.1 or 7.1A was not breached at the time the Placement Shares were issued.

Specific Information Required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation Resolutions 1 and 2:

The Placement Shares the subject of Resolutions 1 and 2 were issued to new and existing investors, including sophisticated and professional investors (**Placement Participants**), none of whom is a related party or a member of the Company's key management personnel or an advisor to the Company or an associate to any of these parties. Jupiter Investment Management Ltd is a substantial shareholder (>10%) holding approximately 15.9% of the Company's shares post the Placement subscribed for 3,000,000 Shares from the Placement. The Bank of Nova Scotia is a substantial shareholder of the Company (<10%) and subscribed for 1,400,000 Shares from the Placement. No other participants in the Placement are substantial shareholders of the Company. The Placement Participants were identified through a bookbuild process, which involved the Lead Managers seeking expressions of interest to participate in the Placement from new and existing contacts of the Company and clients of the Lead Managers.

A total of 13,600,000 Placement Shares were issued using the Company's available placement capacity under Listing Rule 7.1 (ratification of which is sought under Resolution 1). A total of 11,000,000 Placement Shares were issued using the Company's available placement capacity under Listing Rule 7.1A (ratification of which is sought under Resolution 2).

The Placement Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.

The Placement Shares were issued on 4 November 2024 at an issue price of \$0.50 each. The Company has not and will not receive any other consideration for the issue of the Placement Shares.

The proceeds from the issue of the Placement Shares are intended to continue to be used towards:

- (i) exploration and drilling activities;
- (ii) general working capital; and
- (iii) costs of the Placement.

There are no other material terms to the agreement for the subscription of the Placement Shares.

A voting exclusion statement is included in the Notice.

Additional Information

Resolutions 1 and 2 are ordinary resolutions.

The Board recommends that Shareholders vote in favour of Resolutions 1 and 2.

Resolution 3 – Approval to issue Placement Options

Background

The background of the Placement and Placement Options is set out in previously in this Explanatory Statement. Resolution 3 seeks the approval of Shareholders pursuant to and in accordance with Listing Rule 7.1 to issue the Placement Options.

Listing Rule 7.1

A summary of Listing Rules 7.1 is set out previously in this Explanatory Statement.

The issue of the Placement Options does not fit within any of the exceptions to Listing Rule 7.1. It therefore requires the approval of the Company's Shareholders under Listing Rule 7.1.

The effect of Shareholders passing of Resolution 3 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% placement capacity set out in Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 3 is passed, the Company can proceed to issue the 12,300,000 Placement Options without using up any of the Company's 15% limit on issuing Equity Securities without shareholder approval under Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of the 12,300,000 Placement Options. As at the date of this Notice, the Company does not have sufficient placement capacity to issue the 12,300,000 Placement Options. Accordingly, the Company will not be able to proceed with the issue if Resolution 3 is not passed unless it has sufficient placement capacity following the Meeting.

Specific information required by Listing Rule 7.3

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 3:

- The Placement Options will be issued to the Placement Participants
- A maximum of 12,300,000 Placement Options will be issued to the Placement Participants.
- The Placement Options are exercisable at \$0.75 each and expire 2 years from the date of issue are otherwise subject to the terms and conditions set out Schedule 1.
- The Placement Options will be issued no later than 3 months after the date of the Meeting.
- The Placement Options are being issued as free attaching Options to the Placement Shares. Accordingly, nil additional cash consideration will be payable by the Placement Participants.
- A summary of the intended use of funds raised from the Placement is set out previously in this Explanatory Statement. No additional funds will be raised by the issue of the Placement Options. Any funds raised upon exercise of the Placement Options will be used towards exploration and drilling activities and general working capital purposes.
- There are no other material terms to the proposed issue of the Placement Options.
- A voting exclusion statement is included in the Notice.

Additional information

Resolution 3 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of Resolution 3.

Voting Exclusions

A voting exclusion statement is set out in this Notice.

Resolutions 4(a), 4(b) and 4(c) – Approval to issue Director Placement Securities

General

The background to the Placement is set out previously in the Explanatory Statement.

The Directors wish to participate in the Placement to the extent of subscribing for up to 400,000 Director Placement Shares and 400,000 Director Placement Options to raise up to \$200,000 (before costs) in the following proportions:

Director	Amount committed to the Placement	Director Placement Shares	Director Placement Options
John Skeet Resolution 4(a)	\$50,000	100,000	50,000
Craig Sharpe Resolution 4(b)	\$50,000	100,000	50,000
Garry Thomas Resolution 4(c)	\$100,000	200,000	100,000
TOTAL	\$200,000	400,000	200,000

Resolutions 4(a), 4(b) and 4(c) seeks Shareholder approval pursuant to Listing Rule 10.11 for the issue of the Director Placement Securities to the Directors (or their respective nominees).

Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to any of the following persons without the approval of its Shareholders:

- a related party (Listing Rule 10.11.1);
- a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (30%+) in the company (Listing Rule 10.11.2);
- a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (10%+) in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so (Listing Rule 10.11.3);
- an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3 (Listing Rule 10.11.4); or

- a person whose relation with the company or a person referred to in Listing Rule 10.11.1 or 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders (Listing Rule 10.11.5).

The Directors are each a related party of the Company by virtue of being Directors. Shareholder approval pursuant to Listing Rule 10.11 is therefore required unless an exception applies. It is the view of the Board that the exceptions set out in Listing Rule 10.12 do not apply in the current circumstances.

Approval pursuant to Listing Rule 7.1 is not required for the issue of the Director Placement Securities as approval is being obtained under Listing Rule 10.11. Accordingly, the issue of the Director Placement Securities to the Directors (or their respective nominees) will not be included in the Company's 15% annual placement capacity pursuant to Listing Rule 7.1.

The effect of Shareholders passing Resolutions 4(a), 4(b) and 4(c) will be to allow the Company to issue the Director Placement Securities, raising up to \$200,000 (before costs).

If Resolutions 4(a), 4(b) and 4(c) are not passed, the Company will not be able to proceed with the issue of the Director Placement Securities and will not receive the additional \$200,000 (before costs) committed by the Directors.

Specific information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to the proposed issue of the Director Placement Securities:

- The Director Placement Securities will be issued to the Directors (or their respective nominees) in the manner set out in the previous table in the Explanator Statement for this Resolution.
- Each of the Directors fall into the category stipulated by Listing Rule 10.11.1 by virtue of being Directors of the Company.
- A maximum of 400,000 Director Placement Shares and 200,000 Director Placement Options will be issued to the Directors (and/or their respective nominees).
- The Director Placement Shares will be fully paid ordinary Shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.
- The Director Placement Options will be exercisable at \$0.75 each and will expire 2 years from the date of issue. The Director Placement Options are subject to the terms and conditions in Schedule 1.

Any funds raised upon exercise of the Director Placement Options will be used to fund exploration expenditure and for general working capital purposes.
- A summary of the intended use of funds raised from the Placement is set out previously in this Explanatory Statement. No additional funds will be raised by the issue of the Director Placement Options.
- The proposed issue of the Director Placement Securities is not intended to remunerate or incentivise the Directors.
- There are no other material terms to the proposed issue of the Director Placement Securities. The Director Placement Securities will not be issued pursuant to an agreement.

- A voting exclusion statement is included in the Notice.

Chapter 2E of the Corporations Act

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

- obtain Shareholder approval in the manner set out in section 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The proposed issue of the Director Placement Securities constitutes giving a financial benefit to related parties of the Company.

The Board considers that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Director Placement Securities because the Securities will be issued on the same terms as those Securities issued to non-related party participants in the Placement and as such the giving of the financial benefit is on arm's length terms.

Additional information

Resolutions 4(a), 4(b) and 4(c) are separate ordinary resolutions.

The non-participating Directors recommend Shareholders vote in favour of of Resolutions 4(a), 4(b) and 4(c). John Skeet, Craig Sharpe and Garry Thomas make no recommendation as a result of their personal interest in the Resolutions.

Listing Rule 7.1

A summary of Listing Rules 7.1 is set out previously in this Explanatory Statement.

The issue of the Lead Managers Options does not fit within any of the exceptions to Listing Rule 7.1. It therefore requires the approval of the Company's Shareholders under Listing Rule 7.1.

The Company will bear all costs of this solicitation. The Company has arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). The Company has also arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners). The Company will pay for Intermediaries to forward this document, the proxy form or a voting instruction form to objecting beneficial owners under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators. As a result, objecting beneficial owners will receive this document and associated meeting materials from their Intermediary.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the "**Proxy**") are officers of the Company or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and participate on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy or otherwise in accordance with applicable law.**

Registered Shareholders or their respective duly appointed proxyholders are entitled to attend and vote their Common Shares at the Meeting. Registered Shareholders who are unable to or do not wish to attend the Meeting and who wish to ensure that their Common Shares will be voted at the Meeting are urged to complete, sign and deliver the enclosed form of Proxy to Computershare in accordance with the instructions and timing requirements set forth herein and on the form of Proxy.

In order to be valid and acted upon at the Meeting, forms of proxy must be returned to the aforesaid address not later than 48 hours (excluding Saturdays, Sundays and holidays) before the time set for the holding of the Meeting or any adjournments thereof. Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and
- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see "*Voting by Non-Registered Shareholders*" below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

If you have the right to vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified;
- (ii) any amendment to or variation of any matter identified therein; and
- (iii) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that may come before the Meeting.

Voting by Registered Shareholders

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to Computershare, in accordance with the instructions on the Proxy. In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used. If completed Proxies are received after said deadline, they shall not be accepted for the purpose of voting at the Meeting unless authorized by the Chair of the Meeting, in his or her sole discretion.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. as nominee for The Canadian Depository for Securities Limited (which acts as depository for many Canadian brokerage firms and custodian banks), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through Computershare). If you have declined to disclose your ownership information, you will receive a request for voting instructions from your Intermediary. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent from Broadridge will name the same persons as the Company's Proxy to represent you at the Meeting. **Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity.** To exercise this right to attend the Meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. The voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.

Compensation Discussion and Analysis

The overall objective of the Company's compensation strategy is to offer short-term, medium-term and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest caliber and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the CEO, if any, in this regard. The Company currently has short-term, medium-term and long-term compensation components in place, and intends to further develop these compensation components. The objectives of the Company's compensation policies and procedures are to align the interests of the Company's employees with the interests of its shareholders.

The Board of Directors assumes all responsibilities of the compensation committee. All tasks related to developing and monitoring the Company's approach to the compensation of officers of the Company and to developing and monitoring the Company's approach to the nomination of directors to the Board are performed by Board. The compensation of the NEOs and the Company's employees are reviewed, recommended and approved by the Board.

Compensation to NEOs may include a base salary that constitutes the Company's short-term compensation component. Such salary takes into account his or her existing professional qualifications and experience. The NEOs' performances and salaries are to be reviewed periodically on the anniversary of their employment with the Company. Increases in salary are to be evaluated on an individual basis and are performance and market-based.

The Company may also grant incentive securities to NEOs to satisfy the long-term compensation component. The Board may also award bonuses to its NEOs. The amount and award of such bonuses is discretionary, depending on, among other factors, the financial performance of the Company and the position of a NEO. The objective of the Company's base salary and bonus compensation elements is to compensate NEO's at competitive market levels in order to attract and retain the best individuals for these positions in order to achieve the Company's long-term plans and objectives. In addition, the objective of the Company's incentive option compensation is to align each NEO's interests with the interests of the Shareholders. Depending on the NEO's position, the amount of the grant, and other factors, the vesting schedule of incentive option grants is generally over a one year to a three-year period. This enables the incentive option grant to provide both short-term and long-term incentive components to employees, which the Company believes better aligns the NEO's interests with those the Shareholders, as it provides incentives for the NEO to consider the longer-term

business interests of the Company when fulfilling the duties of their role.

To make its recommendations on the compensation of our NEO's, the Board takes into account the types of compensation and the amounts paid to directors and officers of a peer group of companies listed on the ASX stock exchange in the same or similar industry with market capitalizations under \$50 million which included Golden Mile Resources Ltd and Lightning Minerals Ltd.

In determining the amount of incentive option grants to the CEO, the Compensation Committee considers market levels of grants to the peer group of comparable companies used to determine overall compensation levels. For grants to NEO's other than the CEO, the Board considers recommendations from its senior executive officers, in addition to considering market levels of compensation for similar roles at comparable companies, and overall business performance.

The Company has not placed any restrictions on an NEO or a director's ability to purchase financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Risks Associated with Compensation Policies and Practices

In fulfilling its duties for oversight and administration of the Company's executive compensation program, the Board considers risks associated with the Company's compensation policies and practices. The potential risks of the Company's compensation policies and practices are considered on an annual basis as part of the evaluation of the NEO's performance and determination of the overall compensation for the coming year, and more frequently where required or where appropriate. The Board mitigates the risk of an NEO taking excessive or inappropriate risks by structuring the overall compensation to include both short-term and long-term components as well as fixed and variable elements. The long-term compensation includes investment options, which helps align management's interests with those of the Company, and helps to manage risk by linking a portion of the NEO's overall compensation to the longer term performance of the Company.

Performance Graph

Pursuant to section 2.2(a)(iii) of National Instrument 51-102F6, a performance graph is not required to be included in this document.

Share-based and Option-based Awards

The Company provides Option-based Awards to its employees and executive officers, and the Company may offer Share-based Awards to executive officers. Option-based Awards are generally granted to employees and executive officers on an annual basis based on the Company's performance, the individual's role, and the individual's performance based on the expectations of the role. In addition, option-based awards are typically granted to NEO's on their initial hire date as part of their long-term compensation. Previous grants are taken into account when considering new grants of incentive options.

Compensation Governance

The Company's Board acts as the Compensation Committee. Craig Sharpe is the chair of the Board and is considered independent. All tasks related to developing and monitoring the Company's approach to the compensation of officers of the Company and to developing and monitoring the Company's approach to the nomination of directors to the Board are performed by the Compensation Committee. The compensation of the NEOs and the Company's employees are reviewed, recommended and approved by the Board.

Narrative Discussion

Equity Incentive Plan

The Company has adopted a equity incentive plan (the “Plan”) which states that the Board may, from time to time, in its discretion, grant to eligible participants incentive options to purchase Shares. The Plan is a “rolling” stock option plan, whereby the aggregate number of Shares reserved for issuance, together with any other Shares reserved for issuance under any other plan or agreement of the Company, shall not exceed ten (10%) percent of the total number of issued Shares (calculated on a non-diluted basis) at the time an option is granted. As at the date hereof, there are 3,350,000 incentive options outstanding under the Plan.

Pension Plan Benefits

The Company does not have any defined benefit or defined contribution pension plans in place which provide for payments or benefits at, following, or in connection with retirement. The Company does not have a deferred

compensation plan with respect to any NEO.

Termination and Change of Control Benefits

Except as described below, the Company does not have any contracts, agreements, plans or arrangements that provides for payments to a director or NEO at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of the Company or a change in an NEO's responsibilities.

If the award agreement for the grant of incentive options so provides, in the event of a change of control (as defined in the Plan), all incentive options granted to a participant that ceases to be an eligible person shall become fully vested and shall become exercisable by the participant in accordance with the terms of such award agreement and the Plan, as applicable. No acceleration of the vesting of any incentive options shall be permitted without prior TSX Venture Exchange review and acceptance for incentive options issued to persons conducting investor relations activities.

- (3) Option-based awards calculated at the fair market value at the time of grant under the Black-Scholes method.

Narrative Description

The Company's non-executive directors are eligible for incentive options and other performance based securities pursuant to the Plan which are typically granted on an annual basis and are based on business performance, personal performance, and are granted at a level that is consistent with director incentive option grants of comparable public companies.

The Non-Executive Directors and other executive may receive a superannuation guarantee contribution required by the government, which was 11%, and do not receive any other retirement benefits. Some individuals, however, may choose to sacrifice part of their salary to increase payments towards superannuation. All remuneration paid to directors and executives is expensed as incurred. Executives are also entitled to participate in the Company's incentive option scheme. Incentive options are valued using the Black-Scholes methodology.

Non-Executive Directors remuneration is set from a pool that is approved by shareholders, which presently is set at \$250,000 per annum. The Non-Executive Director fees have not been increased since the Company's initial public offering in 2002 and the Company has a policy of obtaining shareholder approval for any share based remuneration (such as incentive options) to be granted to Directors in accordance with the ASX Listing Rules. The Board policy is to remunerate Non-Executive Directors at market rates based on comparable companies for time, commitment and responsibilities. The Board determines payments to non-executive Directors and reviews their remuneration annually,

based on market practice, duties and accountability. Independent external advice is sought when required. There is no direct relationship between the remuneration policy and the Company's performance.
