

## ASX Release

15 November 2024

### Update on Capital Return ATO Draft Class Ruling

Bravura Solutions Limited (ASX: BVS) (Bravura or the Company) refers to the proposed return of capital of \$73.2 million to Bravura shareholders (Capital Return) as approved by shareholders at the Company's 2024 Annual General Meeting.

As outlined in the explanatory statement and notice of meeting released by Bravura on 1 October 2024, Bravura has applied to the Australian Tax Office (ATO) for a Class Ruling to confirm the income tax consequences of the Capital Return for Bravura Shareholders who hold their shares on capital account for tax purposes.

The Company is pleased to advise it has now received a draft Class Ruling from the ATO.

The draft Class Ruling is not binding on the ATO and may not be relied upon by Shareholders until a final Class Ruling is issued by the ATO. Consistent with usual practice, the final Class Ruling will not be published by the ATO until after the payment date for the Capital Return.

When the final Class Ruling is issued by the ATO, it will be published on the ATO's website (<https://www.ato.gov.au>) and the Company's website.
