ASX Announcement

Correction – Appendix 2A

TZ Limited (“**TZ**” or the “**Company**”) advises that due to a clerical error, the number of options that were exercised was overstated by 11,418 units in the Appendix 2A - Application for quotation of securities lodged on 14 November 2024.

The total number of options that were exercised and converted to ordinary shares is therefore corrected as follows:

Convertible Securities Exercised:	Unlisted options exercisable at \$0.075 per option expiring on 23 March 2025 (Options)
Total Number of Convertible Securities Exercised:	8,997,653
Total Number of Ordinary Shares Issued:	8,997,653

The Company confirms that, following the conversion of the Options, the details of each class of the Company's equity securities are as follows:

Quoted securities	TZL : ORDINARY FULLY PAID	265,580,767
Unquoted securities	TZLAQ : OPTION EXPIRING VARIOUS DATES EX VARIOUS PRICES	6,914,347

A Correction Appendix 2A is being lodged in conjunction with this announcement.

Authorised for release by the Board of Directors.
