Update on GQG Partners Strategy Investments in Adani Group Companies

We are monitoring the charges brought today by the US Attorney's Office for the Eastern District of New York and the US Securities and Exchange Commission against Gautam Adani and certain other Adani Group executives and companies. Our team is reviewing the emerging details and determining what, if any, actions for our portfolios are appropriate. We note that, consistent with our portfolio construction guidelines, GQG portfolios make diversified investments and in aggregate in excess of 90% of our clients' assets are invested in issuers unrelated to the Adani Group.

AUTHORISATION

Frederick H. Sherley, GQG's General Counsel and Secretary, has authorised this announcement being given to ASX.
