About Centrex Limited

Centrex Limited is looking to secure Australasia's sustainable agriculture future through the exploration and development of its wholly owned Ardmore Phosphate Project and Oxley Potash Project. The products from both projects are necessary ingredients for global food production and human nutrition. The Centrex Limited fertiliser projects are located near to established energy and transport infrastructure that are necessary for access to established agricultural markets. The Company is also continuing its copper-gold-base metal exploration projects near Goulburn in the Lachlan Fold Belt in New South Wales.
