## **WHITEFIELD INCOME LIMITED ANNOUNCES THAT IT HAS NOW CLOSED ITS IPO AT THE \$200M ISSUE MAXIMUM**

Whitefield Income Limited is pleased to announce that it has now closed its IPO, having raised the Offer's \$200m maximum subscription.

Whitefield Income aims to provide investors with an investment return from a diverse, actively managed strategy that systematically invests in S&P/ASX300 shares over their income recognition and dividend payment periods and which distributes return to shareholders through monthly franked dividends.

Whitefield Income's investment strategy has been operated by its investment manager in an unlisted fund for nearly 4 years prior to the launch of Whitefield Income Limited.

Commenting on the successful issue, chairman Angus Gluskie said "we are exceptionally pleased at the level of interest shown by investors in this strategy, which seeks to deliver quality of outcomes over the long term based on structure and system in contrast to strategies that rely solely on stock picking."

Whitefield Income is managed by the same investment team that manages Whitefield Industrials Limited, now in its 102<sup>nd</sup> year of continuous operation.
