ASX release (ASX:WOR)**WORLEY LIMITED****ADNOC GAS awards FEED for gas processing facilities at the Bab Gas Cap project in Abu Dhabi**

ADNOC Gas has awarded Worley Engineering Pty Ltd¹ the Front End Engineering and Design (FEED) contract for new gas processing facilities at the Bab Gas Cap (BGC) project in Abu Dhabi. This project aims to boost ADNOC Gas' current processing capacity by 20%, or over 1.8 billion standard cubic feet per day.

The BGC project's design scope includes the development of gas processing and conditioning units, dehydration units, acid gas, natural gas liquid (NGL) and sulphur recovery units, and CO₂ capture units.

Worley will provide FEED services through Worley's office in Abu Dhabi with support from Global Integrated Delivery, Digital Consulting and subject matter experts across other Worley locations. Worley categorizes this contract as transitional work.²

"We're pleased to continue our long-standing relationship with ADNOC in delivering this strategic project which contributes to strengthening our backlog." said Chris Ashton, Chief Executive Officer of Worley.

Authorized for release by Nuala O'Leary, Group Company Secretary.
