Iondrive Limited: Company Profile

Iondrive, listed on the Australian Securities Exchange (ASX: ION), is a pioneering company in battery recycling technology. Its patented Deep Eutectic Solvent based Battery Recycling process uses an environmentally friendly solvent to safely and efficiently extract critical components from used lithium-ion batteries, offering a superior alternative to conventional methods.

Iondrive also holds exclusive global licenses from the University of Adelaide for advanced battery technologies, including a high-performance lithium-ion battery and a cost-effective, water-based battery with extended cycle life.
