About Oar Resources Limited

Oar Resources Limited (ASX: OAR) is a mineral exploration company with a high potential asset portfolio in safe jurisdictions and diversified across commodity. OAR aims to advance its projects across Namibia, Brazil and Australia, refining its focus, and potentially unlocking shareholder value through divestment or spin out options for the Oar Graphite Project in South Australia. OAR is currently focussed on its uranium projects in Namibia and Brazil, with the Company exploring options to expand its land position.

Name Change

The Company has received the approval of Shareholders for the Company to change its name to “Core Energy Minerals Ltd”. The Company has also reserved the ticker code “CR3” with ASX which will also change after ASX has processed the change of name.
