 - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

The Company will also apply these voting exclusions to persons appointed as attorney by a Shareholder to attend and vote at the Extraordinary General Meeting under a power of attorney, as if they were appointed as a proxy.

Listing Rules

Broadly speaking, Listing Rule 7.1 limits the number of equity securities a company can issue in a 12 month period to 15% of its issued share capital, except for certain issues, including where first approved by shareholders.

Listing Rule 7.4 provides that an issue made under Listing Rule 7.1 is treated as having been made with Shareholder approval if the issue did not breach Listing Rule 7.1 and Shareholders of the company subsequently approve it.

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to a related party unless it obtains the approval of its shareholders.

1 Resolution 1 – Ratification of issue of Shares under Institutional Placement

1.1 Introduction

On 26 November 2024, the Company announced that it would undertake a capital raising to raise approximately \$57.1 million, comprising:

- (a) a fully underwritten placement to institutional and sophisticated investors to raise approximately \$44.4 million within the Company's Placement Capacity at that time under Listing Rule 7.1 (***Institutional Placement***), through the issue of 74,064,647 new Shares (***Institutional Placement Shares***) (representing approximately 15% of the total Shares of the Company prior to the issue);
- (b) subject to obtaining Shareholder approval and completion of the Institutional Placement, a further non underwritten placement to Phillips 66 to raise approximately \$7.7 million (***Conditional Placement***) of approximately 12,771,392 new Shares (***Conditional Placement Shares***); and
- (c) a non-underwritten share purchase plan to Eligible Shareholders to raise approximately \$5 million (before costs) (***SPP***) through the issue of up to 8,333,333 Shares (***SPP Shares***).

The Company has engaged Citigroup Global Markets Australia Pty Ltd (ABN 64 003 114 832 / AFSL 240992) and Jefferies (Australia) Pty Ltd (ABN 76 623 059 898) to act as bookrunners, lead managers

and underwriters of the Institutional Placement and as joint lead managers of the Conditional Placement pursuant to the Underwriting Agreement (**Joint Lead Managers**). The terms and conditions of the Underwriting Agreement are set out on pages 40 to 42 of the investor presentation released to ASX on 26 November 2024.

On 27 November 2024, the Company announced the successful completion of the Institutional Placement, which raised \$44.4 million at an offer price of A\$0.60 per new Share. The Institutional Placement Shares were issued on 2 December 2024 to institutional and sophisticated investors who participated in the Institutional Placement.

The issue of the Conditional Placement Shares to raise approximately \$7.7 million is subject to Shareholder approval (see Resolution 2), as Phillips 66 falls within Listing Rule 10.11.3 and none of the exceptions under Listing Rule 10.12 applies for the issue of the Conditional Placement Shares.

The issue of the SPP to raise approximately \$5 million (before costs) is subject to Shareholder approval, as the proposed issue of Shares under the SPP falls within Listing Rules 7.1 and 10.11.1 and none of the exceptions under Listing Rules 7.2 or 10.12 apply for the issue of the SPP Shares. The Company has obtained a waiver from ASX to enable the SPP to be conducted at the same price as the Institutional Placement and for the SPP Shares to be issued as an exception to the Company's Placement Capacity.

1.2 Use of funds

The proposed use of funds from the capital raising, including the Institutional Placement, the Conditional Placement and the SPP, will allow the Company to order, install and commission key equipment that is required to achieve commercial production of 3,000 tonnes per annum (tpa) at the Riverside facility in 2025. For further information, refer to the Company's announcements to ASX on 26 November 2024.

The Institutional Placement Shares were issued by the Company without prior Shareholder approval pursuant to its 15% annual Placement Capacity under Listing Rule 7.1.

1.3 Shareholder approval

Listing Rule 7.1 provides that during any 12 month period, a listed company must not (subject to certain exceptions), issue any equity securities, including securities with rights of conversion to equity, if the number of those securities exceed the Company's Placement Capacity. An issue of equity securities which has been approved by Shareholders under Listing Rule 7.1 does not count towards a company's Placement Capacity. Listing Rule 7.4 provides that an issue made under Listing Rule 7.1 is treated as having been made with Shareholder approval if the issue did not breach Listing Rule 7.1 and Shareholders of the company subsequently approve it.

The Company seeks Shareholder approval under Listing Rule 7.4 and for all other purposes to ratify the issue of the Institutional Placement Shares.

The Company wishes to maintain as much flexibility as possible to issue further equity securities in the future. If Resolution 1 is passed, the Institutional Placement Shares will not count towards the Company's Placement Capacity, effectively reinstating the Company's Placement Capacity by increasing the number of equity securities it can issue without Shareholder approval, which will provide the Company flexibility to issue Shares in the future without obtaining further Shareholder approval as required.

If Resolution 1 is not passed, the Institutional Placement Shares will count towards the Company's Placement Capacity, effectively decreasing the number of equity securities it can issue without Shareholder approval, which will impact on the Company's flexibility for future capital raisings.

1.4 Requirements of Listing Rule 7.5

In accordance with Listing Rule 7.5 the following information is provided in relation to Resolution 1:

- (a) The allottees of the Institutional Placement Shares were sophisticated and institutional investors who participated in the Institutional Placement, as determined by the Company in agreement with the Joint Lead Managers, in accordance with the objectives of the offer.
- (b) The Institutional Placement issue consisted of 74,064,647 Shares.
- (c) The Institutional Placement Shares were issued on 2 December 2024.
- (d) The issue price per Institutional Placement Share was A\$0.60.
- (e) The purpose of the Institutional Placement, including the use and intended use of funds, is set out in section 1.2 above.
- (f) There were no other material terms under agreements entered into with investors in respect of the issue of the Institutional Placement Shares.

A voting exclusion statement is included in this Notice.

2 Resolution 2 – Approval of issue of Shares to Phillips 66 under Conditional Placement

2.1 Introduction

A summary of the Conditional Placement is outlined in section 1.1 above. Phillips 66 is proposing to participate in the Conditional Placement.

2.2 Use of funds

The proposed use of funds from the Conditional Placement will allow the Company to order, install and commission key equipment that is required to achieve commercial production of 3,000 tonnes per annum (tpa) at the Riverside facility in 2025. For further information, refer to the Company's announcements . For further information, refer to the Company's announcement to ASX on 26 November 2024.

2.3 Shareholder approval

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to a related party and certain other parties referred to in Listing Rule 10.11 unless it obtains the approval of its shareholders.

The proposed issue of the Conditional Placement Shares to Phillips 66 falls within Listing Rule 10.11.3 and none of the exceptions under Listing Rule 10.12 applies, therefore requiring Shareholder approval under Listing Rule 10.11.

Resolution 2 seeks Shareholder approval under Listing Rule 10.11 and for all other purposes for the issue of Conditional Placement Shares to Phillips 66.

If Shareholder approval is given under Listing Rule 10.11, Shareholder approval is not required under Listing Rule 7.1, and the issue of the Conditional Placement Shares will not count towards the Company's Placement Capacity.

If Resolution 2 is passed, the Company will be able to issue the Conditional Placement Shares to Phillips 66.

If Resolution 2 is not passed, the Company will not be able to issue the Conditional Placement Shares to Phillips 66 and will need to seek alternative sources of funding.

2.4 Requirements of Listing Rule 10.13

In accordance with Listing Rule 10.13, the following information is provided in relation to Resolution 2:

- (a) The person participating in the Conditional Placement is Phillips 66.

- (b) Phillips 66 is a substantial (10%) holder in the Company and has nominated a director to the board of the Company, and is therefore subject to Listing Rule 10.11.3.
- (a) The number of Conditional Placement Shares for which approval is sought is 12,771,392 Shares.
- (b) It is intended that the Conditional Placement Shares will be issued on or about 29 January 2025, and in any event within 1 month of the date of this Meeting.
- (c) The issue price per Conditional Placement Share will be A\$0.60.
- (d) The purpose of the Conditional Placement, including the use and intended use of funds, is set out in section 1.2 above.
- (e) There were no other material terms under agreements entered into with investors in respect of the issue of the Conditional Placement Shares.

A voting exclusion statement has been included in this Notice.

3 Resolution 3 – Issue of Incentive Options to Andrew Liveris

3.1 Introduction

Resolution 3 seeks Shareholder approval to issue Incentive Options to Andrew Liveris.

Andrew Liveris was previously a director of the Company, but has now been engaged by the Company as a Strategic Advisor. His son, Mr Nicholas Liveris, is currently a director of the Company.

The proposed issue of the Incentive Options to Andrew Liveris are in recognition of services provided by Andrew as a strategic advisor to the Company.

3.2 Shareholder Approval

A summary of Listing Rule 10.11 is outlined in section 2.3 above.

The proposed issue of the Incentive Options to Andrew Liveris falls within Listing Rule 10.11.1 as Andrew Liveris is a related party of a Director of the Company (Nicholas Liveris). As none of the exceptions under Listing Rule 10.12 applies, Shareholder approval under Listing Rule 10.11 is required.

Resolution 3 seeks Shareholder approval under Listing Rule 10.11 and for all other purposes for the issue of Incentive Options to Andrew Liveris.

If Shareholder approval is given under Listing Rule 10.11, Shareholder approval is not required under Listing Rule 7.1, and the issue of the Incentive Shares will not count towards the Company's Placement Capacity.

If Resolution 3 is passed, the Company will be able to issue the Incentive Options to Andrew Liveris.

If Resolution 3 is not passed, the Company will not be able to issue the Incentive Options to Andrew Liveris.

3.3 Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions (such as reasonable remuneration or arms' length transaction) to the provision; or
- (b) prior shareholder approval is obtained for the giving of the financial benefit.

Related party is widely defined under the Corporations Act and includes directors and the children of the directors of a company. An exception to the requirement for shareholder approval is where the proposed

benefit is given in circumstances where the Company and the related party were dealing at arms' length, or on terms that are less favourable to the related party than these terms.

The Directors believe that Shareholder approval is not required under Chapter 2E of the Corporations Act as the Directors (other than Mr Nicholas Liveris) have, after considering all relevant factors, formed the view that the "arms' length" exception applies to the proposed issue of Incentive Options to Mr Andrew Liveris. In reaching this conclusion, the Directors have considered, and satisfied themselves, of the following factors.

- a comparison has been undertaken with comparable transactions on an arm's length basis;
- the nature and content of the bargaining process undertaken with Andrew Liveris in connection with the proposed issue;
- the impact of the transaction on the Company and non-associated members – in particular, the fact that the proposed issue of securities will not have a negative financial impact on the Company;
- other alternatives were considered;
- expert advice was obtained in structuring the package.

3.4 Requirements of Listing Rule 10.13

In accordance with Listing Rule 10.13, the following information is provided in relation to Resolution 3:

- (a) The Incentive Options will be issued to Andrew Liveris.
- (b) Andrew Liveris is a related party of a Director the Company (Nicholas Liveris), and is therefore subject to Listing Rule 10.11.1.
- (c) Approval is sought for 3,000,000 Incentive Options.
- (d) The material terms of the Incentive Options are set out in Annexure B.
- (e) Subject to shareholder approval being obtained at the Meeting, the Incentive Options will be issued on 22 January 2025 and in any event before the date that is 1 month after the date of the Meeting.
- (f) The Company will not receive any consideration for the issue of the Incentive Options. If the Incentive Options are exercised, the Company will receive cash consideration of \$0.60 per Incentive Option (being the same price of Shares under the Institutional Placement). Assuming all Incentive Options are exercised, the Company will receive \$1,800,000.
- (g) The purpose of the Incentive Options is to recognise the services provided by Mr Andrew Liveris in his capacity as strategic advisor to the Company.
- (h) There were no other material terms under agreements entered into with investors in respect of the issue of the Incentive Options.

A voting exclusion statement has been included in this Notice.

4 Resolution 4 – Approval of Performance Rights Plan

4.1 Introduction

Resolution 4 seeks Shareholder approval of the Performance Rights Plan for the purposes of Listing Rule 7.2, Exception 13.

The Performance Rights Plan was established in 2015 and was subsequently approved by Shareholders at the 2018 and 2021 Annual General Meetings and most recently at the 2022 Annual General Meeting. The plan has been developed to assist the Company to better align the interests of its current and future

Directors and executive management and senior leadership teams with the interests of its Shareholders, by linking part of their remuneration with the financial performance of the Company and therefore, drive the Company's performance.

Under the Performance Rights Plan, NOVONIX intends to grant Performance Rights to participants at no cost. Each Performance Right, once vested, will entitle the participant to acquire one Share, at no cost to the participant.

4.2 Shareholder approval

A summary of Listing Rule 7.1 is outlined in section 1.3 above.

Listing Rule 7.2, Exception 13 provides an exception under which an issuer can issue securities under an employee incentive scheme without utilising the Placement Capacity.

The operation of Exception 13 is two-fold. Firstly, the Company will be permitted to issue securities under the Performance Rights Plan in circumstances where that issue would otherwise cause the Company to exceed the Placement Capacity. Secondly, any Shares issued under the Performance Rights Plan within 12 months of a particular Reference Date will effectively be taken to increase the number of Shares on issue as at that Reference Date for the purposes of determining whether any subsequent issue of securities would exceed the Placement Capacity.

Exception 13 will apply to the Performance Rights Plan if, within three years before the issue date of securities under the Performance Rights Plan, Shareholders have approved the issue of securities under the Performance Rights Plan, as an exception to Listing Rule 7.1.

At the 2022 Annual General Meeting, the Performance Rights Plan was approved by Shareholders for the purposes of Exception 13 on the basis that the maximum number of equity securities proposed to be issued under the Performance Rights Plan for a three year period in reliance of Exception 13 will not exceed 25,000,000. Once this maximum number is exceeded, any issue of securities under the Performance Rights Plan will count towards the Company's Placement Capacity. Since the 2022 Annual General Meeting, the Company has issued 21,860,044 Performance Rights, and further Performance Rights are due to be issued shortly which, if issued, will result in the Company exceeding the maximum number approved by shareholders at the 2022 AGM.

The Company is seeking the approval of Shareholders to essentially increase the maximum number of equity securities proposed to be issued under the Performance Rights Plan over the next 3 years, without counting towards the Company's Placement Capacity (in reliance on Listing Rule 7.2, Exception 13), to 35,000,000 Performance Rights. The terms of the Performance Rights Plan have otherwise not materially changed since it was last approved by shareholders at the 2022 AGM.

The Board is empowered to operate the Performance Rights Plan and grant Performance Rights to eligible participants in accordance with the Listing Rules and on the terms set out in Annexure A of this Explanatory Memorandum.

If Resolution 4 is passed, the Performance Rights Plan will be approved and issues of equity securities under the Performance Rights Plan will not reduce the Company's Placement Capacity (up to the maximum number of equity securities specified in 4.3(c) below).

If Resolution 4 is not passed, the Performance Rights Plan will not be approved. In this case, the Company will still be permitted to issue equity securities under the Performance Rights Plan without needing to obtain shareholder approval (provided that the Company has sufficient Placement Capacity), however such issues will count towards the Company's Placement Capacity.

4.3 Requirements of Listing Rule 7.2, Exception 13

In accordance with Listing Rule 7.2, Exception 13, the following information is provided in relation to Resolution 4:

- (a) A summary of the terms of the Performance Rights Plan is provided in Annexure A to this Explanatory Memorandum.
- (b) 21,860,044 Performance Rights have been issued under the Performance Rights Plan since it was last approved by Shareholders at the Company's 2022 AGM.
- (c) The maximum number of equity securities proposed to be issued under the Performance Rights Plan following approval of Resolution 4 in reliance of Exception 13 shall not exceed 35,000,000.

A voting exclusion statement is included in this Notice.

The offer must be in writing, dated and specify, amongst other things, the number of Performance Rights for which the participants may accept and the date for acceptance, the date on which the Performance Rights vest and any conditions to be satisfied before vesting, and any other terms attaching to the rights.
Permitted Nominee	A participant that receives an offer for the grant of Performance Rights may nominate a body corporate Controlled by that participant, or any other entity to hold the rights on their behalf and the Board has discretion whether or not to accept such a nomination.
Vesting of Performance Rights	The Performances Rights vest upon satisfaction of any vesting conditions and any other conditions contained in the offer, provided any acquisition of Shares does not breach Corporations Act or the Listing Rules, if applicable. Each vested Performance Right entitles the holder to be issued one Share after the vesting date.
Cash settlement	The Board may, in its discretion, substitute the issue of Shares on vesting of Performance Rights by making a cash payment in an amount equivalent in value to the number of Shares to which the holder would otherwise be entitled on vesting of the Performance Rights multiplied by the market value of the Share on the date the Performance Rights vested.
Lapse	Unless the Board determines otherwise, unvested Performance Rights shall lapse immediately upon lawful termination or resignation of employment or consultancy arrangement, or if the rights are held by a permitted nominee and the grantee of the rights loses 'control' of that nominee, those rights will lapse immediately.
Rights of participants	Performance Rights issued under the Performance Rights Plan do not entitle the holder to notice of, or to vote at, or attend shareholders' meetings, or to receive any dividends declared by the Company. Should the Company undergo a reorganisation or reconstruction of capital or any other such change, the number of Shares over which a Right exists will be adjusted (as appropriate) to the extent necessary to comply with the Listing Rules applying to a reorganisation of capital.
Quotation	Performance rights will not be quoted on the ASX. the Company will apply for official quotation of any Shares issued under the Performance Rights Plan in accordance with the Listing Rules and having regard to any disposal restrictions.

Term	Summary of term
Assignment	Performance rights are not transferable or assignable without the prior written consent of the Board.
Termination or amendment	The Performance Rights Plan may be terminated or suspended at any time by the Board. To the extent permitted by the Corporations Act and the Listing Rules, the Board retains the discretion to vary the terms and conditions of the Performance Rights Plan except where the amendment would have the effect of materially adversely affecting or prejudicing the rights of any participant holding Performance Rights.
Change of control	In the event of a change of control event, the Board has discretion to determine whether unvested Performance Rights (or a pro-rata proportion of such rights) will automatically vest. If the Board determines that the rights will not vest, the rights will lapse or the Board may arrange for rights in the bidder to be granted to the holders on terms decided by the Board. If the Board determines that unvested rights will vest, the Board may issue shares to the holders of such rights, or arrange for shares or rights to be issued to holders of Performance Rights by the bidder, or any combination of the foregoing.
