If Resolutions 1 and 2 are not passed, the Company will not be able to proceed with the issue of the Evolution Shares or the Charrua Shares. As a result, the Company will need to satisfy the full repayment of the loan amounts of (in aggregate) \$300,000 to Evolution by 15 March 2025 and \$447,761.19 to Charrua by 8 July 2025 in cash in accordance with the terms of the loan agreements or otherwise renegotiate how the repay the full loan amounts to Evolution and Charrua.

The Directors recommend that Shareholders vote in favour of Resolutions 1 and 2.

## **2. Resolutions 3, 4 and 5: Approval to issue Shares on conversion of loans to Mr. Michael Povey, Mr. Kevin Lynn and Mr. John Featherby**

---

#### **General**

Each of the Company's directors, Mr. Michael Povey, Mr. Kevin Lynn and Mr. John Featherby, have made loan facilities available to the Company, for the following amounts:

- (a) Mr. Michael Povey: to a maximum of \$250,000, of which \$85,000 has been drawn down by the Company (**Povey Loan**);
- (b) Mr. Kevin Lynn: to a maximum of \$250,000, of which \$207,410 has been drawn down by the Company (**Lynn Loan**); and
- (c) Mr. John Featherby: to a maximum of \$250,000, of which \$50,000 has been drawn down by the Company (**Featherby Loan**).

Each of these loans were made on an unsecured basis, interest free, with a maturity date of 18 months after the loan agreements were entered, being 10 April 2024.

The loan facilities also include events of default (default of prepayment of loan, Company appointing a receiver or liquidator, entering into an arrangement with its creditors, a resolution being passed to wind up the Company or the Company committing an act of insolvency), which would cause the loans to become immediately repayable;

Each of Mr. Michael Povey, Mr. Kevin Lynn and Mr. John Featherby have agreed to, subject to shareholder approval and subject to shareholder approval of the Placement and the Placement reaching the Minimum Raise Amount, convert their loans into Shares at a deemed issue price of \$0.015, thus saving the Company the need to repay these loans in cash and further deplete its cash reserves.

This issue price is a 75% discount to the latest traded price prior to the announcement, being \$0.005 on 6 March 2023 (pre-Consolidation, which would be \$0.06 on a post-Consolidated basis), and is the same as the price of Shares under the Placement. The funds were loaned on an unsecured and interest free basis to sustain the Company whilst the Directors went about getting the Company in good order and other funding options on terms as beneficial to the Company were not available.

### **Chapter 2E of the Corporations Act**

Chapter 2E of the Corporations Act regulates the provision of "financial benefits" to "related parties" by a public company. Chapter 2E prohibits a public company from giving a financial benefit to a related party of the public company unless either:

- (a) the giving of the financial benefit falls within one of the nominated exceptions to the provisions; or
- (b) prior shareholder approval is obtained to the giving of the financial benefit.

A "related party" is widely defined under the Corporations Act and includes the directors of the company. As such, the Directors of the Company are related parties of the Company for the purposes of Section 208 of the Corporations Act.

A "financial benefit" is construed widely and in determining whether a financial benefit is being given, Section 229 of the Corporations Act requires that any consideration that is given is disregarded, even if the consideration is adequate. It is necessary to look at the economic and commercial substance and the effect of the transaction in determining the financial benefit. Section 229 of the Corporations Act includes as an example of a financial benefit,

the issuing of securities or the granting of an option to a related party.

The issue of the Povey Shares, Lynn Shares and Featherby Shares under Resolutions 3, 4 and 5 constitutes the provision of a financial benefit to a related party and therefore the Company seeks to obtain member approval in accordance with the requirements of Chapter 2E of the Corporations Act. For this reason, and for all other purposes, the following information is provided to Shareholders:

- (a) Mr. Michael Povey (for Resolution 3), Strategy Matters International Pty Ltd (for Resolution 4) and Jemaya Pty Ltd (for Resolution 5) are the Related Parties to whom the proposed resolutions would permit financial benefits to be given.
- (b) The nature of the financial benefit to be given is the issue of Shares in the Company.
- (c) Mr. Povey, Mr. Lynn and Mr. Featherby are the directors of the Company, and decline to give a recommendation to shareholders regarding their respective resolution due to their interest in their respective resolutions.
- (d) On issue of the Povey Shares, Lynn Shares and Featherby Shares pursuant to Resolutions 3, 4 and 5, the Company's issued Share capital will increase by 22,827,333 Shares representing a dilution of approximately 21.91% (on a pre-Placement basis, or 2.72% assuming all securities provided for in the Notice are issued).
- (e) The Company's shares have been suspended from trading since 6 March 2023. The last traded price prior to the suspension was \$0.005 (pre-Consolidation, which would be \$0.06 on a post-Consolidated basis).
- (f) The existing interests of Mr. Povey, Mr. Lynn and Mr. Featherby in the Company and their existing remuneration is summarized in section 9 below.
- (g) The Directors do not consider that there is an opportunity cost to the Company in issuing the Povey Shares, Lynn Shares and Featherby Shares as they will be issued in place of debts owed.
- (h) The Directors are not aware of any other information that is reasonably required by Shareholders to allow them to make a decision as to whether it is in the best interests of the Company to pass Resolutions 3, 4 and 5.

The indicative value of the Povey Shares, Lynn Shares and Featherby Shares is as follows:

Shares	Number of shares (post-Consolidation)	Indicative Value at last trading price being \$0.06 post- Consolidation (\$0.005 per share on 6 March 2023 pre- Consolidation)	Indicative Value at \$0.036 per share (post- Consolidation)	Indicative Value at Placement price* (\$0.015 per share post- Consolidation)

As the proposed issues of the Solidify Shares to Solidify is an issue to a Related Party of the Company, Shareholder approval pursuant to Listing Rule 10.11 is required unless an exception applies. It is the view of the of the Directors that the exceptions set out in Listing Rule 10.12 do not apply in the current circumstances.

As Shareholder approval is sought under Listing Rule 10.11, approval under Listing Rule 7.1 is not required. Accordingly, the issue of the Solidify Shares to Solidify (if approved) will not be included in the use of the Company's 15% annual capacity pursuant to Listing Rule 7.1.

### **Technical information required by Listing Rule 14.1A**

If Resolution 6 is passed, the Company will be able to proceed with the issue of the Solidify Shares. - give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out sections 210 to 216 of the Corporations Act.

The issue of the Solidify Shares to Solidify constitutes giving a financial benefit and Solidify is a Related Party of the Company as outlined above.

*\*Information regarding the determination of the Placement price is set out in section 10 of the Explanatory Memorandum below.*

- If the maximum number of Solidify Shares is issued, this will dilute the shareholding of existing shareholders by 29.99% on a pre-Placement basis (or 4.14% assuming all securities provided for in the Notice are issued).
- The existing interests of Mr. Miles in the Company and his proposed remuneration (subject to his appointment to the Board) is summarized in section 9 below.
- In making its decision to engage Solidify, the Board considered amongst other items that Solidify Capital already had prior relationships with some of the larger creditors of the Company and also had a track record of high net worth investors and hedge funds which could be introduced to the company.
- The Directors do not consider that there is an opportunity cost to the Company in issuing the Solidify Shares as they will be issued under the terms of the Solidify Mandate for services rendered.
- The Directors are not aware of any other information that is reasonably required by Shareholders to allow them to make a decision as to whether it is in the best interests of the Company to pass Resolution 6.

This will not be relevant in the event that all other proposed issues of Shares under this Notice take place.

##### **Listing Rule 7.1**

As summarised in Section 0 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

- (b) The Company made a cash payment to Lind of \$350,000.
- (c) Following the recommencement of trading of shares in the Company (trading in which is currently suspended), or if shares in the Company have not re-commenced trading by 30 October 2024, by 31 December 2024, the Company will make a payment of \$1,325,000 to Lind - the Company is discussing an extension of these dates with Lind but no extension has yet been agreed as at the date of this notice.
- (d) The Company will seek shareholder approval for, and subject to this approval being obtained and shares in the Company re-commencing trading, issue Lind with shares with an aggregate value of \$375,000, at an issue price equal to that at which the Company undertakes a capital raise for the purpose of raising sufficient funds to have the current suspension of trading lifted (and if participants in such a capital raise are issued free attaching options under the raise terms, Lind are to be issued free attaching options on the same terms), with such shares then being subject to a 12 month escrow. If these shares are not issued to Lind by 31 December 2024, the Company will instead pay \$375,000 to Lind in cash on 31 December 2024 - the Company is discussing an extension of these dates with Lind but no extension has yet been agreed as at the date of this notice.
- (e) Unless the Company defaults in its obligations under the Agreement, Lind will not give any 'subscription notices' under the share placement agreement entered with the Company (**SPA**).
- (f) Subject to the above conditions being satisfied, the SPA is terminated and each of Lind and the Company release each other from any and all rights and obligations under the SPA and a monthly share purchase agreement entered by Lind and the Company, except that TMZ will continue to indemnify Lind and its associates against any liability arising from third party claims.

  - (vi) the Company's auditors do not sign off on the Company's accounts prior to 30 September 2024 or for whatever reason the ASX precludes the Company from being reinstated to official quotation; and
  - (vii) the Company's Shareholders do not approve the issue of the Shares subject to the Placement at an EGM (which must be held within 3 months of announcement of the Placement) and such approval is not subsequently obtained at any reconvened general meeting held within 2 months of the EGM.
- (f) The Company may terminate the Lead Manager Agreement immediately if Fosters commits an act of gross negligence, fraud or wilful misconduct.
- (g) From the entry of the Lead Manager Agreement to 90 days after the issue date of Shares under the Placement, the Company has agreed it will not directly or indirectly sell or offer to sell, issue or offer to issue, grant or offer to grant any option for the sale of, or otherwise dispose of or transfer, or announce any intention to sell, issue, grant options over or otherwise dispose or transfer, any shares in the Company or securities convertible or exchangeable into such shares, subject to a number of exceptions.

## 7. Resolution 10: Approval to Issue Securities to StocksDigital

---

The Company has entered into an agreement with S3 Consortium Pty Ltd (ACN 135 239 968) trading as StocksDigital (**StocksDigital**) pursuant to which StocksDigital will provide investor relation services to the Company for 24 months (**StocksDigital Mandate**).

As consideration for the provision of investor relation services, the Company has agreed to pay StocksDigital a fee of \$375,000 in Shares (plus GST paid in cash) at the same price as the Placement (\$0.015 per Share), being a total of 25,000,000 Shares (**StocksDigital Shares**). Under the terms of the StocksDigital Mandate, if shareholder approval is not obtained for the issue of the StocksDigital Shares, the Company must instead pay to StocksDigital a cash amount equal to the greater of the value of the fees (being \$375,000) and an amount equivalent in value to the StocksDigital Shares based on a 5-day volume weighted average price of Shares as traded on ASX up to and including the relevant invoice date.

The StocksDigital Mandate may be terminated by StocksDigital:

- (a) at any time on 10 business days' notice; or
- (b) immediately, if the Company is in breach of the StocksDigital Mandate or suffers an insolvency event,

and the StocksDigital Mandate contains additional provisions, including:

- (c) penalty interest at 12% per annum for late payments of fees;

- (d) warranties and indemnities in respect of the Company, which are considered standard for an agreement of this nature.

For completeness it is noted that in the event that the issue of the maximum number of StocksDigital Shares would result in a breach of the limitations in section 606 of the Corporations Act, the number of Shares to be issued will be decreased accordingly to ensure compliance with section 606 of the Corporations Act. This will not be relevant in the event that all other proposed issues of Shares under this Notice take place.

### **Listing Rule 7.1**

As summarised in Section 0 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

### **Technical information required by Listing Rule 14.1A**

If Resolution 10 is passed, the Company will be able to proceed with the issue of the StocksDigital Shares. In addition, the issue of the StocksDigital Shares will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 10 is not passed, the Company will not be able to proceed with the issue of the StocksDigital Shares and will need to pay StocksDigital an amount in cash as set out above.

### **Technical information required by Listing Rule 7.3**

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 10:

### **Directors' recommendation**

The Directors recommend that Shareholders vote in favour of Resolution 10.

## **8. Resolution 11: Approval to Eoin Rothery**

---

### **General**

The Company currently owes \$553,282 in Director fees to Eoin Rothery, a former Director of the Company. Mr. Rothery's Directorship ended on 2 April 2024.

Mr. Rothery has agreed to accept cash of \$75,000 and an equal value of shares in the Company (**Rothery Shares**) to satisfy these unpaid Director fees, at \$0.015 per Share, being the same price as the Placement.

The Company is seeking the approval of Shareholders for the issue of 5,000,000 Shares to Mr. Rothery.

Mr. Rothery's Directorship ended on 2 April 2024, which will have been more than 6 months prior to the date of the Meeting, and in the view of the Board Mr. Rothery will at that time no longer be a Related Party of the Company nor will he be a person that fits the categories set out in Listing Rule 10.1. As such, the Company is seeking approval

for the issue of the Rothery Shares for the purposes of Listing Rules 7.1.

Mr. Rothery will enter into a voluntary escrow agreement with the Company in respect of the Rothery Shares for 12 months from their issue.

### **Listing Rule 7.1**

As summarised in Section 0 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of these Shares falls within exception 17 of Listing Rule 7.2. It therefore requires the approval of Shareholders under Listing Rule 7.1.

### **Technical information required by Listing Rule 14.1A**

If Resolution 11 is passed, the Company will be able to proceed with the issue of the Rothery Shares. In addition, the issue of the Rothery Shares will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 11 is not passed, the Company will not be able to proceed with the issue of the Rothery Shares. As a result, the Company will need to satisfy the full repayment of the director fees owed to Mr. Rothery in cash, or reach some other agreement with Mr. Rothery as to their repayment.

### **Technical information required by Listing Rule 7.3**

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 11:

- (a) the Shares will be issued to Mr. Eoin Rothery (or his nominee(s));
- (b) no person whose identity would be deemed to be material in terms of the criteria in ASX Listing Rules Guidance Note 21 (being a related party of the Company, members of Key Management Personnel, substantial shareholders in the Company, advisors to the Company, or associates of any of these parties, who would be issued a number of shares equal to or greater than 1% of the Company's issued capital at the time) will receive Shares under this Resolution;
- (c) the number of Rothery Shares to be issued is 5,000,000;
- (d) the Rothery Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (e) the Rothery Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules);
- (f) the Rothery Shares will be issued in repayment of (in aggregate) \$75,000 in unpaid director's fees;
- (g) the purpose of the issue of the Rothery Shares is to satisfy unpaid director fees in Shares thus preserving the cash reserves of the Company;
- (h) the material terms of the agreement reached with Mr. Rothery for the issue of the Rothery Shares are set out above;
- (i) the Rothery Shares are not being issued under, or to fund, a reverse takeover; and
- (j) a voting exclusion statement is included in the Notice of Meeting.

### **Directors' recommendation**

The Directors recommend that Shareholders vote in favour of Resolution 11.

- (d) 5,000,000 Options to Mr. Byron Miles (**Miles Options**, together with the Povey Options, Lynn Options and Featherby Options the **Director Options**),

Where insufficient shares are issued under the other Resolutions the subject of the Notice (including the Placement) the number of Povey Additional Shares, Lynn Additional Shares, and Featherby Additional Shares that are subject to voluntary escrow will be scaled back to avoid any breach of the limitations in section 606 of the Corporations Act.

Resolution 12 seeks shareholder approval for the issue of the Director Securities.

The full terms of the Director Options are set out in Schedule 1.

### **Listing Rule 10.11**

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to, amongst others, a Related Party, unless it obtains the approval of its shareholders.

The reasons that Mr. Povey, Mr. Lynn and Mr. Featherby are related parties of the Company are set out above in section 2.

Mr. Miles is a Related Party of the Company by virtue of having reasonable grounds to believe he will be appointed as a Director of the Company.

As the proposed issues of the Director Securities is an issue to Related Parties of the Company, Shareholder approval pursuant to Listing Rule 10.11 is required unless an exception applies. It is the view of the of the Directors (each abstaining in respect of any Director Securities to be issued to them) that the exceptions set out in Listing Rule 10.12 do not apply in the current circumstances.

Resolution 12 seeks the required Shareholder approval to the proposed issues of the Director Securities under and for the purposes of Listing Rule 10.11.

As Shareholder approval is sought under Listing Rule 10.11, approval under Listing Rule 7.1 is not required. Accordingly, the issue of the Director Securities (if approved) will not be included in the use of the Company's 15% annual capacity pursuant to Listing Rule 7.1.

## Chapter 2E of the Corporations Act

A summary of Chapter 2E is included above in section 2.

The issue of the Director Securities to the recipients constitutes giving a financial benefit and each of the recipients is a related party of the Company by virtue of either being a Director or (in respect of Mr. Miles only) having reasonable grounds to believe they will become a Director.

As the Director Securities are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue of the Director Options. Accordingly, Shareholder approval for the issue of Director Securities to the Directors is sought in accordance with Chapter 2E of the Corporations Act. For this reason, and for all other purposes, the following information is provided to Shareholders:

- (a) Mr. Michael Povey, Mr. Kevin Lynn, Mr. John Featherby and Mr. Byron Miles are the Related Parties to whom the proposed resolution would permit financial benefits to be given.
- (b) The nature of the financial benefit to be given is the issue of the Director Securities.

- (c) Mr. Povey, Mr. Lynn and Mr. Featherby have an interest in the resolution, are the directors of the Company, and decline to give a recommendation to shareholders regarding this resolution due to their interest in this resolution.
- (d) Mr. Miles is a proposed Director of the Company and has an interest in Resolution 12. Mr. Miles is not yet a Director of the Company and makes no recommendation in respect of Resolution 12.
- (e) The Company's shares have been suspended from trading since 6 March 2023. The last traded price prior to the suspension was \$0.005 (pre-Consolidation, which would be \$0.06 on a post-Consolidated basis). An indicative value of the Director Securities is given above.
- (f) The potential dilutive effect of the issue of the Director Securities is given above.
- (g) The existing interests of Mr. Povey, Mr. Lynn, Mr. Featherby and Mr. Miles in the Company and their remuneration is summarized above.
- (h) The Directors do not consider that there is an opportunity cost to the Company in issuing the Director Securities.
- (i) The Directors are not aware of any other information that is reasonably required by Shareholders to allow them to make a decision as to whether it is in the best interests of the Company to pass Resolution 12.

### Directors' recommendation

Each Director has a material interest in the outcome of Resolution 12 on the basis that the Directors (or their nominee(s)) are to be issued Director Securities should Resolution 12 be passed. For this reason, the Directors do not believe it is appropriate to make a recommendation on Resolution 12.

## 10. Resolution 13: Approval to issue Shares under Placement

---

### Background

A capital raising seeking to raise up to \$8 million before costs, being a minimum \$6 million raise (**Minimum Raise Amount**) with an ability to accept a further \$2 million in additional subscriptions, through the issue of up to 533,333,333 Shares (**Placement Shares**) at \$0.015 per Share (**Placement**). The issue price under the Placement represents a 75% discount to the latest traded price prior to the announcement, being \$0.005 on 6 March 2023 (pre-Consolidation, which would be \$0.06 on a post-Consolidated basis).

Funds raised under the Placement will be used to progress the Company exploration assets in New England NSW, repay outstanding debt and for working capital.

Fosters have been engaged to act as lead manager to the Placement, pursuant to the Lead Manager Agreement.

The Company has, in determining the price per share for the Placement, undertaken an internal enterprise valuation exercise for the Company taking into account the position of the Company as at 30 June 2024 (as set out in its 2024 annual report released on 25 October 2024) (including the Company's tangible and intangible assets) and adjustments for the issues contemplated under this Notice of Meeting (assuming the Placement were to raise the full \$8 million) and repayment of debt as well as various other adjusting factors such as:

- (a) the current status of the Company as a long term suspended entity;
- (b) the last price at which the Company traded before its suspension, being \$0.005 (on a pre-Consolidated basis, which would be \$0.06 on a post-consolidated basis) back on 6 March 2023;
- (c) the last placement undertaken by the Company, which was at a price of \$0.001 per share (on a pre-consolidated basis, which would be \$0.012 on a post-consolidated basis) made on 2 September 2023;
- (d) the recorded value of intangible assets arising from deferred exploration costs, as noted in the 2024 annual report any recoupment of deferred exploration expenditure is entirely dependent on the discovery of a commercially viable reserve and the successful development of the area or sale for at least the amount of such assets; and
- (e) the current state of the market, which is considered to be generally challenging conditions for smaller resource companies to raise funds,

which resulted in an indicative enterprise value for company shares of \$0.015 per share (on a post-Consolidation basis).

The Placement is subject to shareholder approval under Resolution 13.

As summarised in Section 0 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of these Shares falls within exception 17 of Listing Rule 7.2. It therefore requires the approval of Shareholders under Listing Rule 7.1.

#### **Technical information required by Listing Rule 14.1A**

If Resolution 13 is passed, the Company will be able to proceed with the Placement and the issue of the Placement Shares.

If Resolution 13 is not passed, the Company will not be able to proceed with the Placement and the issue of the Placement Shares, will not receive the \$8million in subscription funds and will have to explore other options to raise capital.

#### **Technical information required by Listing Rule 7.1**

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 13:

- (a) a maximum of 533,333,333 Placement Shares will be issued to sophisticated and professional investors introduced by the Lead Manager, the allottees being determined in consultation with Directors. If Shareholders approve Resolution 14 a maximum of 6,666,667 Shares from the Placement will be issued to Mr. Byron Miles, who is a related party of the Company. If Shareholder Approval is not received for Resolution 14 those shares are instead proposed to be issued to other unrelated subscribers in the Placement;
- (b) None of the allottees will be a person whose identity would be deemed to be material in terms of the criteria in ASX Listing Rules Guidance Note 21 (being a related party of the Company, members of Key Management Personnel, substantial shareholders in the Company, advisors to the Company, or associates of any of these parties, who were issued a number of shares equal to or greater than 1% of the Company's issued capital at the time). The Company notes that Mr. Byron Miles, proposed to be appointed as a Director, may apply for up to 6,666,667 Shares in the Placement which is the subject of Resolution 14;
- (c) the Placement Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Placement Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules);
- (e) the Shares will be issued at \$0.015 each, and the maximum that will be raised for their issue is \$8,000,000;
- (f) the funds raised will be used to progress the Company's exploration assets in New England NSW, repay outstanding debt and working capital;
- (g) the Company entered into an agreement with the Lead Manager in relation to the Placement, the material terms of which are summarised in section 6;
- (h) the Shares are not being issued under, or to fund, a reverse takeover; and
- (i) a voting exclusion statement is included in the Notice of meeting.

#### **Directors' recommendation**

The Directors recommend that Shareholders vote in favour of Resolution 13.

## **11. Resolution 14: Approval for participation of director in the Placement - Mr. Byron Miles**

---

### **General**

The Company seeks the approval of Shareholders for Mr. Byron Miles (or his nominee) to participate in the Placement, up to a maximum of \$100,000 worth of shares (being 6,666,667 Shares at the Placement price of \$0.015 per Share) (**Miles Placement Shares**).

### **Listing Rule 10.11**

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to, amongst others, a Related Party, unless it obtains the approval of its shareholders.

Mr. Miles is a Related Party of the Company by virtue of having reasonable grounds to believe he will be appointed as a Director of the Company. Refer to the explanation in section 6 of this Explanatory memorandum in this regard.

Resolution 14 seeks the required Shareholder approval to the proposed participation of Mr. Byron Miles (or his nominee) in the Placement, for the issue of up to 6,666,667 Shares, under and for the purposes of Listing Rule 10.11.

As Shareholder approval is sought under Listing Rule 10.11, approval under Listing Rule 7.1 is not required. Accordingly, the issue of the Miles Placement Shares (if approved) will not be included in the use of the Company's 15% annual capacity pursuant to Listing Rule 7.1.

### **Technical information required by Listing Rule 14.1A**

If Resolution 14 is passed, the Company will be able to proceed with the issue of the Miles Placement Shares to Mr. Byron Miles (or his nominee) under the Placement.

If Resolution 14 is not passed, Mr Byron Miles will not be able to participate in the Placement and the Miles Placement Shares will not be issued.

### **Technical information required by Listing Rule 10.13**

The following additional information in relation to the participation of Mr. Byron miles in the Placement is provided to shareholders pursuant to Listing Rule 10.13:

- (a) The Miles Placement Shares will be issued to Mr. Miles or his nominee(s), who has reasonable grounds to believe he will be appointed as a Director of the Company, and therefore falls into the category stipulated by Listing Rule 10.11.1.
- (b) the maximum number of Miles Placement Shares the Company would issue to Mr. Bryon Miles (or his nominee) is 6,666,667;
- (c) the Miles Placement Shares will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Miles Placement Shares will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that the issue of the Miles Placement Shares will occur on the same day of other shares issued under the Placement;
- (e) the Miles Placement Shares will be issued at \$0.015 per Share, being the same price of other Shares in the Placement;
- (f) as with funds raised under the Placement, any funds raised from the issue of the Miles Placement Shares will be used to progress the Company's exploration assets in New England NSW, repay outstanding debt and for working capital;
- (g) the issue of the Miles Placement Shares is not intended to remunerate or incentivise Mr. Miles; and
- (h) a voting exclusion statement is included in the Notice.

## Chapter 2E of the Corporations Act

A summary of Chapter 2E is included above in section 2.

The issue of the Miles Placement Shares to Mr. Miles under the Placement constitutes giving a financial benefit and Mr. Miles is a Related Party of the Company as outlined above.

Section 210 of the Corporations Act provides that shareholder approval under section 208 is not required if the financial benefit to be provided to the related party is on terms that would be reasonable in the circumstances if the company and the related party were dealing at arm's length, or are less favourable than those terms.

The Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Shares to Mr. Miles by virtue of his participation in the Placement because these Shares would be issued to him at the same price and on the same terms and conditions as to all other (unrelated) subscribers to the Placement.

### Directors' recommendation

The Directors recommend that Shareholders vote in favour of Resolution 14.

- (o) The ASX Listing Rules prevail to the extent of any inconsistency with these terms.
- (p) These terms are governed by the laws of New South Wales and the holder submits to the non-exclusive jurisdiction of New South Wales courts and courts of appeal from them.

## Schedule 2 - Value of Director Options (Resolution 12)

The fair value of any options and performance rights granted as compensation are estimated at the date of grant (on a post-consolidation basis) using the Black-Scholes valuation model. The following table sets out the assumptions made in determining the fair value of the options granted:

	Notional valuation date	Number Granted	Assumed Share Price at valuation date <sup>1</sup>	Exercise price	Expiry Date	Value of Options
			Cents	Cents		
M Povey	8 Nov 2024	30,000,000	0.015	0.02	3 years following shareholder approval	\$124,086
K Lynn	8 Nov 2024	20,000,000	0.015	0.02	3 years following shareholder approval	\$82,723
J Featherby	8 NOV 2024	5,000,000	0.015	0.02	3 years following shareholder approval	\$20,681
B Miles	8 Nov 2024	5,000,000	0.015	0.02	3 years following shareholder approval	\$20,681

Note 1: being the price of shares under the Placement (on a post-Consolidation basis).

The following table sets out the assumptions made in determining the fair value of the Director Options (on a post-consolidation basis) proposed to be granted pursuant to Resolution 12.

Notional Date Granted	Number Granted <sup>(1)</sup>	Expected Volatility	Risk free Interest Rate	Weighted Ave. Life of Options	Exercise Price	Share Price at Grant Date	Total Value of Options
		%	%	Years	Cents	Cents	\$
8 Nov 2024	60,000,000	50	3.54	3.0	0.02	0.015	\$248,171

The expected life of the options is based on historical data and is not necessarily indicative of exercise patterns that may occur. The expected volatility is based on the assumption that the historical volatility is indicative of future trends, which may not necessarily be the actual outcome.
