Dear Andrew,

I refer to your letter dated 3 January 2025 in relation to the Appendix 3Y for Mr Mason which was released to the ASX on 24 December 2024.

Responding to your specific questions:

1. Please explain why the Appendix 3Y was lodged late.

The Company advises the delay arose as a result of the challenges in business operations over a very busy Christmas period and was therefore an administrative oversight.

2. Please advise whether the interests in the securities detailed in the Notice traded during a closed period where prior written clearance was required?

The Company advises that the securities detailed in the Notice were not traded during a closed period where prior written clearance was required. The answer in Part 3 of the Notice should read – 'No'.

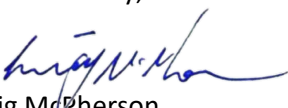

3. What arrangements does NPM have in place under Listing Rule 3.19B with its directors to ensure that it is able to meet its disclosure obligations under Listing Rule 3.19A?

The Company has entered into disclosure agreements with each director under which directors are obliged to provide all necessary information so that the Company can meet its disclosure obligations under Listing Rule 3.19A.

4. If the current arrangements are inadequate or not being enforced, what additional steps does NPM intend to take to ensure compliance with Listing Rule 3.19B?

The Company confirms its current arrangements are adequate.

Yours sincerely,

Craig McPherson
Company Secretary

By email:

Dear Mr McPherson

NewPeak Metals Limited ('NPM'): Appendix 3Y – Change of Director's Interest Notice Query

ASX refers to the following:

1. NPM's Appendix 3Y lodged on the ASX Market Announcements Platform ('MAP') on 24 December 2024 for Mr David Mason (the 'Notice');
2. Listing Rule 3.19A which requires an entity to tell ASX the following:

3.19A.1 *'The notifiable interests of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) at the following times.*

- *On the date that the entity is admitted to the official list.*
- *On the date that a director is appointed.*

The entity must complete Appendix 3X and give it to ASX no more than 5 business days after the entity's admission or a director's appointment.

3.19A.2 *A change to a notifiable interest of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) including whether the change occurred during a closed period where prior written clearance was required and, if so, whether prior written clearance was provided. The entity must complete Appendix 3Y and give it to ASX no more than 5 business days after the change occurs.*

3.19A.3 *The notifiable interests of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) at the date that the director ceases to be a director. The entity must complete Appendix 3Z and give it to ASX no more than 5 business days after the director ceases to be a director.'*

3. Listing rule 3.19B which states that:

'An entity must make such arrangements as are necessary with a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) to ensure that the director discloses to the entity all the information required by the entity to give ASX completed Appendices 3X, 3Y and 3Z within the time period allowed by listing rule 3.19.A. The entity must enforce the arrangements with the director.'

The Notice indicates that a change in Mr Mason's notifiable interest occurred on 12 December 2024. It appears that the Notice should have been lodged with ASX by 19 December 2024. Consequently, NPM may have breached Listing Rules 3.19A and/or 3.19B. In Part 3 – Closed Period of the Notice it indicates that "Not

Applicable” was advised as to whether “the interests in the securities or contracts detailed above traded during a closed period where prior written clearance was required?”

Request for Information

Under Listing Rule 18.7, we ask that you answer each of the following questions having regard to Listing Rules 3.19A and 3.19B and *Guidance Note 22: Director Disclosure of Interests and Transactions in Securities - Obligations of Listed Entities*.

2. Please advise whether the interests in the securities detailed in the Notice traded during a closed period where prior written clearance was required?
3. What arrangements does NPM have in place under Listing Rule 3.19B with its directors to ensure that it is able to meet its disclosure obligations under Listing Rule 3.19A?

Release of correspondence between ASX and entity

ASX reserves the right to release all or any part of this letter, your reply and any other related correspondence between us to the market under Listing Rule 18.7A.

Yours sincerely
