#### **About Australian Bond Exchange Holdings**

Australian Bond Exchange Holdings (ASX: ABE) is an Australian financial services company that uses its proprietary technology to provide Australian Investors with direct access to the best of the fixed income asset class in Australia and internationally.

ABE's access and proprietary technology allows "access for all" in a transparent and efficient way. Transparent trading allows investors, brokers and advisers to deliver highly demanded fixed income asset class product to end clients.

This is coupled with an advanced AI driven Product Governance model, which allows greater investor protections, providing a new over the counter venue for private investors, financial advisers, and investment professionals to access the global financial markets.

ABE is eliminating barriers to entry to the bond market, providing access, efficiency, lower cost and transparency.
