Artificial Intelligence software company, **RocketBoots Limited** (ASX:ROC) (**RocketBoots** or the **Company**), is pleased to announce the signing of a partnership agreement with global point-of-sale (POS) vendor, GEBIT Solutions GmbH (**Gebit**).

### Partnership with Gebit Solutions

RocketBoots has partnered with German-based Gebit Solutions as a preferred supplier of loss prevention solutions for its global retail customers. Gebit provides best-in-class retail POS software to customers across more than 32 countries, including some of the largest retail providers globally (<https://www.gebit.de/en/homepage>). Under the partnership, Gebit will support an out of the box integration with RocketBoots' loss prevention software which will allow all existing and new Gebit customers to easily test and adopt the loss prevention software.

The partnership aims to deliver a number of strategic outcomes for RocketBoots:

- Accelerating the timelines from first contact to customers achieving value from RocketBoots software
- Providing enhanced visibility of RocketBoots' value propositions across target customer markets; and
- Collaborative lead generation.

RocketBoots has commenced discussions with Gebit across a number of customer groups, some of which are new prospects, while others where advanced discussions are in train. The Company believes the partnership collaboration can assist with progression to contract.
