AR3 Investor Webinar Recording

Australian Rare Earths Limited (ASX: AR3) is pleased to announce that a recording of this morning's live webinar, hosted by Managing Director and CEO, Travis Beinke, is now available for shareholders and investors.

The webinar focused on the Company's recently announced non-renounceable rights issue and provided valuable insights into AR3's strategic direction and project development.

During the session, Travis Beinke addressed key questions from participants, detailing:

- The allocation of funds raised through the rights issue and its impact on project advancement.
- Progress updates and the potential of the Overland uranium and Koppamurra rare earth projects.
- The Company's overall growth strategy and future prospects.

Investors who were unable to attend the live session can **access the full webinar replay** via the following link: <https://ar3.com.au/webinars/drLwje-non-renounceable-rights-issue-2025-april>

The **Offer Booklet relating to the Offer** has been given to ASX and is available to view on the ASX website and the Australian Rare Earths Ltd website: <https://ar3.com.au/investment-offer/61> . Further details regarding the Offer have also been announced to the ASX and are available on ASX's website.

The Company encourages all shareholders and interested investors to view the webinar replay to gain a comprehensive understanding of AR3's development and the opportunity presented by the rights issue.

The announcement has been authorised for release by the Company Secretary of Australian Rare Earths Limited.
