Webinar Reminder: Strategy Update 2025 Investor Presentation

Critical Minerals Group Limited (**ASX: CMG**) (**CMG** or **the Company**) reminds and invites investors to a live investor webinar hosted by CEO and Managing Director Scott Winter today at 10 a.m. (AEST).

Scott will outline CMG's updated strategy to deliver energy storage solutions by 2026.

CMG's strategy of vertical integration seamlessly connects CMG's upstream mining operations, midstream vanadium electrolyte production, and downstream energy storage solutions, positioning the Company at the forefront of the renewable energy sector.

Please register your attendance and gain access to the webinar by clicking [here](#).

This announcement was authorised for release by the Managing Director.
