

4 April 2025

Completion of the Sale of Countrywide Hydrogen Business

ReNu Energy Limited (ASX: RNE) (**ReNu Energy**) advises that following the approval of ReNu Energy Shareholders at the general meeting, which convened on 28 March 2025 (**General Meeting**), it has completed the sale of its Countrywide Hydrogen Business and assets, including its Tasmanian green hydrogen project, being the 'Hydrogen Business Division' to Countrywide Hydrogen Holdings Pty Ltd (**Buyer**), as announced on 6 February 2025. Further detail on the sale of the Hydrogen Business Division is contained in the Notice of General Meeting released to the ASX on 26 February 2025.

ReNu Energy also advises that it has mutually agreed to terminate the Platform Agreement with H.E.S.T. Australia Ltd as trustee for HESTA dated 6 June 2023, following the divestment of ReNu Energy's Countrywide Hydrogen Business. The Platform Agreement relates exclusively to the divested Countrywide Hydrogen Business and, accordingly, its termination will not materially impact ReNu Energy's financial position or operations.

This announcement was authorised for release to ASX by the Independent Board Committee. For further information, please contact:
