Charter Hall Group (ASX: CHC) is pleased to announce it will implement a capital reallocation of 84.56 cents per security as approved by Securityholders at the Annual General meeting held on 20 November 2024. The details of the 'Capital Reallocation Proposal' were set out in the Notice of Annual General Meeting and Explanatory Memorandum announced to the Australian Securities Exchange on 18 October 2024.

CHC has obtained a draft Class Ruling from the Australian Taxation Office (**ATO**) confirming the Australian taxation implications of the capital reallocation for Securityholders. The formal class ruling is anticipated to be released 5 – 6 weeks after the implementation date.

CHC stapled securities consist of Charter Hall Limited (**CHL**) shares and Charter Hall Property Trust (**CHPT**) units. The capital reallocation will move capital from CHL to CHPT.

Under the Capital Reallocation proposal, CHL will implement a return of capital of 24.52 cents per CHL share and a special fully franked dividend of 60.04 cents per CHL share (with a franking credit attached equal to 25.73 cents per share). In accordance with the CHL and CHPT constitutions (as amended at the 2024 Annual General Meeting), the proceeds from each will be automatically applied as additional capital to CHPT. No payment of any cash will be made to Securityholders nor will any CHL shares or CHPT units be issued or cancelled.

Key details and dates for the capital reallocation are:

Capital reallocation amount:	84.56 cents per CHL share
Record date:	10 April 2025 (5pm AEST)
Implementation date:	11 April 2025 (prior to market opening)
Letter and capital reallocation statement dispatched to Securityholders confirming implementation has occurred:	on or about 23 April 2025
