The repayment of the loan drawdowns is repaid following the submission of the Company tax return at year end. The annual interest rate payable on loan drawdowns is 16%.</p> <p>The company has applied to Radium Capital to extend the current R&amp;DTI loan facility based on the additional R&amp;D work completed and expensed YTD.</p> |   |  |

| 8.  | <b>Estimated cash available for future operating activities</b>  | <b>\$A'000</b> |
|-----|--|----------------|
| 8.1 | Net cash from / (used in) operating activities (item 1.9)  | (685)          |
| 8.2 | Cash and cash equivalents at quarter end (item 4.6)  | 263            |
| 8.3 | Unused finance facilities available at quarter end (item 7.5)  | 250            |
| 8.4 | Total available funding (item 8.2 + item 8.3)  | 513            |
| 8.5 | <b>Estimated quarters of funding available (item 8.4 divided by item 8.1)</b>  | 0.75           |
|     | <i>Note: if the entity has reported positive net operating cash flows in item 1.9, answer item 8.5 as "N/A". Otherwise, a figure for the estimated quarters of funding available must be included in item 8.5.</i> |                |

8.6 If item 8.5 is less than 2 quarters, please provide answers to the following questions:

8.6.1 Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?

Answer: No.

Included in the current quarter total outflow amount of \$685,000 is one item considered to be abnormal on the basis that it is not a reoccurring expense.

\$527,000 for R&D Activities carried out by PPYEg on behalf of Papyrus Australia Ltd ("PPY"). Payment for these services was via the reduction of the inter-company loan. Note that the inter-company loan relates to funds previously transferred by the Company to PPYEg to support its operating activities.

The amount referred to above, distorts the calculation in item 8.5 which in the Companies view is designed to reflect the period of time remaining before current available funds are exhausted based on normal operating activities. Hence, for the purpose of calculating item 8.5 this amount should be removed, in order to not mislead the market relating to the Company been able to fund its future operating activities. Accordingly, applying this process to the calculation, the resulting number of funding quarters available would be 3.2.

8.6.2 Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?

Answer: Yes

The company continually reviews its funding options to ensure that it raises sufficient cash to maintain its operating activities. And based on the success of past capital raising activities expects that any future capital raising activities will be successful.

After the completion of the Quarter the Company received funding for a \$239k extension to its current R&DTI loan facility with Radium Capital.

8.6.3 Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Answer: Yes.

Based on the success of previous capital raisings, the implementation of the previously announced Vietnam initiative, successful progress of projects in the commercialisation roadmap and the related capital raising which is being managed by L39.

*Note: where item 8.5 is less than 2 quarters, all of questions 8.6.1, 8.6.2 and 8.6.3 above must be answered.*

**NOTE:** The information provided in this Appendix 4c does not include financial information of Papyrus Egypt, as Papyrus Australia does not currently control Papyrus Egypt even though it has a direct equity interest of 50% and an indirect equity interest of 19.61% (through its 39.22% equity interest in the joint venture partner EBFC (Egyptian Banana Fibre Company))

The activities of Papyrus Egypt are currently accounted for in the half year report and annual report using the equity accounting method.

### Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
