Invitation to Upcoming Investor Webinar: The Future of Insights

Pureprofile Limited (ASX: PPL or the Company) is pleased to invite investors and analysts to attend an exclusive online webinar discussing 'The Future of Insights', scheduled for Thursday, 5th June 2025, from 10:00 AM to 11:30 AM (AEST).

In this session, Pureprofile's senior leadership team and industry experts will explore key trends and opportunities shaping the data & insights landscape, including advancements in AI, automation, and emerging data-driven research methods, while showcasing new and innovative solutions set to reshape how businesses uncover and leverage consumer insights.

Session highlights:

- Martin Filz, Managing Director and CEO, will present an overview of how emerging technologies such as AI and automation are transforming the insights industry. He will highlight key trends impacting both consumers and businesses, and outline Pureprofile's strategic approach to integrating these technologies to drive greater efficiency and deeper insights.
- Niamh Fitzpatrick, Chief Product Officer, will provide a demonstration of Pureprofile's new solutions:
 - **Behavioural Insights:** Decoding online consumer behaviour through AI-powered analysis.
 - **AI-Driven Qualitative Research:** Conversational AI and AI Probing for deeper insights.
 - **Synthetic Data:** Agile concept testing and message validation through AI-modelled data.
 - **Self-Service Platforms:** a comprehensive SaaS platform designed for scalable insights generation.
- Industry thought leader, Lenny Murphy, will provide a US market perspective.
- Live Panel Discussion with industry experts
