Important Notices

What is this document?

This Booklet is issued by Pengana Investment Management Limited (ACN 063 081 612, AFSL 219 462) (**Responsible Entity**) in its capacity as responsible entity for Pengana Global Private Credit Trust (ARSN 673 024 489, ASX: PCX) (**PCX**), which is an Australian managed investment scheme structured as a unit trust, which has been registered with the ASIC and listed on the ASX.

The purpose of this Booklet is to provide disclosure of, and information regarding how to participate in (should you wish to do so), an off-market Buy-Back which is being offered by the Responsible Entity as a mechanism for Unitholders to apply to exit all or a portion of their investment in PCX as part of the capital management initiatives for PCX.

When making an investment decision in connection with the Buy-Back, you should consider the risk factors set out in Section 5 in light of your individual circumstances. The risks identified in Section 5 are non-exhaustive indicators of factors relating to implementing the Buy-Back which may affect the financial and operating performance of the Trust.

Letter to Investors

Wednesday, 14 May 2025

Dear Unitholder,

We are pleased to announce an off-market Buy-Back for Units in the Pengana Global Private Credit Trust (ARSN 673 024 489, ASX: PCX) (**PCX or Trust**) with a Buy-Back Pricing Date of Tuesday, 30 September 2025. The Buy-Back which is being offered by the Responsible Entity is a mechanism for Unitholders to apply to exit their investment in PCX as part of the capital management initiatives for PCX.

Buy-Back Offer

As part of the regular capital management initiatives for the Trust, Eligible Unitholders will have the opportunity to participate in a Buy-Back Offer of 5% of the total Units of the Trust on the Buy-Back Record Date at the Buy-Back Price on an equal access, off-market basis. The Buy-Back Price is equal to the sum of the:

- NAV Per Unit as at the Buy-Back Pricing Date; and
- the sum of the amounts of distributions that the Unitholder would have been entitled to if the Unit was not cancelled from the Buy-Back Cancellation of Units Date up to the Buy-Back Payment Date.

The NAV per Unit price is the Net Tangible Asset Backing of each unit as defined in the ASX Listing Rules. The NAV Per Unit will be calculated by the independent Administrator and Custodian of the Trust.

If the Responsible Entity receives acceptances for more units than 5% of the total Units of the Trust, the number of each acceptor's units will be subject to a Scale-Back and reduced by the same proportion needed to ensure the Responsible Entity buys back no more than 5% of the total Units of the Trust. If the Responsible Entity only receives acceptances for less units than 5% of the total Units of the Trust, then all accepting units will be bought back.

This off-market buy-back mechanism is intended to provide investors with an alternate option to sell their holdings. It is also intended to give investors a better investment outcome over traditional LIC and LIT structures by reducing the propensity for trading on-market to occur at large discounts to the NAV per Unit.

Eligible Unitholders who elect not to participate in the Buy-Back Offer will retain their exposure to PCX with no action necessary on their part.

The Buy-Back Consideration will be paid out of the assets of the Trust.

Any Units which are bought back will be cancelled immediately upon registration of the transfer to the Responsible Entity of the Units bought back (they are not disposed of or on-sold again on-market).

How to apply

The Buy-Back closes at 5:00pm (Sydney time) on Friday, 20 June 2025. To participate in the Buy-Back you should ensure that your completed Buy-Back Election Form is received by the Registry by no later than 5:00pm on the Buy-Back Closing Date (Friday, 20 June 2025).

Please carefully read this Booklet in its entirety and consult your financial, legal, tax or other professional adviser before making your investment decision. In particular, you should read and consider the risk factors set out in Section 5 of this Booklet, which contains a summary of some of the key risks associated with the Buy-Back.

If you have any questions in respect of the Buy-Back, please call the Offer Information Line on 1300 855 080 for callers within Australia and +61 3 9415 4000 for callers outside of Australia between 8:30am and 5:00pm (Sydney time), Monday to Friday.

I would like to take this opportunity to thank you for your ongoing support.

Yours sincerely,

Nehemiah Richardson
CEO, Pengana Credit Pty Ltd

1 Overview of the Buy-Back Offer

1.1 Buy-Back Offer

- (a) As part of the regular capital management initiatives for the Trust, the Responsible Entity is making an off-market equal access Buy-Back Offer to all Eligible Unitholders in the Trust for 5% of the total Units of the Trust on the Buy-Back Record Date at the Buy-Back Price on an equal access, off-market basis.
- (b) If the Responsible Entity receives acceptances for more units than 5% of the total Units of the Trust, the number of each acceptor's units will be subject to a Scale-Back and reduced by the same proportion needed to ensure the Responsible Entity buys back no more than 5% of the total Units of the Trust. If the Responsible Entity only receives acceptances for less units than 5% of the total Units of the Trust, then all accepting units will be bought back.
- (c) Eligible Unitholders are those who are registered as a holder of Units as at the Record Date (Thursday, 22 May 2025), unless the person is an Excluded Foreign Holder.
- (d) Eligible Unitholders who elect not to participate in the Buy-Back Offer will retain their exposure to PCX with no action necessary on their part.
- (e) The Buy-Back opens for acceptance on the Buy-Back Open Date (Thursday, 29 May 2025) and valid Buy-Back Election Forms must be received by 5:00pm on the Buy-Back Closing Date (Friday, 20 June 2025). Buy-back agreements are not entered into until the Buy-Back Offer Period for acceptance of offers has closed. Acceptance of the offer is revocable up until the Buy-Back Offer Period has closed.
- (f) In accordance with the timetable in the "Key Dates" Section of this Booklet, the Responsible Entity reserves the right to change these dates. Any changes to the indicative timetable in the "Key Dates" Section of this Booklet will be announced on ASX.
- (g) The Buy-Back Consideration will be paid out of the assets of the Trust.
- (h) Any Units which are bought back will be cancelled immediately upon registration of the transfer to the Responsible Entity of the Units bought back (they are not disposed of or on-sold again on-market).
- (i) Participation in the Buy-Back is personal to each Unitholder. Unitholders cannot transfer or renounce their rights to participate in the Buy-Back.

1.2 Buy-Back Price

- (a) The price at which the Units will be bought back under the Buy-Back Offer will be the Buy-Back Price. The Buy-Back Price is equal to the sum of:
 - (i) the NAV per Unit as at the Buy-Back Pricing Date; and
 - (ii) the amounts of distributions that the Unitholder would have been entitled to if the Unit was not cancelled from the Buy-Back Cancellation of Units Date up to the Buy-Back Payment Date.
- (b) The NAV per Unit price is the Net Tangible Asset Backing of each unit as defined in the ASX Listing Rules.
- (c) The NAV per Unit will be calculated by the independent Administrator and Custodian of the Trust.

2 Advantages and disadvantages of the Buy-Back Offer

2.1 Advantages of the Buy-Back

- (a) All Unitholders have an equal opportunity to participate in the Buy-Back and also have flexibility to tailor their level of participation to suit their individual circumstances.
- (b) Exiting unitholders will not have to pay brokerage or appoint a stockbroker to sell their units pursuant to the Buy-Back.
- (c) For Eligible Unitholders that participate in the Buy-Back, if the on-market price of the Units decreases below the Buy-Back Price, they would have sold their Units through the Buy-Back at a greater price than may have been achieved by selling those Units on-market.
- (d) As part of the Buy-Back Price calculation on the Buy-Back Pricing Date, Eligible Unitholders will receive distributions in the period between the Buy-Back Record Date and Buy-Back Payment Date.

2.2 Disadvantages of the Buy-Back

- (a) For Eligible Unitholders that participate in the Buy-Back, if the on-market price of the Units increases above the Buy-Back Price, they would have sold their Units through the Buy-Back at a lesser price than could have been achieved by selling those Units on-market.
- (b) Exiting Unitholders will not receive any amounts relating to future distributions following the Buy-Back Payment Date.

3 Information about the Buy-Back process

3.1 What should you do?

- (a) Read this Booklet and the accompanying forms

This Booklet, and the accompanying personalised Buy-Back Election Form, contain important information about the Buy-Back. You should read each of these documents carefully and in their entirety before deciding whether or not to participate in the Buy-Back.

- (b) Consider the Buy-Back in light of your particular investment objectives and circumstances

If you are in any doubt about the information provided or the action you should take in relation to the Buy-Back, you should consult your financial, legal, tax or other professional adviser.

- (c) Decide what you want to do

Participation in the Buy-Back is voluntary. If you choose not to participate, you do not need to do anything. However, only an Eligible Unitholder can elect to participate in the Buy-Back.

If you wish to sell Units in the Buy-Back, you need to decide the number of Units that you wish to offer to sell. The maximum number of Units that you may offer to sell through the Buy-Back is the total number of Units for a registered holding as shown on your Buy-Back Election Form. If you wish to sell Units in the Buy-Back, you will need to complete and sign your personalised Buy-Back Election Form that accompanies this Booklet and return it to the Registry.

If you wish to participate in the Buy-Back, you must ensure that your completed Buy-Back Election Form is received by the Registry by no later than 5:00pm (Sydney time) on the Buy-Back Closing Date (Friday, 20 June 2025).

3.2 How to apply to sell Units in the Buy-Back

How you participate in the Buy-Back depends on whether your Units are held as an Issuer Sponsored Holding or as a CHESS Holding. Please refer to sections 3.2(b) below as applicable.

Instructions on how to complete and return the Buy-Back Election Form are included on the Buy-Back Election Form. The Buy-Back Election Form is personalised to you, including whether you have an Issuer Sponsored Holding or CHESS Holding.

- (a) If you elect to participate, decide how many Units you wish to sell through the Buy-Back

If you are an Eligible Unitholder, you may elect to sell all or some of the Units you hold as at 5:00pm on the Buy-Back Record Date, being Thursday, 22 May 2025. The maximum number of Units may sell through the Buy-Back is shown on your Buy-Back Election Form and is the total number of Units for that particular registered holding at the Buy-Back Record Date. If you elect to sell some or all of your Units by validly completing your Buy-Back Election Form, those units will be purchased by the Responsible Entity under the Buy-Back (subject to the Responsible Entity accepting your Offer and the Scale-Back).

- (b) Complete and submit your Buy-Back Election Form

Instructions for Issuer Sponsored Holdings

If you hold Units through an Issuer Sponsored Holding, complete your personalised Buy-Back Election Form in accordance with the instructions on it and return it to the Registry at the address indicated on the form (and set out below). You should allow sufficient time for your Buy-Back Election Form to be received by the Registry by no later than 5.00pm (Sydney time) on the Buy-Back Closing Date.

By mail:
c/- Computershare Investor Services Pty Limited
GPO Box 52
Melbourne Victoria 3001

Instructions for CHESS Holdings

If you hold Units through a CHESS Holding and wish to participate in the Buy-Back, you must comply with the ASX Settlement Operating Rules by doing one of the following:

- (i) instruct your controlling participant (usually your broker) to initiate processing your Offer in sufficient time for it to be processed before 5.00pm (Sydney time) on the Buy-Back Closing Date; or
- (ii) complete and sign your personalised Buy-Back Election Form and send it directly to your controlling participant to initiate processing your Offer in sufficient time for it to be processed before 5.00pm (Sydney time) on the Buy-Back Closing Date; or
- (iii) complete and sign your personalised Buy-Back Election Form and return it to the Registry at the address indicated on the form (and set out below) in sufficient time for the Responsible Entity or Registry to instruct your controlling participant to initiate processing your Offer before 5.00pm (Sydney time) on the Buy-Back Closing Date.

By mail:
c/- Computershare Investor Services Pty Limited
GPO Box 52
Melbourne Victoria 3001

The completed Buy-Back Election Form may also be returned to the following email address:

corpactprocessing@computershare.com.au

If you return the form to the Registry, the Registry will need to initiate processing your Offer on your behalf. You should allow sufficient time for the Registry to initiate processing your Offer (and for your Controlling Participant to respond) as the Registry must confirm with your Controlling Participant any online submission of your Offer before it can be taken as a valid. Neither the Responsible Entity nor the Registry will be responsible for any delays incurred by the process of requesting your Controlling Participant to process your Offer.

Your completed Buy-Back Election Form must be received by the Registry by no later than 5:00pm (Sydney time) on the Buy-Back Closing Date (scheduled to be Friday, 20 June 2025). You can submit your Buy-Back Election Form at any time up to that time, however there is no priority by virtue of returning the Buy-Back Election Form earlier rather than later.

The Responsible Entity may reject your Buy-Back Election Form if it is not physically received by the Registry by 5:00pm (Sydney time) on the Buy-Back Closing Date (scheduled to be Friday, 20 June 2025). You should allow sufficient time for this to occur if you are sending your Buy-Back Election Form by mail.

If you have any questions in relation to the processing of your Buy-Back Election Form, please call the Offer Information Line on 1300 855 080 for callers within Australia and +61 3 9415 4000 for callers outside of Australia between 8:30am and 5:00pm (Sydney time), Monday to Friday.

(c) Withdrawals and amendments

Once you have submitted your Buy-Back Election Form, you may withdraw the form or amend the election you have made on the form by following the procedures below.

To withdraw or amend your Buy-Back Election Form, you will need to submit a Withdrawal/Amendment Form. You can obtain a Withdrawal/Amendment Form by contacting the Offer Information Line on 1300 855 080 for callers within Australia and +61 3 9415 4000 for callers outside of Australia between 8:30am and 5:00pm (Sydney time), Monday to Friday.

You can withdraw your Buy-Back Election Form in its entirety by ticking the 'Withdrawal' box on the Withdrawal/Amendment Form, completing your Unitholder details and returning it to the Registry at the address provided on the form so that it is received by no later than 5:00pm on Friday, 20 June 2025. If the Registry does not receive your Withdrawal/Amendment Form by this time, your withdrawal will be of no effect.

If you wish to amend your Buy-Back Election Form to increase or decrease the number of Units which you have elected to sell through returning your completed Buy-Back Election Form, then you must tick the 'Amendment' box on the Withdrawal/Amendment Form. You must then complete your Unitholder details and details of the number of Units you wish to sell in accordance with the instructions shown on the Withdrawal/Amendment Form and sign and return the form so that it is received by no later than 5:00pm on Friday, 20 June 2025. If the Registry does not receive your Withdrawal/Amendment Form by this time, or if your Withdrawal/Amendment Form is incomplete or incorrect, you will not have successfully amended your Buy-Back Election Form.

The effect of amending, through submitting a Withdrawal/Amendment Form, your Offer to sell Units (made by submitting your Buy-Back Election Form) will be to replace the Offer made by you to sell the number of Units indicated on your submitted Buy-Back Election Form with a new Offer detailed on your Withdrawal/Amendment Form.

If your Withdrawal/Amendment Form is incomplete or incorrect, the Registry will make two attempts to contact you before the Buy-Back Closing Date. Where there is insufficient time or you cannot be contacted, your Withdrawal/Amendment Form will not be accepted.

3.3 Unitholder declarations – Participation in the Buy-Back

The effect of submitting an Offer is as follows:

- (a) By submitting an Offer, and if you do not, before 5:00pm (Sydney time) on the Buy-Back Closing Date, withdraw that Offer, you are irrevocably offering to sell the Nominated Units to the Responsible Entity under the Buy-Back on the terms set out in this Booklet.
- (b) Submission of your Offer does not, of itself, constitute a binding contract for the sale of your Units. No agreement for a buy-back of Units by the Responsible Entity will be formed before the Responsible Entity accepts your Offer, which will not be before 5:00pm on the Buy-Back Closing Date.
- (c) If you have lodged a validly completed Buy-Back Election Form (or Withdrawal/Amendment form in the case of amendment) prior to 5:00pm on the Buy-Back Closing Date, and you also have not, before 5:00pm on the Buy-Back Closing Date, withdrawn your Offer, then, following 5:00pm on the Buy-Back Closing Date, the Responsible Entity can accept your Offer, meaning a binding contract will be formed between you and the Responsible Entity for you to sell, and the Responsible Entity to buy back, your Nominated Units on the terms and conditions set out in this Booklet and your Buy-Back Election Form. The Responsible Entity will need to confirm with your controlling CHESS participant for any submission of your Buy-Back Election Form before it can be taken as validly submitted and there may not be sufficient time to do so for any Buy-Back Election Form submitted by CHESS sponsored holders after 4.00pm (Sydney time) on the Buy-Back Closing Date. You can also instruct your controlling CHESS participant to process your instruction to participate in the Buy-Back Offer. Upon acceptance of your Offer, the accepting units will be locked and will not be able to be transferred, sold, or otherwise dealt with by the accepted unitholder (unless the acceptance is subsequently withdrawn and the accepting units are unlocked).
- (d) By making an Offer, and if you do not withdraw that Offer before 5:00pm on the Buy-Back Closing Date, you are taken to:
 - (i) agree to the terms and conditions set out in this Booklet;
 - (ii) irrevocably offer to sell to the Responsible Entity on the Buy-Back Closing Date your Nominated Units;
 - (iii) agree that upon acceptance of your Offer as set out in Section 3.3(c) of this Booklet, a binding contract would be formed for you to sell your Nominated Units on the terms and conditions set out in this Booklet and your Buy-Back Election Form;
 - (iv) agree that the Responsible Entity may amend the timetable for the Buy-Back (including but not limited to the Buy-Back Closing Date, Buy-Back Cancellation of Units Date, the Buy-Back Pricing Date and Buy-Back Payment Date) as permitted by law and as described in this Booklet;
 - (v) waive any requirement to receive further notices or communications from the Responsible Entity in respect of an Offer submitted by you;
 - (vi) warrant to the Responsible Entity that:
 - (A) at all times after you submit your Offer, and on the Buy-Back Closing Date you are and will be the registered holder of your Nominated Units and that these units are free from any mortgage, charge, lien or other encumbrance or unit interest (whether legal or equitable) and from any third-party rights and are otherwise able to be sold freely by you;
 - (B) you have read and understood this Booklet;

- (C) if you are a trustee or nominee having elected to participate in the Buy-Back on behalf of some or all beneficial holders on whose behalf you hold Units, such acceptances have been duly made in accordance with the instructions of the beneficial holders and/or the applicable trust or nominee arrangements and that participation in the Buy-Back on behalf of beneficial holders does not constitute a breach of trust, contract or any applicable law;
 - (D) your receipt of this Booklet, and your participation in the Buy-Back is permitted under the laws of the jurisdiction in which you are resident;
 - (E) you have not distributed or sent this Booklet or other document referring to the Buy-Back into any jurisdiction where it would not be lawful to do so; and
- (vii) accept responsibility for observing the laws and regulatory requirements of any relevant jurisdictions that apply to you in connection with this Booklet, the Buy-Back, including obtaining any governmental, exchange control or other consents, the making of any filings that may be required, the compliance with other necessary formalities and the payment of any taxes or other requisite payments due in such jurisdictions;
 - (viii) undertake not to sell or offer to sell Units to any other person if, as a result, you will at any time after you submit your Buy-Back Election Form until the Buy-Back Closing Date hold fewer Units than your Nominated Units;
 - (ix) authorise the Responsible Entity (and its officers, agents, contractors or advisers) to correct any error in or omission from your Buy-Back Election Form and to insert any missing details therein;
 - (x) acknowledge that neither the Responsible Entity nor any other party related or connected to the Responsible Entity has provided you with financial product, tax or investment advice, or any units recommendation, or has any obligation to provide this advice or recommendation, concerning your decision to participate in the Buy-Back or the manner of any such participation;
 - (xi) authorise the Responsible Entity to arrange payment of your Buy-Back Consideration by direct credit to your nominated account as recorded on the Register at 5:00pm (Sydney time) on the Buy-Back Closing Date. You acknowledge that payments made by direct credit to your nominated account will satisfy all obligations to you for payment under the Buy-Back;
 - (xii) agree that, if you do not provide instructions for the direct credit of your payment into a bank account, your payment will be held until a valid bank account has been nominated;
 - (xiii) agree that damages are not an adequate remedy for breach of these covenants, undertakings, agreements and warranties. If you sell Units in breach of these terms, you will be deemed to have appointed the Responsible Entity or its agent as your attorney to purchase Units in your name and at your expense to satisfy your obligations under the Buy-Back. You will indemnify the Responsible Entity for all costs incurred by it in connection with such purchase;
 - (xiv) undertake that, if you breach any of these covenants, undertakings, agreements or warranties, you will indemnify the Responsible Entity for all its costs arising from the breach; and
 - (xv) agree that any obligation of the Responsible Entity under the Buy-Back is conditional on your compliance with the covenants, undertakings, agreements and warranties listed above.

3.4 Important information for Unitholders

(a) General

(i) Know your customer requirements

Unitholders who remain in the Trust will be required to comply with customary identification and verification screening requirements in accordance with Australia's anti-money laundering and counter-terrorism financing legislation.

(ii) Governing Law

This Booklet, the Buy-Back, and the contracts formed on acceptance of Buy-Back Election Forms are governed by the law applicable in New South Wales, Australia.

Each Unitholder who participates in the Buy-Back submits to the jurisdiction of the courts of New South Wales, Australia.

(iii) Taxation

There will be tax implications associated with participating in the Buy-Back. The tax implications of the Buy-Back will depend on your personal circumstances, and whether or not you decide to participate in the Buy-Back.

A general outline of the main Australian tax implications of the Buy-Back is set out in Section 4 of this Booklet. This outline is general in nature.

You should consult with your own tax advisers for detailed tax advice regarding the Australian and, if applicable, foreign tax implications of participation in the Buy-Back in light of your particular circumstances before making a decision as to how, and whether, to participate in the Buy-Back.

(iv) Information availability

Eligible Unitholders can obtain a copy of this Booklet at www.pengana.com/PCX or by calling the Offer Information Line on 1300 855 080 for callers within Australia or on +61 3 9415 4000 for callers outside Australia between 8.30am to 5.00pm (Sydney time), Monday to Friday. Persons who access the electronic version of this Booklet should ensure that they download and read the entire Booklet. The electronic version of this Booklet will not include a Buy-Back Election Form. Replacement forms can be requested by calling the Offer Information Line.

(v) Interests of the Responsible Entity and its associates

(b) The Responsible Entity and its associates are not Unitholders in the Trust and as such will not have any interest in the Buy-Back.

(i) Cancellation of Units

A buy-back is a process whereby an entity invites its Unitholders to offer to sell some or all of their units to the entity. Units bought back by the entity are cancelled, reducing the number of units the entity has on issue. Accordingly, Units which are bought back from Unitholders under the Buy-Back will be transferred to the Responsible Entity and cancelled.

(ii) Payment of Buy-Back Consideration

The Responsible Entity will pay Unitholders the Buy-Back Consideration on the Buy-Back Payment Date, being the Buy-Back Price multiplied by the number of Units that the Responsible Entity buys back, unless it is prohibited from doing so by law or on the terms of the Buy-Back set out in this Booklet.

If you wish to change your current direct credit instructions, you can do so by providing written instructions to the Registry before the Buy-Back Closing Date. Please note that if you do alter your nominated bank account details this will be taken to be your nominated bank account for any future payments by the Responsible Entity.

Payments to bank accounts are expected to be completed by the Buy-Back Payment Date. Payments to these accounts will satisfy the Responsible Entity's obligation to pay any Buy-Back Consideration.

(iii) Withdrawals

Once you have submitted your Buy-Back Election Form, it can only be withdrawn or amended by following the procedure set out in Section 3.2(c) of this Booklet.

(iv) Right to accept or reject Buy-Back Election Forms

At any time, the Responsible Entity may (at its sole discretion):

- (A) accept or reject any Buy-Back Election Form; or
- (B) accept or reject a Buy-Back Election Form not made on the terms and conditions, or a Buy-Back Election Form not submitted in accordance with the procedures, set out in this Booklet and the Buy-Back Election Form.

The Responsible Entity may do each of these things in relation to all or some of the Buy-Back Election Forms it receives, in its absolute discretion.

The Responsible Entity will not accept any offer to sell Units through lodgement of a valid Buy-Back Election Form that it may not lawfully accept or which, if accepted, would give rise to an illegal or unenforceable contract or a contract that the Responsible Entity cannot otherwise perform.

(v) Right to terminate Buy-Back

Without limitation, the Responsible Entity reserves the right to terminate the Buy-Back at any time prior to the date on which the Responsible Entity enters into contracts with Unitholders to buy back the Units by making an announcement to the ASX to that effect.

(vi) Margin lending and other arrangements

If you hold Units under margin lending arrangements or if the Units are held as security for a loan, you should ensure that your participation in the Buy-Back is permitted by those lending arrangements.

(vii) Unitholders with more than one holding

You will receive the Buy-Back Election Form for each separate registered holding of Units. For example, if you hold some Units in your name and some Units jointly with your spouse, you will receive two Buy-Back Election Forms. You may apply to sell your Units from any or all of your separate registered holdings, provided that you complete the relevant Buy-Back Election Form and follow the instructions for each holding.

(viii) Joint Unitholders

If you hold your Units jointly with another person (for example, your partner), you must complete and return the Buy-Back Election Form in accordance with the instructions for joint holdings on the Buy-Back Election Form.

(ix) Units held by trustees and nominees

Trustees and nominees who hold Units should inform the beneficial owners of the Units about the Buy-Back, subject to any legal restrictions in the countries where such beneficial owners are resident, and then aggregate all Buy-Back applications from beneficial owners who are Eligible Unitholders. It is the responsibility of the trustee or nominee to complete one aggregated Buy-Back Election Form on behalf of all beneficial owners or make arrangements to lodge a series of individual Buy-Back Election Forms on behalf of all beneficial owners.

(x) Foreign restrictions

This Booklet does not constitute an offer to purchase units in any jurisdiction in which it would be unlawful. Units may not be offered for purchase in any country outside Australia and New Zealand. The Responsible Entity has received approval from ASIC to provide relief from the equal treatment provisions for foreign Unitholders, on the basis that it would be unreasonable to extend the Buy-Back to Unitholders residing outside of Australia and New Zealand having regard to the number and value of Units held by such Unitholders and the costs of complying with the legal and regulatory requirements which would apply.

(xi) ASIC relief

The Responsible Entity has received approval from ASIC for the following technical relief to facilitate implementation of the Buy-Back:

(A) for the Responsible Entity:

- (1) relief from section 601GA(4) and the withdrawal provisions in Part 5C.6 of the Corporations Act, which will allow the Responsible Entity to undertake the Buy-Back and fund the Buy-Back through an increase in its debt facilities, rather than selling its existing assets, as would be required under the Corporations Act if such relief had not been granted;
- (2) relief from section 601FC(1)(d) of the Corporations Act to provide relief from the equal treatment provisions for foreign Unitholders;
- (3) relief from section 601FG(1)(a) of the Corporations Act to facilitate the Buy-Back at the Buy-Back Price even if the Units trade at a higher price than the Buy-Back Price; and
- (4) relief from Division 5A of Part 7.9 of the Corporations Act to permit the Buy-Back offer materials to be sent to Unitholders.

(B) for the Responsible Entity and Unitholders, modify s 611 of the Corporation Act to allow the Responsible Entity and Unitholders to acquire a relevant interest in Units above the 20% permitted 'takeovers threshold' as a consequence of the Buy-Back.

This relief is subject to conditions consistent with the precedent customary relief.

4 Tax implications and considerations

The Responsible Entity does not provide taxation advice. Each Unitholder must take full and sole responsibility for the associated taxation implications arising from the Buy-Back.

The taxation information provided in this Booklet is general in nature and is based on the law and administrative practices of the ATO as at the date of this Booklet.

The impact of tax varies according to individual circumstances and Unitholders should seek their own tax advice in respect of the Buy-Back. The following summary is intended for Australian tax resident taxpayers and assumes that the Unitholder holds Units on capital account for tax purposes, and does not hold the Units in the course of trading or dealing in units or otherwise hold the Units on revenue account, as trading stock, or as a financial arrangement subject to the taxation of financial arrangements (TOFA) rules. It does not cover all tax implications of the Buy-Back.

4.1 Buy-Back

The Responsible Entity intends to attribute taxable income of the Trust, in relation to the Buy-Back Price, to Unitholders whose Units are bought back.

Unitholders will include their share of the taxable income in their own assessable income. Under the Attribution Managed Investment Trust (**AMIT**) regime, the attribution of such taxable income to a Unitholder may result in an increase to the cost base of the Units of the Unitholder, to the extent that the Unitholder's share of the Trust's taxable income is greater than the total amount of cash distributions paid to the Unitholder by the Trust for the current financial year.

In addition, the Buy-Back of Units will constitute a disposal of the Units for CGT purposes and may result in a capital gain and/or capital loss for a Unitholder.

A capital gain will arise to a Unitholder where the capital proceeds from the Buy-Back of a Unit is greater than the cost base of the Unit for CGT purposes. A capital loss will arise if the capital proceeds on the Buy-Back of a Unit are less than the reduced cost base of the Unit for CGT purposes. In certain circumstances, Unitholders may be deemed, for CGT purposes, to have received market value capital proceeds for each Unit, where this is different to the Buy-Back Price.

Any capital gain or capital loss realised by a Unitholder in respect of the Buy-Back should be aggregated with any other capital gains or capital losses that the Unitholder may have in that income year, less any available net capital losses from prior income years, to determine the Unitholder's net capital gain or capital loss for that year. A net capital gain may be eligible for discount CGT treatment. A capital loss can only be offset against capital gains. Capital losses may be carried forward and offset against future taxable capital gains, although the utilisation of capital losses by certain entities is subject to the satisfaction of loss carry forward rules.

4.2 Discount CGT treatment

Discount CGT treatment may be available to reduce any net capital gain realised by a Unitholder in respect of the Buy-Back of a Unit. If the Unit has been held for at least 12 months, a Unitholder may, after offsetting capital losses of the Unitholder, be able to discount the resulting capital gain by one half in the case of an individual or trust, or one third in the case of a complying superannuation entity.

A Unitholder who disposes of Units (including under the Buy-Back) within 12 months of acquiring them or disposes of them under an agreement entered into within 12 months of acquiring the Units will not be eligible for discount CGT treatment.

Any net capital gain, after applying discount CGT treatment (where applicable), is included in the Unitholder's assessable income.

5 Risk factors

This Section describes some of the potential risks associated with the Buy-Back.

These risks could, if they were to eventuate, have a material adverse effect on the Trust's financial position, operating and financial performance and the value of the Units. Many of the circumstances giving rise to these risks are partially or completely outside the control of the Responsible Entity or its directors or management and either cannot be mitigated or can only be partially mitigated.

You should note that this Section 5 is a summary only and is not an exhaustive list of the risks relating to the Buy-Back. There may be additional risks and uncertainties not currently known to the Trust, or not currently considered material, which may have a material adverse effect on the Trust's financial position, operating and financial performance and the value of the Units.

Before deciding whether to participate in the Buy-Back, Unitholders should carefully read this Booklet in its entirety and specifically consider the risks in this Section 5.

This Booklet does not take into account the investment objectives, financial situation, or the particular needs or risk profiles of individual Unitholders. You should carefully consider the following risks, as well as the other information contained in this Booklet, and seek professional advice from your accountant, tax adviser, stockbroker, lawyer, or other professional adviser before making any decision in relation to your Units.

5.1 Scale-Back under the Buy-Back

There is a risk that the number of Units bought back from each Eligible Unitholder who elects to participate in the Buy-Back will be scaled back from their election. This Scale-Back will occur if the total number of Units to be bought back exceeds 5% of the total Units of the Trust.

5.2 Tax consequences for Unitholders

There will be capital gains tax consequences for Eligible Unitholders who hold their units on capital account and participate in the Buy-Back.

Further information on the tax consequences of the Buy-Back is set out in Section 4. Unitholders should seek their own professional advice regarding the individual tax consequences of the Buy-Back.
