## Net Asset Value as at 9 May 2025

The weekly estimated unaudited net asset value (NAV) after tax as at 9 May 2025 was \$0.581\* per unit.

## Calculation of weekly NAV

This weekly unaudited NAV estimate has been calculated by reference to the US Masters Residential Property Group's (**Stapled Group**) most recent estimated unaudited monthly NAV at 30 April 2025. The reference NAV is \$0.582 per unit on a post-tax basis which applied an AUD:USD foreign exchange rate of 0.6402 and is adjusted for changes in the AUD:USD foreign exchange rate.

The applicable AUD:USD foreign exchange rate applied in calculating the estimated unaudited NAV as at 9 May 2025 was 0.6414.

These weekly estimates do not take into account all intra-monthly accruals, which are incorporated in the monthly NAV updates.

The Fund's NAV per security is calculated and presented in accordance with ASX listing rules and the relevant accounting standards. Securityholders should be aware that the NAV is reported without provision for the various transaction costs associated with property sales. As the Group continues to dispose of properties the NAV of the Group and each security will naturally fall slightly as these expected costs are realised, all else being equal.
