The Board has approved the extension of the current Buy-back program to allow the company to buy-back up to a further 5% of its shares for a further twelve (12) months (from 13 June 2025 through to 12 June 2026) unless closed earlier at the Board's discretion. RPM has today notified ASIC under section 257F of the Corporations Act 2001 (Cth) of its intention to extend the current Buy-back through to 12 June 2026.

The Board's decision to extend the current Buy-back program is part of RPM's ongoing capital management strategy and takes into account the company's current and historical share price as well as the \$80.5 million in available cash (as at 26 May 2025)). The Board considers the extension of the Buy-back (in these circumstances) a sound use of available capital.

An Appendix 3C in relation to the Buy-back extension will be lodged immediately following this announcement. Veritas Securities Ltd (ASX Market Participant - FinClear Execution Ltd) continues to act as broker for the Buy-back.
