Locate Technologies Ltd is, and remains, a technology-first company with its core business centred around two primary platforms:

- **Locate2u** – a SaaS platform for businesses to manage their delivery and service fleets through bookings, route optimisation, real-time tracking, and proof-of-delivery tools.
- **Zoom2u** – a delivery marketplace platform operating in Australia, connecting customers with on-demand couriers.

Management continues to pursue growth in the Company’s two key businesses and looks forward to sharing details of developments in each business when it lodges its Q4 FY25 Quarterly Activities report with the ASX.
